BROADWAY THROUGH A KEYHOLE

VICTORIA SQUARE NEWSY NOTES

"It is not the occasional brilliant effort that counts but the steady persistent striving toward the goal." How true this is and how we need the steady influence of such philosophy in these fitful times.

On Wednesday evening, Nov. 21st, a good representation of ladies from the community gathered in the home of Mrs. Robt. Agar for the regular W.A. meeting. The program, which was planned by Miss Grace Valliere, opened with a worship service including hymns, prayer by Mrs. Haig, scripture lesson by Laura Gee and a reading by Bessie Valliere. This was followed with a solo by Miss Ruth Caseley and a talk on the Present Crisis by Mrs. R. Klinek. The roll, which is steadily increasing, was called by Mrs. Dennis. During the business period money was voted to assist in fixing the primary room, also to secure a blind necessary for the church. It was also decided to hold a monthly fifteen cent supper and social at the church during the winter months commencing with January. The meeting was brought to a close with a pleasant social period.

Several from this district have enjoyed a trip to the Royal Winter Fair. Congratulations to Mr. Jack Frisby of our town who won a championship with his O.A.C. 21 Barley in the Grain and Seed Show and sixth out of 153 entries in the Gold Medal Barley Competition. Jack deserves credit for his persistent efforts in this line and we rejoice with him in his success.

Miss Margaret Bennett has been very sick this last week and we are happy to report her condition gradually improving.

Mr. Floyd Perkins presented a few ideas on the lesson following the regular study period on Sunday. Arrangements made and committees appointed for the Christmas commemoration were read and as the practice gets under way we look forward to a fine concert on Christmas eve.

Rev. E. Harston of Yonge Street United Church brought the special missionary message on Sunday afternoon and we realized the way the hands of the church are tied by lack of funds.

A paper on "Books and Dramas of the Social Awakening," given by Mrs. H. Collard, and an instrumental by Miss Pearl Caseley were the high lights of Y.P.S. program Sunday evening. It was arranged to hold the annual election of officers for the Y. P.S. on Friday, Nov. 30th, at 8 p.m.

in the Sunday School room. Don't fail to be on hand for this and the games and lunch which are to follow.

A special program will be presented under the Christian Fellowship committee next Sunday evening, when Douglas Fry of Markham will speak and there will be special music by Miss Francis Smith of Gormley.

Tuesday is the evening for the December meeting of the J.F. and J.W.I. Girls kindly keep in mind the box of candy to respond to the roll call with also your items for the Newsy News and suggestions for the Suggestion Box. The paper on "Christmas in other Lands" is to be given by Miss Ethel Mortson, also there is to be a demonstration by Mrs. Buchanan and Xmas Carol singing led by Mrs. McCague.

The main feature of the J.F. meeting is a debate—"Resolved that a high tariff policy by our government at the present time is in the best interests of the Canadian Farmers." Affirmative, Gerald Lyon and Clare Sanderson; Negative, H. F. Collard and Lou's L. Nichols.

The Christmas meeting of the W. M.S. will be held in the church basement on Wednesday, Dec. 5th, at 2.30 p.m. sharp. Apart from a short program, there will be reports from the various officers, a collection of the yearly Blessings Boxes and the annual election of officers presided over by Rev. F. Gilbert. Will the ladies of the community kindly make every effort to be on hand for this important meeting of the W.M.S. and don't forget your Blessing Box.

Home and School Club Organized Officers Elected

A very successful meeting of the Home and School Club was held last Tuesday evening in the Public School, with a gratifying turnout including a good many new members.

The club has been re-organized with some of the newer members holding executive positions and it is hoped that they will be given the support and co-operation of those who have worked faithfully in the club for the past years.

The officers elected were as follows: President, Mrs. R. D. Little; 1st Vice-President, Mrs. L. A. Hill; 2nd Vice-President, Mrs. W. A. Duncan; Secretary, Mrs. R. Paris; Treasurer, Miss R. Reaman; Convenor of Program Committee, Mrs. N. McGibbon; Program Committee, Mrs. Lester Jones, Mrs. H. H. Cook, Mr. W. Scott, Mr. D. Frisby; Convenor of Refreshment Committee, Mrs. W. Charles; Refreshment Committee, Mrs. G. S. Walwin, Mrs. A. Bowes, Mrs. E. Morris, Mrs. J. Pollard.

The meeting was almost entirely social, and took the form of original games and contests, two of which were musical, and all of which exceedingly informal and mirth provoking.

Refreshments were served at the close of the meeting.

A silver collection was taken and this together with the membership fees will enable the club to provide the school children with hot cocoa for a few weeks, but will not furnish sufficient funds to carry on the work until the January meeting.

In view of this, will those who plan to join please leave their membership fees as soon as possible with the Secretary, Mrs. R. Paris, Yonge St., or any other member of the executive.

Magistrate Jones Addressed Young People's Rally

The second annual rally of the Richmond Hill Young People's Council was held in the United Church Sunday School room Monday evening and was largely attended. Mr. Don Frisby, the President, presided, and Magistrate J. E. Jones of Toronto was the speaker of the evening. He delivered a thought inspiring address on the subject "Young Folks Charged with Crime" and in his remarks outlined the proposed Borstal system for adolescent boys under which special institutions will be built to accommodate delinquent youths who would not benefit by a reformatory term. The system has been in operation in England for about 25 years, he said.

The proper term for these boys is three years, the magistrate continued. The instructors would be the best trained mentors obtainable, and any incorrigibles would come before a committee and removed to a reformatory if the committee saw fit.

He said that churches, schools, charitable organizations and service clubs were behind the movement, and he expressed the hope that the realization of the plan would be seen in the near future.

BAZAAR FRIDAY & SATURDAY OF THIS WEEK

The big event of the week-end is the Bazaar, under the auspices of St. Mary's (R.C.) Church. It will be held in the Masonic Hall, Richmond Hill, Friday and Saturday, Nov. 30th and Dec. 1st. There will be something doing all the time and everyone is cordially invited to attend at any time, when there will be booths of all kinds. The special events include a ladies bridge and euchre Friday afternoon at 3 p.m. to which all the ladies of the community are invited. Friday evening is the big dance for which Jane Seager's orchestra will provide the music. The admission is free. Saturday evening there will be a Fowl Supper served from 5.30 p.m. Don't miss these big events of the bazaar, and don't fail to visit the many fine and attractive booths which will feature the event.

GOING NORTH FOR THE WINTER

The McCarthy Cup, representative of the Tri-County League championship, which may spend the coming winter in Huntsville. The Hawks, winners of the northern section, defeated Caledon East, winners of the southern section, in the first of the final games Monday night by a score of 9-7 in Orangeville. The return game will be played in Huntsville Friday night when it should be easy for the Huntsville boys to repeat the performance. Since the cup was first donated it has been won twice by Orillia, once by Bradford and twice by Richmond Hill. If the coveted mug now travels to the north country it should tend to give new impetus to the game in that section.

In the play-off for the championship of the southern section Allandale eliminated Owen Sound losing the first game in Owen Sound by an 8-6 score but winning in Barrie 9-0. The heavy Caledon East team eliminated Allandale defeating them in two straight games, the score being 14-7 and 15-8. Richmond Hill Young Canadians were defeated by Owen Sound in a sudden death game at Barrie, the first of the play-off series.

VETERANS CONCERT AND DANCE

Reserve Thursday, Dec. 6th, for the big concert and dance under the auspices of the local veterans organization. The program and music for the dance will be by the Barnstormers orchestra. There will be fun, mirth and merriment. The admission is the popular price, 25 cents. Tickets are now on sale and may be secured from the veterans or the orchestra.

"Do you find it hard meeting expenses?"
"Gosh, no, I meet them everywhere!"

Losers Banquet Winners in Choir Attendance Contest

A most enjoyable evening was spent by the United Church choir on Tuesday, when the winning side of the attendance contest, led by Mr. Wes. Middleton, was entertained by the losing side under Mr. Rand Phipps. A lovely dinner was served in the Sunday school room at 6.30, and the floor was cleared for games and stunts.

One of the features of the evening's entertainment was a "ladies" vocal trio consisting of Mr. Lauder Glass, Mr. Rand Phipps and Mr. Lewis Clement, accompanied by Miss Dorothy Angle at the piano. Mr. Clement was unfortunately unable to take part at the last moment, but the other two members carried on beautifully, rendering the selection "Did you ever see a dream walking" in close harmony. Mr. Phipps was charmingly gowned in black lace, and Mr. Glass was striking in a creation of chartreuse green and black.

Prizes of noise-makers were awarded the winners of the games. It was the generally expressed opinion of Mr. Middleton's "organization" that the reward more than justified the efforts they had put forth to win.

LETTER OVER HUNDRED YEARS OLD

This week we read a letter which is in the possession of Mr. George Caldwell of Richmond Hill which was written by one of his relatives in England under date of February 13th, 1833. The communication tells a vivid story of conditions existing in England and throughout Europe at that time and is notable that the troubles and worries of that day were not so much unlike the troubles and problems of the present time. Even then economic conditions were hard and there were wars and rumors of wars on the continent.

MAPLE

In the Presbytery exchange last Sunday, service was conducted in the morning in Hope Church by Rev. M. Clugden of Toronto, and the preacher here in the evening was Rev. E. Strapp of Kettleby.

A bazaar will be held and a hot chicken supper will be served in the Parish Hall on Saturday of this week under the auspices of the Women's Auxiliary of St. Stephen's Church. Many articles suitable for gifts for Christmas will be on sale.

A miscellaneous shower was held at the home of Mrs. J. E. Kirby last Friday night in honour of her daughter Elizabeth who recently became the bride of Mr. Wm. Hawksworth. Many beautiful and useful gifts were received, and after refreshments were served a social time was spent.

A delightful Bridge and Euchre benefit party, was held last Friday night at the home of Mr. and Mrs. A. Wells. A number of friends from the Eastern Star Chapter, Toronto, of which Mrs. Wells is a member, also many from the village were present and a sociable time was spent. Dainty refreshments were served by the hostess.

The Sabbath schools and the public school pupils will hold a Union concert about the twenty-first of Dec.

The members of the Women's Institute held a quilting and packed a bale for relief work in the Parish Hall on Tuesday afternoon.

The meeting of the Young People's Society on Monday evening was in charge of the Literary and Social departments. The convenor, Miss Ruth Reaman, was in the chair, and a splendid paper on Books and Authors was read by Miss McBeth. Mrs. E. T. Wade gave a beautiful piano selection, Mrs. T. Jackson gave a reading, and Miss Marjorie Bowes sang a couple of solos, and there were several other numbers on the program. The remainder of the evening was taken up with games and contests.

Mr. Nelson Saigeon of Drayton, Ontario, visited this week with Mr. and Mrs. J. T. Saigeon and Mr. and Mrs. Carl Saigeon.
