The splendid co-operation of the veterans of Vaughan Township and Richmond Hill resulted in a cred table war-time pageant. Mr. James Butler as author of this pageant deserves our thanks and for his untiring efforts throughout the day and in securing the York Townships Girls Band and in directing the Bugle Band, Mr. Butler merits probably as much credit as any mem-

In conclusion, I wish to make it quite clear that your citizens committee spent long hours in planning and preparing the Jubilee Day Celebrations and it was only possible by the concentrated support of organizations of the village and district, who spent their own money and used their own time to develop the various units of the day's festivities.

You may be inclined to ridicule certain acts, as being not properly costumed or completed and to such, I would say that one has to cut one suit according to the cloth and when one considers the fact; that a committee of over twenty-five people was organized and requested to celebrate fittingly the Jubilee of the King's Coronation and then the committee was told by council, they might spend twenty-five dollars in so doing, you will readily agree no extravagance of any kind was possible and only the bare essentials received consideration. Thus the Village with a population

of about 1200 people was asked to celebrate such an event at a cost of 2c. for every child and adult. I am sure your committee sincerely

hope, that the expestations of pat Any church team wishing to enter riotic citizens were met in our local activities and that the general public will appreciate the efforts of the above mentioned ladies and gentlemen and also many others, not named,

who assisted in this worthy celebra-
