Object To Twenty Cents Per Hour For Markham Twp Work

TIME FOR RELIEF DEPUTATIONS LIMITED BY COUNCIL

Relief problems were aired at the regular session of Markham township council held on Monday last. Mr. Cornell headed a deputation of the unemployed in the municipality who are working on township relief projects and strenuously objected to the twenty cent per hour rate of pay paid by the township. He stated it was not a living wage and he and others objected to working five days for \$8.25. Reeve Padget and deputy-reeve Will Clark will take the matter of the complaint to the Minister of Welfare. The members of council in adhering to the .20 cent per hour rate maintain that they are taking into consideration the ability of the farmers in the township to pay taxes. In view of the very depressed condition of agriculture in the past four years it is held that it is not fair to ask farmers who pay the bulk of the taxes to pay a rate of pay higher than .20 cents per hour to those on relief.

Following the hearing of the deputation the members of council expressed themselves as dissatisfied with the great amount of the time of council taken by deputations relative to relief matters. It was felt that much of the time taken was unnecessary and as a result of the discussion the council on motion of councillors Chas. Hooper and James Rennie decided in future to limit all appeals re relief to five minutes each. In this way it is hoped to expedite the business of the regular council meetings.

At this meeting \$459.28 was paid out in direct relief being \$139.35 for groceries, \$141.50 for fuel, \$133.83 for clothing and \$44.60 for medical accounts and in addition to this \$1704.00 was expended in relief work on the roads which is apportioned to the unemployed according to their needs by the township relief officer.

A request from the unemployed that the township pay Hydro bills was refused by the council. "We can buy coal oil lamps cheaper," said Deputy-Reeve Clark.

Council authorized payment of the township's share of preparing voters lists for the recent provincial election. The total cost of preparing the lists in York County was \$24,435.67 of which Markham's share was \$146.33. "We have no alternative but pay it," said Reeve Padget.

An account for \$300.00 for special audit work in connection with arrears of taxes to W. C. Eddis & Sons was passed for payment.

WEDDING

GEE-NICHOLS

The marriage took place on Saturday in Victoria Square United Church of Reva Lillian, daughter of Mr. and Mrs. Louis L. Nichols, and Mr. George Douglas Gee, son of Mr. and Mrs. Robert Gee. Rev. F. A. Gilbert performed the ceremony. The church was attractively decorated with ferns and chrysanthemums, and Miss Laura Gee, sister of the groom, played the wedding music. During the signing of the register, Mr. E. Avison sang "O, Promise Me."

The bride was gowned in white triple sheer georgette with veil of embroidered net in cap shape and caught with orange blossoms. She carried a bouquet of Talisman roses. Miss Vera Nichols was her sister's bridesmaid, gowned in pink silk net and wearing a pale blue velvet hat and carrying roses. Mr. Fraser Gee, brother of the groom, was best man and the ushers were Mr. Cecil Nichols, brother of the bride, and Mr. Harold Wellman, cousin of the bride. The reception was held at the home of the bride's parents, where one hundred guests were entertained. Mrs. Nichols was gowned in triple sheer georgette with hat to match and carried roses, and Mrs. Gee was in embroidered crepe with hat to match and her flowers were also roses.

Mr. and Mrs. Gee left later for Ottawa and points east, the bride going away in a blue crepe frock, hat and accessories to match. On their return they will live in Victoria Square.

Young Canadians Eliminated From Tri-County Race

OWEN SOUND WINS SUDDEN DEATH FIXTURE BY 12-8 SCORE WEDNESDAY NIGHT

Richmond Hill Young Canadians were eliminated from the Tri-County League race Wednesday night when they went down to defeat at the hands of the Owen Sound rough-riders in a sudden death game at Barrie by a score of 12-8. Owen Sound and Allandale now play home and home games next Monday and Friday to decide the second position and the winner will play off with the league leaders, Caledon East, for the championship.

Richmond Hill played last night short the services of "Cal" Miller who was at the game but unable to play due to severe injuries to his foot. "Cal" who has played every game played by Young Canadians since the revival of lacrosse here some years ago was sadly missed by his teammates. Ollie Barrett, another of the team's star performers, was out of the game with an injured knee. Handicapped by the absence of these players the locals made a gallant effort and put up a splendid fight against the Owen Sound crew, known as the rough-riders of the league. In the first period Richmond Hill had the edge on the play and outscored their opponents by a score of 2-1 and they deserved at least two other goals on the period's play. In the second stanza Owen Sound got away on a scoring drive and outscored the Hill 5-2. They continued to have the edge on the play and in the third period added four more goals while the best the Young Canadians could do was get three counters. In the final period the Young Canadians made a fighting effort to stay in the race for league honors but the final bell came to end the period 2-1 for Owen Sound and the game 12-8 for the northerners. It was a splendid game for the spectators with lots of action from start to finish, although only a very small audience was on hand, in fact only about 120 cash customers.

Young Canadians will now hang up their sticks for the present season and the McCarthy Cup which has rested in Richmond Hill for the past year will rest for the coming year in Owen Sound, Caledon East or Allandale with Caledon East being favored by the majority of fans to annex the premier honors.

BELIEVE IT OR NOT

"I guess I'm a darned idiot to buy this," said a Richmond Hill business man this week, as he gazed at a newly purchased radio license which set him back the usual \$2.00.

Markham Council Fixes Salary Of Treasurer at \$800.

The salary of Charles Hoover newly appointed treasurer of Markham Township was fixed by by-law at the regular council meeting held Monday last at \$800.00 per annum. Reeve Padget asked the three members to place an amount on a piece of paper and he would do likewise in determining the amount to be paid. One slip had the figure \$750.00, two had \$800.00 and one \$1000.00. The salary of \$800.00 appeared a fair average and it was unanimously agreed that this be the amount to be paid. Mr. Hoover as well as being treasurer will have complete charge of tax payments for the current year and for arrears as well.
