

CARRVILLE

Mr. and Mrs. Dave Middleton gave their home for a very delightful crokinole party for Mr. Bert Middleton, Mrs. J. Clement and Mrs. Woolcott's Sunday School classes. Progressive crokinole and other games were played, then lunch was served. All report a lovely time.

School was closed Wednesday, Thursday and Friday of last week. Miss Walker was sick with a cold.

Congratulations to Mr. and Mrs. Ray Hopper (nee Miss Hazel Woods) on the birth of a son.

Mr. Wesley Muirhead of Singhampton spent a few days last week with Mr. and Mrs. Fred Muirhead.

Miss M. Reaman and Mr. Billie Baker spent Tuesday in Toronto.

Mr. Stewart Wark and Miss O. Bovair took tea with Mrs. J. Clement on Sunday evening.

Everyone is cordially invited to attend the crokinole party given by the Willing Workers of Group No. 2 of the W.A. of Carrville Church at the home of Mrs. Delbrocco on Jan. 29th. Progressive crokinole will be played after which lunch will be served. A

very small admission fee will be charged.

Miss Jessie Mitchell spent a couple of days last week at Maple the guest of Mr. and Mrs. Robeson.

Mr. and Mrs. Neaves of Toronto have moved into the house recently vacated by Mr. Campbell Line.

Mrs. E. A. Baker and son Walter is visiting with Mr. and Mrs. J. H. Prentice in Toronto.

We are glad to report that Miss Myrtle Middleton who is in the Toronto General Hospital is improving nicely after the recent operation on the legiments of her leg.

LASKAY

The Annual Congregational meeting of the Laskay United Church was held on Friday, Jan. 17th. A record attendance marked the event and the splendid reports of the preceding year were put through in record time. There were no additions to the membership which stands at 96. The total receipts for the year were \$1500 of which \$365 was given to Missions. The W.M.S. added two Life Memberships this year, this gives them four

in their local society. The Young People's Dramatic Group have been resting since their extended tour with "Wild Ginger" but they will soon be featuring their new play. This group presented the church with a piano this year which was greatly appreciated by the congregation. Keen interest is aroused by the Young Mens and Young Ladies Classes in the Sunday School. Short essays are written each week on the lesson of the preceding Sunday. These are condensed and the merits of the boys will be compared with the wisdom of the girls. Regular attendance and new members are given consideration, and these are checked at the monthly social held by the combined classes. No, this Sunday School is NOT dead.

A unanimous vote of appreciation was extended to the Pastor for his leadership and inspiration.

Mrs. Smathers took a great interest in the doings of her neighbors. It was a great day for her when a new arrival came to the house next door, and she watched with interest as furniture was carried into the house.

Husband—What did you find out about the social standing of the folks across the street?

Mrs. Smathers—They're not much. They have no automobile or radio or even a grand piano. I can't imagine what they have got.

Husband—Perhaps they have a bank account.

Most girls are the moody type unless the right fellow is along.

The actor was boring his listener badly:

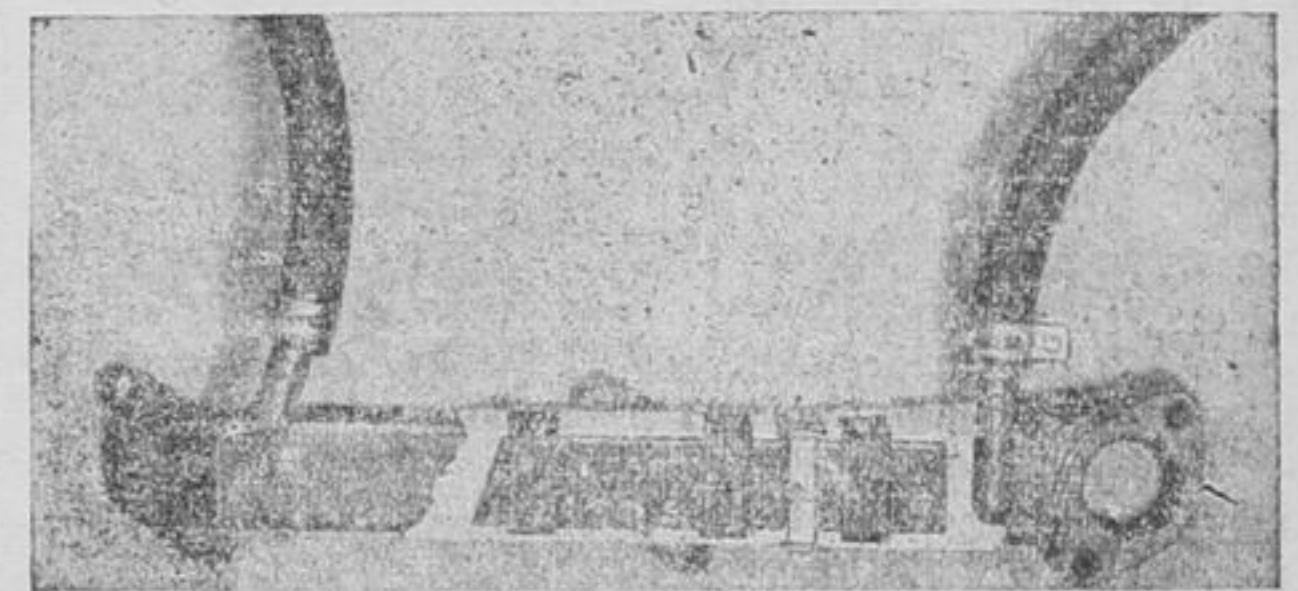

Actor—Ah, my boy, when I played Hamlet the audience took twenty minutes to leave the theatre.

Listener—Really! Was he lame or something?

Harold—Did you hear the big news? Gerald—Spill it!

Harold—My dog visited a flea circus and stole the show.

Richmond Hill

Premier someday? You cannot decide...

but
you can make sure he is given a chance for normal citizenship!

YOUR donation to the Hospital for Sick Children makes sure that no needed expense is spared when a little patient's future depends on treatment and attention costing more than is contemplated by the fixed grants made to this institution by Provincial and Municipal governments.

The support of a humane and charitable public is required if the skilful treatment and extraordinary attention demanded by many cases which come to our doors is to be provided.

Remember, the Hospital does not share in the funds collected by the Toronto Federation for Community Service because we accept patients from all over the Province.

Every child of 14 years of age and under,

in genuine need of Hospital care and treatment, and unable to pay for such service can automatically become a patient of this institution—by right.

Thousands of children from every point of the Province come here because of the splendid record of our professional staff in the successful treatment of "problem" cases. The demand for service is increasing and must be met.

But general business conditions during the last three years have resulted in a reduction of nearly 50% in the contributions received in response to our annual appeal to the public.

Your donation is more important this year than ever before. \$70,000.00 is needed.

A cheque will do a wonderful work—but \$1.00, \$2.00 or \$5.00 will help a lot.

Leading child specialists cooperate to give a service that is unparalleled anywhere. Here, four doctors have gathered to consult on a difficult problem child. Their services cost the mother not a penny.

The magic of modern day surgery corrects injuries, growths, accidents and other disasters and makes possible the pursuit of life, health and happiness.
