To the Editor of The Liberal,

At a well attended meeting of the above Branch last night, a motion was carried unanimously that we strongly endorse and assist the Richmond Hill Bugle Band in their endeavour to raise funds for the purpose of buying uniforms which are so necessary to them. The Band is absolutely composed of local working boys and men and their services always given free for any good cause.

Sincerely yours,  
T. BINNS, President,

A doctor said the other day. "What can the reason be? My patients all are keeping well, There are so few to see. There's Mrs. Headache, Mrs. Paine And Mrs. Nervous Chill, They always needed tonics, A powder or a pill. There's Mrs. Weary, Billy Glum And Charlotte Always Blue, I think I'd better see them, For this will never do." "Why don't you know," his wife spoke up, "They haven't any ills, They've joined a Garden Club, my dear, So now they don't need pills."

**EASY WORK**  
Most anyone can be an editor. All an editor has to do is to sit at his desk six days in the week, four weeks in the month, and twelve months in the year, and "edit" such stuff as this: "Mrs. Jones of Lost Creek let a can-opener slip last week and cut herself in the pantry."  
"Josh Smith wants to sell a good cow that gives two gallons of milk at every milking and a lot of household and kitchen furniture."

THORNHILL

**W. M. S. Meeting**  
A well attended meeting of the Women's Missionary Society of the United Church was held on Tuesday afternoon in the Sunday School room with the President, Mrs. Wesley, in the chair. This meeting was held in commemoration of Church Union, it being the tenth anniversary. A short survey of the work during the past ten years was taken up by Mrs. C. Spencer, Mrs. R. Simpson, Mrs. C. P. Johns, Mrs. N. J. Smellie, Mrs. S. Elson, Mrs. J. Davidson, Mrs. J. L. McDonald. Since Union there has been received into the church by profession of faith 250,668 members. The communicant membership of the church at December 31st, 1934, showed an increase of nearly one hundred thousand. Dr. Reta Kilborn, retired missionary from China, gave an interesting account of her, and her husband's work, both medical and evangelistic. Dr. Kilborn has two daughters and one son in China and the sacrifice, they have made, and are still making, should be an inspiration to the Women's Missionary Societies. The Mission Band joined the meeting after school and gave a little play which was enjoyed. At the close of the meeting a social time was spent together.

The Young Ladies' Class of the United Church Sunday School enjoyed an outing last Saturday afternoon, when they met at the Sunday School at 8 o'clock and started on a "treasure hunt" marked out by Miss Marguerite Boyle and Mrs. E. Luesby. The girls followed the hunt over hill and dale, through beautiful grounds (by permission of the owners) finally arriving at Mr. R. Scott's bush, where Mrs. Salmon was the lucky one, finding the treasure, neatly concealed in a thicket. The hunt was keen and thoroughly enjoyed, and the beauty of the scenery at this time of year added to the pleasure. Tea (picnic style) was served in Mr. Scott's bush, where a fire was made, bacon fried and with hot pork and beans, strawberries and cream and many other good things, which everyone was ready for after the long hike, was much enjoyed. They returned home, by motor, somewhat tired and sore, but nevertheless full of enthusiasm of the good time they had spent.

**W. A. Meeting**  
The regular monthly meeting of the Women's Association of the United Church will be held on Wednesday afternoon, June 12th, at 3 o'clock, at the home of Mrs. O. C. James. This will be the last meeting of the season and the members are urged to be present. The ladies of the congregation are cordially invited to attend.  
Mr. Charles McGuire has rented Mr. Findlay's (Sr.) home on the Langstaff side road and will move in July 1st.  
Miss Ethel Till of Toronto visited on Tuesday with the Misses Clubine. Dr. Nelson Simpson of Manitoulin Island is spending a few days at his home here.  
Elizabeth Boyle, widow of the late Robert Chapman, passed away at her home, Langstaff, on Monday, June 3rd, in her 78th year. The funeral was held on Wednesday at 3.30. Rev. E. E. Pugsley had charge of the service. Interment took place at Thornhill Cemetery.

Cohen and his wife had been dining out. When he was handed the bill, Cohen scrutinized it closely, and said to the manager: "I say, you've charged us for dessert. We never touched it."  
"But," explained the manager, "regardless of whether you ate it or not, it was there for you."  
"There you are," remarked Cohen, as he handed over the money in payment of the bill.  
The manager counted the money and discovered that it was five shillings short. Upon being informed of the deficit, Cohen replied: "That was for kissing my wife."  
"Absurd!" said the manager. "I didn't kiss your wife!"  
"Dot's your own fault," concluded Cohen, as he walked out. "She was there, wasn't she?"

**Watson Clan Hold Family Picnic**  
At Elm Park  
The Watson clan held their family reunion picnic in Elm Park on Monday last. There are a number of Watson Clans but this family of Watsons is generally known as "The Scotch Watsons" and originally settled in Scarborough Township. The usual pleasures of such gatherings were indulged in and officers elected for the ensuing year were: President, William Watson, Woodbridge; Secretary, Miss Jessie Webster, Agincourt; Treasurer, Jack Watson, Woodbridge. Over 1000 Attend Holstein Breeders Picnic

Elm Park, one of the most attractive spots in the Humber Valley, was the setting for one of the most largely attended picnics ever held in Woodbridge staged by the York County Holstein Breeders Association when over 1000 representatives attended from the Counties of York, Peel, Halton, Simcoe, Ontario, Victoria and Durham. It was an old-fashioned basket picnic and the many tables in the park dining hall groaned under the burden of good things to eat. Problems affecting the milk and meat situation in Ontario were discussed by Hon. Duncan Marshall, Ontario Minister of Agriculture; Jack Houck of Chippawa, member of the Milk Control Board and guest speaker; Dr. Christie, President of O.A.C. at Guelph; W. J. Gardhouse, M.P.P.; Hon. George S. Henry; J. Bryson, field secretary of Western Ontario; R. M. Holtry, field secretary of Eastern Ontario, who conducted a party of breeders to the stock farms of R. S. McLaughlin, Oshawa; Hon. G. S. Henry, Scarborough; George Jackson, Downsview; and R. S. McKinnon, Maple. Other prominent breeders present were, Robert Cooper, Vice-President of Peel Association; J. H. Sheppard, President of Halton Association; Selby Evans, President of York County Jersey Breeders, and Stanley Watson, President of York County Holstein Breeders Association who presided. In the stock judging competition, conducted by representative R. E. White, honors were divided equally with Elwin Simpson, Woodbridge; T. O. Dolson, Norval; and J. Dalington, Todmorden. Roy Snider of Weston won the watermelon weight guessing contest, for driving nails Eldridge Kellam was the winner for men and in the women's nail driving contest Mrs. Lundy and Mrs. McMurchy won prizes. The program also included hoeseshoe pitching, baseball and racing. Officers of York County Association are, Hon. Mrs. Sarah Ann Wallace Elliott who died on Wednesday, May 29th, was in her 80th year. The funeral, largely attended, took place on Friday with interment in Hillcrest Cemetery and Rev. J. E. Anderson officiating. Mrs. Wallace Elliott was a daughter of the late Mr. and Mrs. William Farr and was a native of the district where she spent her entire life. Her grandfather, the late J. Farr, was a pioneer settler in Weston and gave the Village its name. She was a lifelong member of the United Church. Surviving are a son and daughter, they are, Charles H. Wallace of Toronto, and Miss Irene Wallace who lived with her mother. A brother and sister also survive, A. W. Farr of Woodbridge and Mrs. Louise Cameron Taylor of Weston. The pallbearers were, N. G. Wallace, R. T. Wallace, Levi Elliott, George White, J. W. Ellerby and E. W. Brown.  
"Step On It Stan" the three act comedy produced by the Y.P.S. of the United Church and directed by Wilfrid Scott, Mrs. W. E. Berry and Mrs. W. E. Hutchison, played to a capacity audience at Laskay on Tuesday night, May 28th.

**A NOTABLE ACHIEVEMENT**  
Never before in the history of Ontario has the public response to a government appeal been so overwhelmingly favorable as has been the case in the "Adopt a Baby Week" campaign which has just come to a conclusion.  
The result of the campaign can be given in a very few words. All the oratory in the world could not tell the story better than the statement that 600 adoptive children have been taken into private homes; 400 others, not adoptive, have been given homes which may become permanent, and four children's shelters will be closed down for lack of babies.  
This is the astounding record that has been achieved by the Department of Welfare under the direction of Hon. David Croll. When the campaign was launched, Mr. Croll hoped to be able to place several hundred babies in homes, but the success which has attended his efforts surpasses his fondest expectations. No sooner had the campaign been launched than thousands of letters came pouring into the department and into the offices of Children's Aid institutions throughout the province. The writers wanted babies. Many a tragedy lay behind the request for a child, a tragedy which could only be obliterated by the presence of a child in a childless home.  
Perhaps the Dionne quintuplets are responsible in some measure for the splendid achievement in salvaging young lives that were handicapped by an adverse fate from the outset. True it is that Hon. David Croll used the five most famous babies in the world as the basis for his appeal. Another factor is that the tremendous publicity given to the Dionne "quints," stirred the hearts of thousands of childless men and women and awakened in them the desire to share the happiness that only a child can bring.  
One of the brightest features of the story is that for a long time to come the department will be able to place children in homes as fast as the children are brought into the shelters. Hundreds of letters are on file and their wants have not yet been filled. They will be attended to as quickly as possible.  
Government achievements are too often attributed to political consider-

ations. It comes as a breath of clean, fresh air to realize that in Queen's Park is a government which has as its primary consideration the welfare of human lives. If Hon. David Croll does nothing else in his public career, he will have done enough to convince the people that humanitarianism in government is a real, sincere force and he will have done much to shake the attitude of cynics towards the political field.
