### General News & Views Way Back in Liberal Files

How many of your New Year's resolutions remain intact?

Well it was better to have made them—even if they're broken—than never to have made them at all.

Municipal elections are over for another year and now let's all settle down to make 1936 a bigger and better year for all.

**SIDEWALKS FOR YONGE ST.** should be the aim of every public spirited citizen and we hope before the close of 1936 that adequate provision will have been made for those who walk on Yonge Street.

"Ladgh that off," said the fat man's sarcastic wife, as she sewed on his waistcoat button with strands of wire.

A Scottish minister was on his usual visiting rounds when he came across one of his old friends. "And how has the world been treating you, Jock?" asked the minister. "Very seldom!" replied Jock sadly.

All members of the Aurora council were returned by acclamation for the year 1936.

At the annual meeting of the Stouffville United Farmers organization it was reported that the annual Year's business represented a turnover of \$20,000.00. The company handles chiefly coal, salt, twine, oil cake and fertilizer.

Aurora's junior hockey entry is grouped with Scarboro, Stouffville, East York and the Dukes of Toronto.

Reeve H. W. Sanders and all members of Stouffville municipal council were elected by acclamation for another year.

Henry Walker has retired after serving for fifty years as caretaker of Peaches United Church in Markham Township.

Edward Murphy shot a wolf on his farm, 6th Concession of Whitechurch on New Year's Day. Tracks of other wolves were seen by Mr. Murphy.

Less than a dozen ratepayers attended the annual nomination meeting in Stouffville. While this is probably a sign everyone was satisfied with the old council it is not a healthy sign when ratepayers manifest so little interest in municipal affairs.

He who begins his day by being friendly closes it thinking, "What a friendly world this is!"

It is foolish to keep thinking that your supposed enemy can harm you. Your hours are valuable. Why give him so much of your thought time?

Anyone can go through a day courageous and unafraid who holds this thought in mind: The forces that are for me are greater than any that can be against me.

Some are content to be on the level when they could be on the "up and up."

Only those who have struggled and become strong know of a surety that a certain amount of hardship is blessing.

Politics and some politicians may be rotten but they could be worse and future generations will look on us and less.

When a person is in the midst of a fight the outcome sometimes appears doubtful. When he afterward looks back it doesn't seem so hard and he's glad he didn't quit.

A man may pull political wires to get him some unearned graft but what will he pull in that hour sure to come when the greatest desire is for a clear conscience.

It is easy to blame the wrong that round us lies on other generations. But if we do nothing to right wrongs two to the left, whereas both Kings as negligent and culpable.

### KING CITY

January is here with another clean sheet to hold the records of the year. How can we make a success of 1936, avoiding the blunders and the mistakes of the past. Begin the year with God. Someone has said that the world is doing without God. Is this true? Has any age or dispensation that went about life as though there were no God, made a success of life. History carries the story of many downfalls, but never where God has had the first place in the life of the people. Seek ye FIRST the Kingdom of God and all other things will find their rightful place.

The United Church in King comes to the end of the year with most encouraging reports from the many organizations of this church. The Young People's Society though not so strong in membership has retained a very high standard in all their meetings. The work has been ably directed by the President, Dorothy Dew, who has been unanimously re-elected to this office. The Executive carefully prepared their programs well in advance and the character of the meetings has been very helpful to our young people. Although we have no glowing statistics to include in this report all are agreed that this Society has made a real contribution to the life of the community. The Local Young People's Paper is entitled "The King's Herald." If you have not seen a copy, ask the President or Secretary and you will be introduced to one of the finest pieces of editorial work put over by a group of young people. We congratulate them on their achievement and wish for this society a very successful year in 1936.

The Congregational Supper and Annual Meeting will be held on Tuesday, Jan. 14th.

### LASKAY

The United Church Y.P.S. held their annual meeting in the church. The reports for 1935 included a wide variety of activities during the winter months of the indoor nature. In the summer the program widened out to include picnics, sunrise and sunset services.

The young people took responsibility for one of the services during the Pastor's vacation.

The officers for 1936: President, Lawrence Scott; Vice-President, Vera Hunter; Secretary, Edythe Glass; Treasurer, Lorne Scott; Convenors of Committees, Ruth Alexander, Margaret Ezard, Geoffrey Whittle, Jean Paton, Marjery McMurchy, Marvin Hunter; Pianist, Helen Hunter; Editors of the Laskay Beacon, Ruth Baldwin and Robert Watson.

The annual meeting of Laskay United Church will be held on Friday afternoon, Jan. 17th.
