## Richmond Hill Will Have Two Teams In T.H.L.

The cold weather of the past couple of weeks has inspired hockey enthusiasts and steps have been taken to get teams organized. It is now assured that there will be a junior and an intermediate entry from Richmond Hill in the Toronto Hockey League and according to those in charge both teams will be strong aggregations which will give a good account of themselves and it is predicted that Richmond Hill will this year rise to championship class in hockey.

A practice for the intermediates will be held in the arena to-morrow (Friday) evening at 8 p.m., when all players and all interested are asked to turn out. There is lots of good material available and the co-operation of all players in the district is invited.

According to rumor Harry P. Trowell, local hardware merchant and sporting enthusiast, will manage the intermediates this year, and if he can be prevailed upon to accept the post he would make an excellent man for the job.

### MAPLE

The annual concert by the pupils of Hope Public School will be held in the Masonic Hall on Thursday evening, Dec. 20th.

The concert by the Public School and the Sabbath Schools will be held in the Community Hall on the evening of Friday, Dec. 21st.

A splendid entertainment was given in the Community Hall last Friday evening by the Arcadian Singers. At the close, the company was entertained by the members of St. Andrew's Presbyterian Church.

A travelling Library has been secured by the members of the Women's Institute. The books will be kept at the home of Mrs. T. F. Jackson and can be obtained without charge, by all members of the Community on Tuesday and Saturday evenings from 7 to 9 p.m.

Mrs. R. K. Lambert of Horning's Mills visited at Mr. H. C. Bailey's over the week-end.

A successful sale of home-baking was held on Saturday by the Women's Missionary Society.

A large number of people attended the monthly meeting of the Women's Association of Hope United Church last Thursday, when a good table-collection was taken.

The funeral of Duncan McKinnon, formerly of the Seventh Concession, was held from Lawrie's Undertaking Parlours to St. Paul's cemetery on Saturday afternoon.

There was a large attendance at the last two meetings of the Young People's Society. The contest closed on Monday evening and the programs will be judged on their merits. The decision will be given next Monday evening and there will be the election of officers. Last week the Fellowship and Citizenship committees gave a Christmas Pageant, and on Monday night a Missionary Pageant and a Pandomime were presented by the Missionary Department.

Sunday School and services at Zion Lutheran Church will be at 1.30 and 2.30 o'clock respectively on Sunday, Dec. 16th. Christmas Festival service with program under the auspices of the Sunday School will be held on Christmas eve, Monday, Dec. 24th, at 7.30 o'clock. All are cordially invited.

At the annual meeting of the Ladies Aid of Zion Lutheran Church the following officers were elected: Pres., Mrs. Roland Keffer; Vice-Pres., Mrs. Lawrence Keffer; Secty., Mrs. Charles Ball; Treas., Mrs. Charles Line. The annual meeting of St. Andrew's W.M.S. was held in the Sunday School room on Wednesday with the President in the chair. After the devotional exercises it was decided to send a Missionary Bale to the needy in the West. Mrs. G. J. Laurie read a paper. The election of officers was next in order and all the officers were re-elected for the year 1935.

The meeting closed with prayer, after which the committee served lunch.

### TOXOID TREATMENT

Dr. J. P. Wilson, M.O.H., has announced that the third and final Toxoid treatment will be administered to children at the Public School Friday afternoon.

## Community Tree Sat. December 22 In Richmond Hill

The great Community Christmas Tree will be held in Richmond Hill arena Saturday afternoon, December 22nd. The committee in charge of the event met Monday evening in the Municipal Hall, under the chairmanship of Mr. James McLean, when plans were made for the event. A big tree has been erected in front of the Town Hall and will be illuminated with multi-colored lights from now until Christmas.

Saturday afternoon the 22nd there will be a great parade from the North end of the town when it is hoped to have the local band out and a number of novel features. Jolly old Santa will be on hand and will join in the parade to the arena where the program will be carried out. There will be carol singing led by massed choir and a number of other features and at the conclusion well filled stockings will be given to all the children of the district.

This is the big Community event of the Christmas season and each year has attracted a large crowd. This year with the addition of new attractions it is expected to be bigger and better than ever. Plan now to visit Richmond Hill Saturday afternoon.

Chairman McLean and members of his committee are now soliciting funds to cover the expense of the affair and we trust that they will be given a generous reception.

## Work And Wealth For All

A lecture on the above subject is being given in Masonic Hall, Richmond Hill, on Dec. 18th, at 8 p.m., by Mr. Harry Hallat, President of Denison Brick and Tile Co., Windsor, and Author of The Wage Dollar Money System. Entertainment will be provided and everyone is invited to attend. The meeting is being sponsored by the Meteor Tuxis Group of the United Church Sunday School and as leader of the group I appeal to all citizens to be present. Personally I have heard or read nothing in many years so arresting as the prospect opened up by the plan of financing suggested by Mr. Hallat. In a thoughtful analysis of economic conditions Henry Ford has said that there is an awful fallacy somewhere. It seems to me that Mr. Hallat has discovered both the fallacy and the remedy. In this treasure hunt to locate the hidden treasure of prosperity, others have gotten warm, but Mr. Hallat has gotten hot.

He does not suggest a new dogma creed or party, but a plan of financing the exchange of the products of all our labor which is designed to remove a tremendous burden of interest charges from the taxpayer and make possible the same expansion of industry and employment. It is a plan which can be adopted and put into practice by any government without any change in our social order. If successful it would benefit every man woman and child in our country, and I am sure no one will want to miss this chance to obtain information about a subject of so vital and general interest.

Remember the date, Dec. 18th, and admission is free.

PAUL E. ANGLE.

### VICTORIA SQUARE NEWSY NOTES

The Sabbath School was beautifully decorated with Christmas decorations for the December meeting of the W. M.S. on Wednesday afternoon. After the opening hymn and prayer by Mrs. R. F. Boynton the meeting enjoyed a duet sung by Mrs. Ross Nichols and Mrs. R. F. Klinck. Various reports from the officers were then given and the election of officers presided over by Rev. F. Gilbert followed. The new officers are: Hon. Presidents, Mrs. W. Brumwell and Miss H. Hopper; President, Mrs. Haig; Vice-President, Mrs. H. McCague; Recording Secretary, Mrs. Ross Nichols; Assistant, Mrs. Herb. Smith; Corresponding Secretary, Mrs. R. Klinck; Press Secretary, Laura Gee; Temperance Secretary, Mrs. E. Avison; Literature Secretary, Lulu Beatty; Strangers Secretary, Ethel Mortson; Associate Helpers Secretary, Mrs. R. Beatty; Treasurer, Mrs. R. F. Boynton; Supply Secretary, Mrs. H. Flavelle; Stewardship Convenor, Mrs. Willows; Mission Band Leader, Mrs. Haig; Baby Band Leader, Mrs. H. McCague; Pianist, Mable Sanderson; Assistant, Mrs. R. Perkins. The meeting closed with a social period and a tasty lunch served by Mrs. McCague's group.

On Thursday evening relatives and friends gathered at a reception at the home of Mr. and Mrs. L. L. Nichols to welcome home the bride and groom, Mr. and Mrs. Cecil Nichols. After a delightful supper a pleasant social evening was enjoyed with games and merriment.

Christmas practice is demanding a good deal of our attention these nights but the concert gives promise of being worth attending. A little Jack Horner drill by the little folks, a minstrel show by the young men and a cantata "The Echo of a Song" are included in its numbers.

On Saturday evening Miss Ethel Mortson entertained the executives of the Junior Farmer's and Junior Women's Institute at her home, the occasion being the laying of plans for the annual banquet. Invitations for this banquet, which is to be held Wednesday, Jan. 9th, will be extended to all who are members of these two organizations for the current year. Please do not guess at your name being on the roll and then be disappointed. Kindly see that your membership fee is in the hands of the treasurers Mable Caseley or Douglas Gee by Friday, Dec. 21st, and no one will feel left out. Plans were made and committees appointed to complete arrangements for the banquet. At the close of the evening Miss Mortson served a refreshing lunch and the young folks departed to deal with their cranky cars.

Mr. Fred Coakwell was a special visitor and speaker at our Sunday School service and his timely subject was "Temperance." It was decided to furnish the children of the L.T.B. and Orange Home with fowl for their Christmas dinner as usual.

The usual Sunday evening meeting of the Y.P.S. was held. Readings by Lorne Mortson and Ruby Avison, duets by Alec and Ike Williamson and Dorothy Oliver and Laura Gee followed by the topic by Mr. Frank Brumwell completed the program. All members of the executive are invited to attend a meeting at the home of the President on Friday evening to make plans for next year.
