## New Sign Will Warn Motorists Of Car Tracks

"Warning, car tracks dangerous in wet weather" will be the sign erected at both ends of the village by the council at an early date was the decision of the municipal council Monday night. It was felt that there should be some additional warning to strangers motoring through the village owing to the number of accidents which have occurred, and while it was contended that there was very little danger if the speed limit was observed it was thought best to erect a warning sign.

A communication from the Women's Institute asked the council to have the unsightly town dump on the water work's property covered up in some way as it was an eyesore at the entrance to the village in its present condition. It was pointed out that the cans and refuse were covered up as quickly as dirt and covering was available.

An application from the Bowling Club to rent the Town Hall for a bridge tournament was refused as the town has not a license to use the building as a public hall and it is not the intention of the council to procure such license.

## MAPLE

A large congregation attended the service in the United Church on Sunday evening to hear and to welcome Rev. S. W. Dean, a former and beloved pastor. An able and inspiring sermon was listened to attentively. The quartette from Newmarket sang several beautiful selections. At the morning service an augmented choir led the singing and Rev. Dr. Doyle of Toronto gave a splendid discourse. A generous Thank-offering was received.

There will be other numbers on the program and refreshments will be served.

On Friday evening a party in honour of Mr. and Mrs. Robert Westby, Mr. and Mrs. Bert Mathewson and Mr. and Mrs. Victor Orr was held in the Community Hall. Euchre occupied part of the evening, and after lunch the three couples were presented with gifts of silverware and a carving set. All responded, thanking the donors for the beautiful presents. The remainder of the evening was spent in dancing.

The meeting of the Young People's Society on Monday evening took the form of a Halloween party when many attended in masquerade costume. The topic was taken by Henry McDonald, and the explanation was given by Mr. C. Ball, and the Scripture reading by Howard Mathewson. A short program was given including a Halloween party by several members. A number of contests were given after which refreshments were served.

Mr. C. White and family have moved into the house which was formerly occupied by Donald Fraser and family.

On Sunday next Communion Services will be held in all of the United Churches on the circuit.

A sad accident occurred last week on the farm of Dibb Brothers, when M. Wilson received injuries which cost him his life. He was watering the horses and it was supposed that he was kicked in the face by one of them, but was unable to tell how it had happened. He passed away on Friday morning, shortly after being admitted to the hospital. The funeral took place here on Sunday afternoon and was attended by many relatives and friends, the services being in charge of Rev. D. Davis.

Mr. and Mrs. Howard Knight of Toronto were the guests of Mr. and Mrs. T. Keys on Sunday.

Miss Velma Bryan of Toronto, a graduate of the General Hospital, has been spending a few days with her brother and sister, Mr. and Mrs. H. Bryan.

Mrs. C. Crook had the misfortune to fall on the sidewalk last week breaking a bone of her left wrist.

## Three Appeals At Court Of Revision

IN ALL CASES  
THE ASSESSMENT CONFIRMED

Richmond Hill council met as a Court of Revision, Monday evening, and three appeals against the assessment but in all cases confirmed the assessment as made by the assessor. The total assessment of the village for next year is \$928,705.85 which is about \$7,000.00 lower than this year. The small number of appeals was accepted by the council as evidence of the satisfaction of the people with the equality of Richmond Hill's assessment and assessor, A. E. Glass, who was present to give details relative to different properties was commended for his work.

Miss Ada Feir appealed against the assessment of her property at the corner of Lucas and Mill Streets. It is assessed for \$1125.00, land \$700 and buildings \$425.00. The assessor pointed out that the land was assessed the same as surrounding lots and the members felt the buildings were not too highly assessed. On motion of councillor Middleton and councillor Neal the assessment was confirmed.

Mrs. R. J. Blaney appealed an assessment of \$900 for land and \$1150 for buildings on her property bordered by Richmond, Trench and Mill Streets. The property consists of six acres of land and a brick dwelling. In making the appeal Mrs. Blaney pointed out that a considerable portion of the land was not suitable for gardening. Investigation of neighbouring assessments showed that the land was assessed twenty-five per cent lower than a neighbouring acreage which it was felt was sufficient allowance and on motion of councillors Neal and Little the assessment was confirmed.

Miss Everall appealed the assessment on her property on North Yonge Street just South of Little's Garage. The house and lot are assessed for \$2500.00, which it was claimed is too high. The land is assessed for \$650 and the building for \$1550.00. On motion of councillors Middleton and Little the assessment was confirmed.

## Hallowe'en Party Was Huge Success

Richmond Hill's first annual "Kids' Hallowe'en Party" was a huge success. The arena was crowded with a happy crowd of youngsters and older folks and a splendid evening was enjoyed. And best of all authorities and citizens report a minimum of Hallowe'en pranks. Reeve Greene this morning expressed himself as delighted with the party and with the results. "I certainly think it should be an annual event," he said to The Liberal this morning. "No serious damage has been reported," he said, "and I congratulate the young folks on entering into the spirit of the affair and refraining from any destructive pranks which have sometimes marred Hallowe'en."

At 7.30 a monster parade of the kiddies formed up at Little's Garage and headed by Richmond Hill Trumpet Band and the Fire Truck marched to the arena. Over two hundred youngsters in costume paraded around the rink and the judges, Mrs. D. M. Clamney, Mrs. J. E. Smith and Mr. T. H. Trench, had a difficult time selecting the winners. There were a large number of very fine costumes and the committee in charge takes this opportunity of extending congratulations to all the boys and girls who contributed so much to the success of the event by dressing up. The prizes were awarded as follows: girls 1st Mollie Secrett, 2nd Madeline Stevenson, 3rd Edith Page; boys' 1st Clifford Cook, 2nd John Tracey, 3rd Billy White.

After the parade of costumes there were two lacrosse games, Young Canucks vs Night Hawks and a novel game for the girls when the public school played the high school. This is the first time Canada's National game has ever been played by girls in Richmond Hill and it provided a rare treat for the spectators. The girls, perhaps, were not too expert with the sticks and their passing and catching may have been a little erratic but they demonstrated that they could enter into the game just as enthusiastically as the boys and we expect to hear from Richmond Hill girls lacrosse teams in the future.

## Richmond Hill Finish League In Second Place

Allandale and Caledon East teams are tied for the leadership of the Tri-County league and Richmond Hill Young Canadians and Owen Sound are tied for second position. Allandale and Caledon play Friday night which will put one of these teams in undisputed first position with the loser tied with Richmond Hill and Owen Sound for second place.

It is likely that Young Canadians and Owen Sound will be ordered to play a sudden death game in Barrie arena next Wednesday night with the winner going on to play home and home games with the loser of Friday night's Allandale-Caledon fixture and the winner of this series going into the finals for the league championship.

Last Saturday night Young Canadians dropped their fourth straight game in the series to finish the schedule with six wins and four losses. The locals started out in the schedule exceptionally well and looked like run-away winners of the group, winning their first six games. Then they went into a slump losing four straight and have ended up in a three way tie for second place and they will have to show improved form over their recent games to retain the coveted McCarthy trophy.

Last Saturday night the Young Canadians suffered a 12-6 defeat at the hands of Caledon East. In the first stanza Caledon East gained a three goal lead on Young Canadians holding the locals scoreless for the initial period. In the second they retained that three goal lead the score being 6-3 in favor of Caledon. In the third the locals rallied and played a better game and they went into the last period with the short end of an 8-6 score. In the last period the visitors added four more goals to their count.

The teams were: Caledon East: goal Baker, defence Courtney and Murray, rover Coulter, centre Nelson, homes Houston and Dice, subs Walsh, Robinson, Norton, Jones and Crowe. Richmond Hill: goal Cameron Frankhem, defence Jack Johnston and Jack Hart, rover J. Miller, centre Al White, homes C. Miller and H. Weese, subs Hedley, Orr, Blanchard, Richardson, Buchanan and Young.

The league standing:

	W.	L.	Play
Allandale .....	6	3	1
Caledon East .....	6	3	1
Richmond Hill .....	6	4	
Owen Sound .....	6	4	
Alliston .....	5	5
