A delightful time is reported by all who attended the annual outing of the local branch of the Women's Institute, when on Friday last forty members and friends journeyed to Toronto. A visit to the cooking class at the General Electric, where demonstrations were given on cake making, broiling steak ,etc., proved very interesting and the lesson on home decoration given on inspecting the attractively furnished rooms of Thornton-Smith emporium was educational. A picnic supper was enjoyed at Riverdale Park before returning home. An expression of appreciation is tendered those who kindly pro-
