**WOODBRIDGE DISTRICT NEWS**

**Remembrance Services in Honor of Glorious Dead**

Remembrance Day was observed by all Woodbridge churches last Sunday. At the United Church the morning service was conducted by the Pastor Rev. J. E. Anderson. The evening service, sponsored by the Young People's Society, who also furnished the musical service, had for special speaker Rev. Dr. George Little of Toronto. The service at Christ Church was in charge of the Rector Rev. J. H. Kidd and a special Remembrance Musical service was provided by the choir. In the absence of the Pastor, Rev. John McKenzie, the pulpit of the Presbyterian church was occupied by Rev. John Lindsay, of Whithy, who also had charge at Knox. A musical program fitting the occasion was rendered by the choir.

In the afternoon Villagers assembled in Memorial Park where honor was done the fallen heroes of the Great War when addresses were delivered by Rev. J. H. Kidd and Rev. J. E. Anderson. Floral wreaths contributed by the Provincial Government, Woodbridge Women's Institute and Queen Victoria L.O.B.A. were placed on the Cenotaph.

Friends of Mrs. Thomas Kitchener aged resident of Clairville, who for some time was confined to her bed because of illness will be pleased to hear she is able to be up and around as usual.

Mr. Lloyd Leach, former manager of the local branch of the Royal Bank and Mrs. Leach of Grimsby, were guests of Mr. and Mrs. F. W. Hicks and other friends on Remembrance Day.

But a few days more and the Royal Winter Fair will be the big event to attract the attention of the public.

Already merchants are offering Christmas goods for sale with the slogan "Shop early and avoid the rush."

A recital of Madam Ethel Holland's pupils is announced for Thursday, November 22nd, to be held in the Orange Hall.

Mrs. James Nattress for many years a resident of the Knox district who on retirement from the farm has lived in Toronto for the past decade is reported to be seriously ill.

Mr. George Mason Jr. who spent a week in Toronto Western Hospital for eye treatment was able to return home.

The November meeting of the Junior Women's Institute was held on Tuesday afternoon at the residence of Mrs. Leo Watson, McKenzie Hill.

The Needlework Course conducted by Miss Evelyn Fresh of the Ontario Department of Agriculture and sponsored by the Woodbridge Women's Institute ended on Friday of last week with a luncheon by the ladies of the course at the Tea Room of Miss Betty Wallace, Pine Street.

Presentation of Life Membership at W. M. S. Meeting

There was a good attendance at the

regular meeting of the Presbyterian Church Women's Missionary Society held in the Sunday School on Wednesday of last week, the feature of which was the presentation of a Life Membership Certificate to Miss Jessie Witty, the address being given by Mrs. J. W. Ellerby and the presentation by W.J. Mitchell. Other items on the program were, a talk on Glenmoir Girls camp by Miss Evelyn Brown, on "Studying the Bible" by Mrs. Archie Cameron guest speaker, and vocal numbers by Mrs. W. J. Dalziel.

**Hockey Club Dance**

The third dance of the Hockey Club held in the Orange Hall on Friday night attracted a goodly number of young folk of the community, when a program of Olde Tyme, modern and novelty dances was carried out to music supplied by Dick Harrison's Orchestra and directed by Mr. Harrison. A meeting of the Hockey Club is announced for Friday night, Nov. 16th, in the Public Library, when plans for the season's activities will be discussed. Everybody interested is asked to attend is the urgent request of the committee composed of Wilfrid Maxey, Alf. McKinnon, Lynas Glass and Gordon Bagg.

The world is certainly drawing closer together through radio, and a better understanding between nations is sure to follow especially if we could get away from the prevailing war talk that seems to permeate the air. We were more than amazed on Remembrance Day when listening to the Peace program sponsored by the National Broadcasting Company to hear Diplomats speaking from Washington D.C., Buenos Ayres in South America, Paris, London, Yokohama, Japan and Ottawa, Canada. Such hookups via radio throughout the world should help to end the war curse forever.
