

WHEN
 you finally land the job you've
 been after . . . and things
 look much brighter . . . and
 you're feeling happy . . .

Tell your family by Long Distance
 . . . it will make them happy too.

Spread good news, get help, vanish loneliness—by telephone. Long Distance takes you where you want to go, quickly, dependably, economically—100 miles or so for as little as 30c. See rates in the front of your directory.

KING CITY

Mrs. John McCallum entertained the Laskay W. M. S. at her home on Wednesday afternoon.

The United Church W. M. S. took place on Thursday afternoon at the home of Mrs. G. H. Stone. The introduction of the New Study Book on India was given by Mrs. V. Gates. Other interesting papers were given on India. A dainty luncheon was served by the hostess.

Rev. Crawford, of Toronto, was the speaker in the United Church on Sunday evening.

A number from this community attended the special services at Teston on Sunday and the fowl supper on Wednesday evening.

On Monday evening a miscellaneous shower was held at the home of Mr. and Mrs. J. McCallum of Laskay in honor of their daughter Mary and her husband, a bride and groom of a couple weeks.

Miss Elizabeth McClure and Mrs. A. McMurchy of Strange, visited at Hamilton at the home of Dr. and Mrs. R. Lymburner (formerly Margaret McMurchy) over the week-end.

The "Neighborhood Circle" of the fifth line gave a play followed by a dance in McDonald and Wells Hall on Wednesday evening.

The topic last week at the Y. P. S. was given by Laurence Folliott, Misses Lillian Leese and Dorothy Dew gave a piano duet.

Miss Alice Ferguson gave an excellent talk on Armistice and Peace at the Y. P. S. on Monday evening of this week. The Missionary convenor was in charge of the program.

The more we observe the nations of Europe, the better we understand why the end of the world war was called an armistice.

LASKAY

A number from here attended the Teston reopening services on Sunday. Y. P. S. was in charge of Miss M. Ezard. The program was on "Peace".

The discussion was lead by Miss Ezard and Miss H. Hunter and E. Wiltshire sang a duet "Peace Perfect Peace."

On Tuesday night a number of young people armed with various instruments called at the home of Mr. Jas. McCallum and played "Musical Moments" for Mr. and Mrs. W. McCallum.

A miscellaneous shower was given Mrs. W. McCallum on Monday evening by her many friends and relatives. A short program was given, music by Mrs. A. Hill of Nobleton, and Miss M. McMurchy; reading by Miss Roberta Gillies of Weston, and a solo by Mrs. H. Gilham, a wagon drawn by Misses Jean Ross and Betty McCallum was then brought in laden with many beautiful gifts.

Mrs. McCallum thanked her friends in a charming manner. They sang "For she's a Jolly good Fellow," and refreshments were then served.

The anniversary services of the Presbyterian Church, Strange, will be held on Sunday, November 18th at 11 a. m. and 7 p. m. Rev. Cunningham of Richmond Hill Presbyterian Church, will be the special speaker, assisted by Purpleville Presbyterian choir.

W. M. S. met at the home of Mrs. J. McCallum, King, with a large attendance. This being the Thanksgiving meeting the program was carried out in that theme. Mrs. W. Baldwin sang and Mrs. E. Scott gave a reading.

Five members then read short paragraphs on Japan. An important item on the program was the life membership given Mrs. W. Hamilton, Miss Marion Collins read the address and Mrs. Smeltzer, president of the society presented it. Visitors at the meeting were, Mrs. J. Ireland, of Aurora; Mrs. C. Ball of Maple and Miss E. Campbell of King.

Miss Francis Watson, of Sarnia, is visiting with her sister Miss Jean of Laskay.

Miss Marion Collins spent the week end in Thornbury with her father and sister.

Laskay Mixed and Male quartettes will sing at Teston on Sunday evening November 18th.

CAPITOL THEATRE

IRVIN S. COBB PRAISES FILM MADE FROM "JUDGE PRIEST" TALES, STARRING WILL ROGERS

"The butcher who sells you a ham doesn't worry about its fate. You can boil it or fry it or drop it in the well; it's all the same to him after he gets his money."

This is the attitude of Irvin S. Cobb famous humorist and author, who sold a number of his "Judge Priest" stories to Fox Film to be welded into Will Rogers' latest picture, "Judge Priest" arriving next Friday, Saturday at the Capitol Theatre.

This tolerance toward the studio is refreshing when one recalls the action of many writers who have sold stories for picturization and left Hollywood panning everybody and everything connected with motion pictures.

Cobb arrived in Hollywood accompanied by his daughter, Elisabeth, who had also sold a story to Fox Film. Her novel, "She was a Lady," was a recent vehicle for Helen Twelvetrees.

When he viewed the completed "Judge Priest," Cobb expressed the warmest enthusiasm for its handling by Director John Ford.

"Even if I was a man to worry about his yarns after they are sold to Hollywood, there'd be no cause for it this time," he said.

"Will is the perfect man for ol' Judge Priest. No actor that I know of could have made him so warm and wise and human. As for the production, it's beautiful. If you want my opinion in one word," he added to an interviewer, "you can just say—'great!'"

In "Judge Priest," Will Rogers has the largest cast that has ever supported him in a film. Among the principals are Tom Brown, Anita Louise, Henry B. Walthall, David Landau, Rochelle Hudson and Stepin Fetchit.

What's in a name? Well, pitchers named Speer would be "Speedy" and "Sperty" instead of "Dizzy" and "Daffy."

Yes, you can win by copying the winner's method. But his method didn't consist in copying.

NEWS AND INFORMATION FOR THE BUSY FARMER

The total amount of branded beef sold in Canada during the month of September was 2,818,400 pounds.

There would appear to be a serious shortage of alsike for domestic needs in Canada next spring as the 1934 production, plus the small carry-over, is not expected to exceed more than one-half normal requirements.

Timothy Seed Estimate

The total yield in Canada of timothy seed in 1934 may approximate 8,000,000 pounds, as against 4,000,000 pounds in 1933, and an annual average for the past five years of 2,000,000 pounds. The normal annual consumption is estimated at 10,000,000 pounds and from 7,000,000 to 8,000,000 pounds of this have been imported annually from the United States. Very little seed is likely to be imported this year, however, owing to the 1934 crop failure in the United States. There would appear to be a shortage of timothy seed for normal domestic requirements next spring.

O. A. C. Short Course

A short course covering many phases of the agricultural industry, will be opened to farmers of Ontario, at the Ontario Agricultural College at Guelph, Hon. Duncan Marshall announced. The classes will be held from January 2-11 when students will be given a holiday. Special work in livestock covering beef cattle dairy cattle, horses, sheep and swine, will be arranged said the minister.

It is also hoped to have in addition to the regular instruction, special conferences on important phases of production and marketing. At the same time short courses in horticulture, bee-keeping and agricultural engineering will be held. The three months' dairy course and the month's poultry course will be held as usual but will not be a part of the plan for the two weeks' course. There will also be a short practical course in emergency veterinary work.

"The time chosen will, if approved, permit the regular students, with the exception of the senior students in agriculture and the girls, to remain at home," he said. "This will leave the dormitories and the dining hall for a group of about 500, available for the short course and conference. We should like to make a special rate of \$6.00 for the ten days or 75 cents per day for those who come but for a few days.

Breeds for Crate Feeding

The best breeds of poultry for crate feeding are the general purpose types such as Plymouth Rocks and Wyandottes, or the heavy types such as Jersey Giants.

Easy Marketing of Poultry

The early marketing of well-finished birds in commercial quantities was well demonstrated by farmers during the last two weeks of October in Eastern Ontario where the first poultry pools of the year have been held. The question as to whether or not early poultry marketing could be done successfully in a large way by farmers, from a quality standpoint, has been definitely answered, the producers in these districts having demonstrated by planning ahead that the crop of chickens from practically any district in Ontario can be produced and made ready for sale when the market demands it. The average weight of the pool pack has been around 5 pounds per bird, with a number of boxes of Milkfed A weights

over 80 pounds. The Milkfed A chickens were produced by crate feeding from 4 to 5 weeks. The carlot movement of dressed poultry from Western to Eastern points were also commenced in the third week of October.

Current Crop Report

Barley has been a good paying crop this year in many districts. Grey County reports yields of 50 to 60 bushels per acre, and prices varied for malting barley from 60c to 70c. A heavy snowfall in that region replenished the water supply and made plowing easier. Most farmers in Huron County are holding their alfalfa seed, red clover and sweet clover until late winter or early spring. Peel County reports fall wheat looking well, but acreage considerably below average. Plowing is about finished in most localities, with complaints by some plowmen that the soil has been dry and hard. Pasture has been none too plentiful in North Simcoe and some herds are showing the effects. The root crop, both turnips and mangels, has been the best in years. Waterloo County predicts that farmers are going to experience difficulty in getting their cattle through the winter on the limited supply of roughages.

Livestock in Brant is going into stables in better condition than was anticipated, while fall wheat there is in good condition for winter. Haldimand reports offers as high as \$17 a ton for "barn run alfalfa," including first and second cuttings, this price unbaled and at the barn. Celery lifting in Lambton is completed, with a very much reduced crop owing to weather conditions, lack of maturity and frost. In Lincoln, young poultry of good quality is in fairly good demand at prices ranging from 35c to 40c according to finish. Price of milk there has now been established for a period at \$1.95 cwt. to the producer, f. o. b. factory or receiving station. Fall wheat looks well with a good top in Welland County, while hay supply is low and priced at \$20 a ton. Condition of livestock is much improved this year in Peterborough. Shortage of water is serious in Prince Edward, many wells being dry and water in the inland lakes so low that cattle have difficulty getting to it.

In Eastern Ontario farmers are trying to reduce their stock to prevent a shortage of feed. Much success attended the All-Manitoulin Turkey Show, indicating the uniformity and quality of Manitoulin turkeys which will be marketed co-operatively for the Christmas trade.

TEETHING FEVER Relieved!

Mrs. Edward James' baby had two teeth when less than three months old. She writes: "He has 18 now and I can truthfully say that giving him Baby's Own Tablets while cutting his teeth kept him fit and well." Teething is a restless feverish time for babies but the little one can always be soothed and the fever reduced by giving sweet, safe Baby's Own Tablets. Very easy to take, no after effects. Price 25c everywhere.
