XMAS GREETING BY TELEGRAPH AND CABLE

A Holiday Greeting by Cable is socially correct, and costs only a trifle more than the usual card but is much more intimate and impressive. Rates to Great Britain and Ireland six cents per word minimum charge ten words, your own text, or one dollar per message, (plus tax) from any of seventeen carefully selected and beautiful texts to be chosen from. Messages delivered on decorative forms appropriate to the Yuletide season.

ADVOCATE OF SCIENTIFIC MONEY SPOKE HERE

Mr. Harry Hallatt, radio advocate of a new scientific money system for Canada, addressed a large audience in Richmond Hill Masonic Hall, Tuesday evening, and gave a very interesting talk on our financial system. The meeting was held under the auspices of the Meteor Tuxis group of the Richmond Hill United Church and Mr. P. E. Angle, leader of the organization, presided and introduced the speaker of the evening.

Mr. Hallatt is well known as the Sunday afternoon radio speaker who advocates a new money system which he claims will solve our economic difficulties and prevent recurring depressions. Mr. Hallatt advocates the abolishing of gold as an imaginary basis for the issue of currency and the introduction of scientific money which will be issued against the real wealth of the nation. The speaker was listened to with earnest attention and at the conclusion chairman Angle intimated that he would try to have a study group organized here to further investigate and study the system.

MAPLE

Special Christmas slides will be shown at the close of the service in the United Church next Sunday evening.

A good program is being prepared for the concert on Friday night to be given by the pupils of the two Sabbath Schools and the Public School.
