Town To Build Municipal Hall

Weather permitting, a certain amount of work will be carried on during the last couple of weeks of March on Richmond Hill streets. This was the decision of the members of council at the regular meeting People are still talking of this de- Monday evening. Reeve J. A. Greene pointed out that a small balance still remained of the amount alotted by United Church. Next Thursday and the provincial government to be spent here for relief work. According to the agreement all work under the plan must be done before March 31st, and the members of council are hopeful that about the middle of the month men can be put to work cleaning up and levelling Roseview Ave. where the storm sewer was laid this

It was decided to start at once to make an outside entrance to the basement of the Municipal Buildings and that a section be fitted out suitable to house the tools of the municipality It was also decided to make an inventory of all town tools and equip-Mrs. Schurman of Richmond Hill, ment and that all such tools be

Mrs. R. D. Little and Mrs. Mc-Gibbon waited on the council seeking the municipality's co-operation in providing milk to under-nourished children at the Public School. It was pointed out that at present a half pint of milk is supplied daily to about forty-five children. SCHOOL BOARD MEETING

Four o'c'ock will continue to be the closing hour for all classes at the Public School. This was determined at the regular meeting of the Board of Education Tuesday evening when after a lengthy discussion of the subject trustee L. A. Hill withdrew a reso lution which called for the closing of the junior rooms at 3.30 p.m. daily. Trustee Hill agreed to withdraw his resolution for the present in view of possible changes in primary school regulations which are anticipated from the new administration in Queen's Park. Recent addresses by Hon. Dr. L. J. Simpson, Minister of Education and Duncan McArthur the March 16th Deputy-Minister have more that hinted that some changes are likel to take place in Educational policy and regulations and that many of the contemplated changes will be relate to public school administration Pending definite announcement the early closing for junior rooms wa laid over. Chairman C. H. Sander son presided at the meeting.

> NORTH YORK TOWNSHIP POULTRY ASSOCIATION

A most interesting and educationa event took place in Thornhill last week in the form of a poultry short course, held under the auspices of this Association and the Department of Agriculture. Poultry men and women came long distances to hear the most up-to-date methods of suc cessful poultry management, given by Dr. F. N. Marcellus and Mr. J. Francis of the Ontario Agriculture p.m.—Church School. Missionary College, and Mr. T. A. Benson of the Dominion Poultry Branch.
