## The FIRESIDE PHILOSOPHER

By ALFRED BIGGS Don't blame fate for your failure,

Ambition can make or break you.

The gold of friendship is tested by the acid of adversity.

Age has little to do with the calendar; it is more a matter of spirit.

Probably the best known man in the world in a clown-Charlie Chaplin.

He is wise who retires from public life at the height of his fame.

The human mind is still an uncharted ocean.
