BILL MULOCK WINS SUPPORT IN ALL PARTS OF NORTH YORK

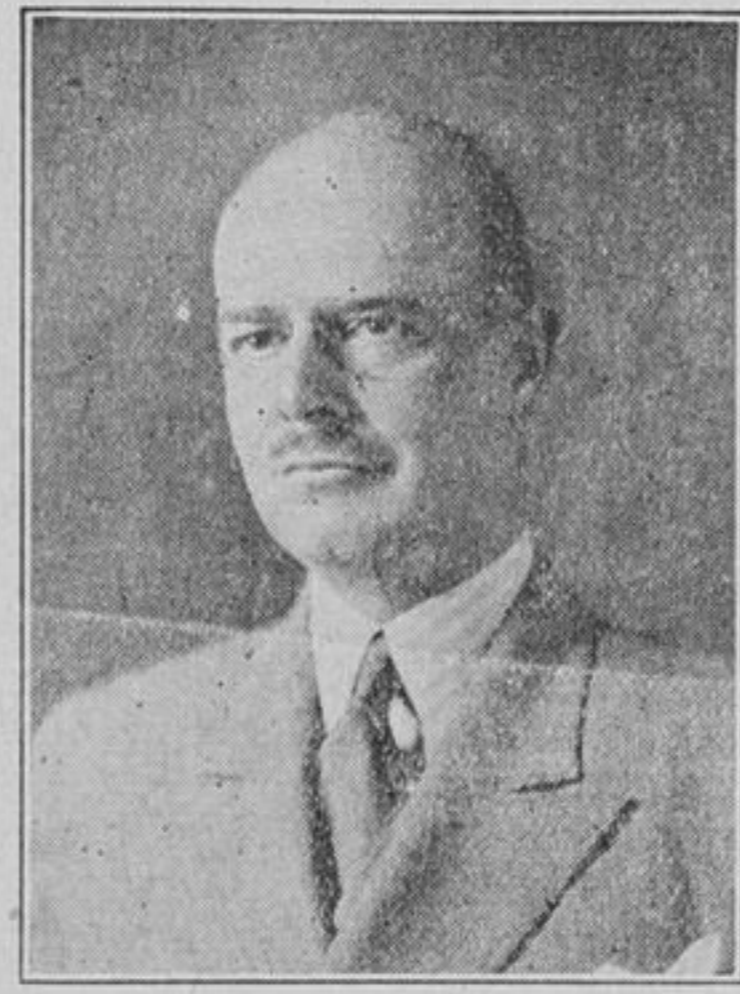

Candidate's Popularity Knows No Party Bounds—Will Have Another Big Majority on October 14th—Electors Will Not Take Chance on Another Five Years Like Last Five—Premier of Nova Scotia Spoke At Aurora

Bill Mulock, the Liberal candidate in North York, in visiting all parts of the riding this week has received an enthusiastic reception from the electors and the swing to Mulock is more noticeable every day. It was just a year ago on Monday last that Mr. Mulock was elected in the by-election here with a majority of nearly four thousand votes and with the largest vote ever accorded a candidate of any party in this constituency. Present indications are, his vote on Monday, Oct. 14th, will be larger than a year ago, and his majority much increased.

The wonderful reception and assurance of support which Bill Mulock is receiving is due not only to the demand of the people for a change from the ruinous Bennett policies but is also due to his own personal popularity. Bill Mulock's popularity is not confined to the limits of any party, and hundreds and hundreds of electors who formerly were associated with other parties this time are solidly supporting his candidature. The Liberal candidate possesses to a marked degree those qualities of heart and mind which are so necessary for real accomplishment in public life. Above all else he is honest and sincere. He has proven himself an able representative of the people and already has commanded the attention and respect of the Nation and proven a worthy representative for this historic riding. If again elected on Oct. 14th, as he will be, he will add further honor to a name already revered in the hearts of the people of Canada and reflect credit on the people of this riding who send him to Ottawa.

Mulock committee rooms have been opened in North York Township, in Aurora and Newmarket, and the candidate assisted by willing workers is conducting an aggressive and energetic campaign. A number of public meetings have been held in the riding since the great nomination meeting held in Richmond Hill a few weeks ago and before voting the candidate will have visited every community. The big meeting of this week was the one at Aurora on Tuesday night when Nova Scotia's premier along with Mr. Mulock addressed a capacity audience. This afternoon a Women's Rally will be held in Newmarket when the speakers will be the candidate and Mr. J. B. Culnan K.C. of Toronto. A feature of the Newmarket meeting will be the singing for the first time of a campaign song the words and music of which have been composed by Mrs. Edith K. Smith of Newmarket. The song will be sung by Mrs. Smith herself at the meeting. Another Women's Rally has been arranged for Aurora on the afternoon of Oct. 7th, when the candidate and Mrs. Daniel Strachan of Toronto will be the speakers. Tonight Mr. Mulock speaks at Pine Ridge and Grandview in North York Township. Next Monday night meetings will be held at Vandorf and Holland Landing and Tuesday night at Mount Albert and Queensville. Hon. Harry C. Nixon will speak along with the candidate and Morgan Baker M.L.A. Wednesday, Oct. 2nd, Mr. Mulock will speak along with Goldie Fleming candidate in East York and W. H. Moore of South Ontario at Stouffville and a meeting also will be held in North York Township.

Everywhere throughout the great extent of North York, whether in the southern section near the city or in the northern area around Sutton, the

reports are the same on the coming vote in North York. "Sure, Bill Mulock is going to get my vote," is the almost unanimous answer to any query about the election.

At Aurora
Bill Mulock, the Liberal candidate in North York, received an enthusiastic welcome and reception at a crowded meeting in Aurora Tuesday night when along with Hon. Angus L. MacDonald, Premier of Nova Scotia and Morgan Baker M.L.A. he addressed the electors.

Criticizing the record of the Bennett administration Mr. Mulock declared that Hon. H. H. Stevens as Minister of Trade and Commerce in Bennett's cabinet for over four years was one of the present Prime Minister's chief advisers and must take his share of the responsibility for those economic policies which have caused poverty and despair throughout our land. Only a year ago Mr. Stevens spoke in North York defending the very policies of his then leader Mr. Bennett which he now condemns. The sky-high tariffs of Bennett and Stevens, he said, had ruined our markets, created monopolies which led to exploitation, cut our trade in half, added eight hundred and twelve millions of dollars to our public debt which means an additional debt of \$80.00 for every man, woman and child in Canada. Five years of Bennett-Stevens administration in Canada have seen the standard of living of our people steadily driven downwards, we have had poverty and distress, fear, insecurity and actual want. These conditions cannot go on, he declared amid the cheers of his audience. In the face of all this under Mr. Bennett and Mr. Stevens administration one tax was piled on another. We saw a vicious tax placed on sugar one of the necessities in every household. I protested against this tax in the last by-election, I protested against it in the House of Commons, I protest against it now, and I will fight against it in the next Parliament if you elect me because I believe it to be a most unfair and unjust tax because it bears most heavily on the man with the large family. I can tell you now, said Mr. Mulock, that if a Liberal government is elected the tax on sugar will be abolished. Ruined markets, loss of business, increased unemployment have all been the result of Bennett's economic policies and if the people want another five years like the last five they are certainly bears for punishment, said the candidate. According to Mr. Bennett's own figures there were 117,000 unemployed when he took office in 1930, said Mr. Mulock. To-day, after five years of Bennett-Stevens policies, there are 500,000 unemployed, 250,000 heads of families and 250,000 young men and women who have been deprived of a decent chance to make good in life.

Premier Macdonald
The youthful premier of Nova Scotia made a splendid impression in North York. He discussed the issues of the campaign in a clear cut and

Annual High School Field Day Held in Ideal Weather

J. LEY AND I. AINSLEE REPEAT 1934 VICTORIES—
COMPETITION WAS KEEN

Richmond Hill High School Field Day was held yesterday on the school campus under the best weather conditions in its history.

Keen competition featured every event, and the citizens who turned out to see the local athletes go through their paces, were rewarded by a splendid display of track and field athletics. Those who could not attend will get another chance to see them in action next Wednesday at Aurora, where the winners of first and second places in each event will compete in the North York Inter-school Field Day.

For the second successive year, Jim Ley and Isobel Ainslie collected the most points in their divisions, senior boys and junior girls respectively, but since one individual can hold a championship only once, the honors revert to their closest rivals.

The results of yesterday's events are as follows:
