

# Beware of Leaky Pipes

The number of deaths and near deaths due to gas from furnaces and stoves in recent weeks is very alarming and should be a warning to every householder to take every precaution against these deadly fumes. Human life should not be endangered by leaky and defective pipes and a check up right now in every home in this district might be the means of avoiding a terrible tragedy. A few dollars expended now on a check up of your heating system will be money well spent. **DON'T TAKE CHANCES ANY LONGER.** Have your heating system and pipes checked over to-day. We are pleased to co-operate with the householders of this district in taking steps to avoid any of the possible disasters due to this menace and if you want your system checked over just telephone our office and we will put you in touch with workmen qualified to do the work for you.

The Answer to the Burning Question

#### CARD OF THANKS

Mr. Robert Smith and daughter, Newtonbrook, wish to thank relatives and friends for their expressions of sympathy and beautiful floral tributes extended to them in their recent sad bereavement in the loss of a loving wife and mother.

**GALT COAL**—The Coal that made Alberta famous. Car just arrived. Jones Coal Co., telephone Richmond Hill 188.

#### FEDERAL MEMBER IN OTTAWA

Col. W. P. Mulock, M.P. North York, is in Ottawa this week attending the sessions of the National Liberal Federation.

#### SHOOTING MATCH

Shooting match for geese at Joseph Bond's, Lot 15, Con. 5, Markham just north of Unionville, on Saturday Dec. 15th. 22 rifles and shot guns. Shells supplied for shot guns.

#### SHOOTING MATCH

A shooting match for geese will be held on the farm of Mr. A. Canning, Lot 30, Con. 3, Markham, a mile and a quarter north of Elgin sideroad, on Saturday, Dec. 15th, at 1.30 p.m. Shells supplied for shotguns.

#### CHRISTMAS TREE

The Primary and Cradle Roll Departments of the United Church are holding their Christmas Tree on Thursday afternoon, Dec. 20th, at 4.15, in the Sunday School Room of the Church. Further notice next week.

#### CUSTOM GRINDING

George Moore announces in this issue that he will do custom grinding at your own barn. See advertisement in this issue.

#### AGINCOURT

**KNOX CHURCH ANNIVERSARY**  
The eighty-sixth anniversary of Knox Presbyterian Church will be held on Sunday, Dec. 16th, 1934, at 11 a.m. and 7 p.m. The special preacher for both services will be Dr. T. Wardlaw Taylor of Goderich, joint clerk of the General Assembly of the Presbyterian Church in Canada. Special music will be rendered at both services. In the morning the choir assisted by Mrs. W. J. Russell, soprano, of Unionville. In the evening Peaches Quartette will sing. Everybody will be welcome.

Still, a smart grown-up would throw back his head and howl for what he desired if it worked.

#### GIFT SUBSCRIPTIONS

What more acceptable gift than a subscription to a paper or magazine. Order yours at The Liberal Office.

#### KING FAVORS MOVE TO GUARANTEE PEACE

Canadian Liberals should advocate Empire-wide investigation of the operations of armament manufacturers, Right Hon. W. L. Mackenzie King Leader of the Opposition, declared to-day in a notable speech to the National Liberal Federation, now in annual session.

Canada, asserted Mr. King, should take the lead in declaring definitely not only that it will give no succor to any nation which wantonly disturbs the world's peace, but that it will provide neither arms nor food-stuffs nor credits to such a nation.

A declaration of policy of this kind by the Government of Canada, he believed, would not only be right in itself, but would win for Canada friends among all the peace-loving nations of the world, and would serve to open the door to broad general negotiations which would harmonize and protect their mutual interests.

#### RICHVALE

The Church is holding regular public service every Sunday afternoon at 3.30 p.m., these will continue during the winter months, everybody welcome. We had a very nice attendance last Sunday, Mr. McQuery preached in place of Mr. Hoddenett, who was unable to be with us.

A fairly good attendance at Sunday School. The Christmas Tree and Entertainment will be held on Friday evening, Dec. 21st, at 8 p.m. There will be fancy drills, a pageant, dialogues and recitations by the Sunday School scholars. Come out and show your appreciation of the work.

Mr. Jones of Oak Avenue is recovering from his long illness. Mr. Everingham of Edgar Avenue, who has suddenly been taken ill by a stroke on Saturday morning, is feeling much better. The annual Christmas Concert of Richvale Public School will be held Thursday evening, Dec. 20th, at 8 o'clock. We invite all friends and relatives of the children to come and see the program. There will be no admission charge.

#### BIRTH

**BAKER**—At Richvale on Friday, Dec. 7th, to Mr. and Mrs. R. Baker, Oak Avenue, a son (Reginald Percival).

#### TESTING "WORTHY" CAUSES

Renfrew Mercury—In many parts of the United States and Canada, requests to merchants for semi-public donations have assumed the proportions for a "racket." The small-town tradesman, forced to donate \$10 "to help buy curtains for the women's clubhouse," hands out the money as cheerfully as possible. To refuse would be to send many regular customers to some competitor who had "contributed."

But business men in Edmonton, Alta., finding themselves pressed incessantly for gifts to many causes, only a few of which were worth while have formed a "donations committee" in their business men's organization. Deserving causes will be assured sponsorship, but those demanding money for trivial public wants will get no storekeeper's hard-earned dollars.

#### WORRY

Worry is the most useless thing in the world. No matter how serious your trouble worry cannot help it. Too much worry shortens life. And too much of the worrying is done uselessly.

An intelligent mental survey of your problems will avoid it.

Separate the real from the false problems and stop worrying.

"For every trouble under the sun, there's a remedy or there's none."

"If there is one try to find it, if there is none never mind it."

In thinking of your problems always keep this in mind: To-day is the to-morrow you worried about yesterday.

This is an excellent guide for present troubles in the light of past experiences.

Intelligent thoughts solve problems; worry only muddles the issue.

An old man looking back over his life said: "I've had a lot of trouble in my life but the most of it never happened."

Face the issues when they are issues or about to become so, and stop worrying.

You'll live longer, be happier and be a better citizen.

Better able to take your fair share in the moral, social and religious problems of your town if—

You stop worrying.

Five cruises in one may be made this winter on the Empress of Australia sailing from New York January 13. They are: the Mediterranean Cruise, the East African, South African, South American and West Indian. There is a full week in Egypt, numerous stops on the east coast of Africa, 12 full days ashore in the Union of South Africa, four stops in South America and return via Trinidad, Jamaica and Cuba.

Leading a baseball tour of the Orient and interviewed aboard the Empress of Japan en route to Tokyo, Connie Mack, manager of the Philadelphia Athletics, said it was his ambition to continue as manager until "I have passed my eightieth birthday." He is now in his 71st year.

#### AN UNSOLICITED TESTIMONIAL FOR THE FORD V-8

**AEMILIUS JARVIS**

TORONTO, CANADA

December 4th, 1934.

Messrs. Little Brothers,  
Richmond Hill, Ont.  
Gentlemen:—

The following are particulars of a trip which I made to Florida last Winter in my FORD 1933 V-8, and which may be of interest to you. I am very glad to be able to supply them, as the trip throughout was most enjoyable and economical and I feel that the public do not realize the capabilities of a FORD V-8.

My wife and I left our home, north of Richmond Hill, Ontario, on February 15th last, at which time the speedometer reading on my car was 5336.5 miles. We travelled to Lake Worth, Florida, stayed there for some time, and returned by a circuitous route, stopping over at several cities on the way back.

The mileage covered on the way down was 1665.5 miles and we used 84.8 American gallons of gasoline at a cost of \$18.25, which works out to 23.76 miles per Imperial gallon.

The mileage on the return trip was 2097 and we used 106 American gallons of gasoline at a cost of \$24.75, which works out to 21.7 miles per Imperial gallon: a round trip average of 22.48 miles per Imperial gallon.

The reason for the slightly lesser mileage per gallon on the return trip was that we drove at fairly high speed on the highways and did a good deal of driving in the cities in which we stopped: we stayed in Charleston, S.C., for ten days.

We left Richmond Hill with one gallon of fresh Mobiloil in the crank case and added NO OIL during the whole trip, until we reached Niagara Falls, New York, ON THE WAY BACK, where I had it changed. The remark of the Service Station attendant there was that he had seen worse oil than that which he removed from the crank case.

I am so pleased with the FORD V-8 that I do not intend to drive any heavier or more expensive car again, having turned in my Stearns-Knight when I purchased the FORD in which we made this trip.

You are at liberty to use this letter in any way that you may see fit.

Yours very faithfully,

Signed  
**AEMILIUS JARVIS**
