

## Newtonbrook United Church Held Annual Meeting

The annual congregational meeting of Newtonbrook United Church was held last Wednesday evening in the Sunday School room. A hot dinner was served at 6.30 by the members of the Women's Association. There was a large representation present, three long tables were filled and all enjoyed the friendly spirit of the social hour around the festive board. Mr. and Mrs. Gifford Summers were guests of honor on this occasion. The congregation took this opportunity of conveying to them their very best wishes and presenting to them a beautiful electric table lamp and a silver tray. Mr. and Mrs. G. Summers responded and expressed their appreciation for the lovely gifts. Gifford is an active worker on the official Board and is a teacher of a boys class in Sunday School.

After the supper hour the pastor called the meeting to order and prayer was offered. Miss Janet Riddell, Sunday School Secretary, gave a very complete report of the Sunday School. There was a friendly competition held in the early part of the year, the losing side giving a supper. Seventeen members attended the Y.P.S. During the summer months several activities were reported in the form of picnics, paper chase and hikes. The Y.P.S. contributed \$25.00 to Missions, also \$25.00 to local funds. They had a substantial balance in treasury.

Social functions of various kinds were held during the year, a St. Valentine Tea, St. Patrick Supper, Birthday Tea, a Picnic to Hanlan's Pt., Garden Party, Anniversary Supper, Concert and Bazaar. Five quilts were made. Mrs. Glen Shaw, treasurer of W.A., reported \$395.27 raised.

Mrs. W. T. New, W.M.S. secretary, reported for the W.M.S., Girl Mission Circle, Mission Band and Baby Band. A substantial bale valued at \$65.00 had been sent to the Presbyterian Supply Secretary in May by W.M.S. and Circle. The W.M.S. had a membership of 30 with an average attendance of 13 including visitors. One of the outstanding meetings was the 10th Birthday Party held in November at the parsonage with three Presbyterian officers as guests. Mrs. E. R. Young, Mrs. J. A. Snell and Mrs. Roger Self taking part in the meeting.

The Girls Mission Circle had its most successful year since its organization. They exceeded their allocation. The Circle contributed knitted goods, babies layettes and childrens clothing to the bale. They also made

a Dutch Girl Quilt. The Mission Band took up the Study Book and took an active part in the meetings. The Baby Band had a membership of 70 including three new life members. The Baby Band Supt., Miss Lever, made 38 calls at the homes. The W.M.S. entertained the members of the Baby Band and Mission Band also the mothers at a meeting in June. Mr. A. W. Galbraith reported for the Missionary and Maintenance Fund which showed an increase over the givings of the previous year. Mr. W. T. Wells reported the debt of the Building Fund reduced to \$74.00. The pastor reported having received sixteen new members. He had attended 14 funerals, had 4 weddings. He had made 815 calls and attended 168 meetings (Sunday meetings not included), had preached 100 sermons. The session was re-elected with two elders added, Mr. Leslie Grisdale and Mr. W. T. New. The name of Mr. Gladstone Wilson was added to the committee of Stewards. Mr. Frank Summers read an address expressing the deep appreciation of the Official Board and Congregation for the faithful services of Rev. and Mrs. A. H. Hadbert, who are now completing their sixth year, and a unanimous invitation was extended to Mr. Halbert to remain as their pastor. Mr. Halbert expressed his appreciation for their very loyal support. The meeting closed with prayer by Mr. Grisdale.

### MAPLE

Everywhere one hears expressions of regret at the removal of Rev. W. F. Wrixon to another charge and all wish for him and Mrs. Wrixon health and prosperity in their new field of labour. It is felt that King City and Maple's loss will be Richmond Hill's gain. Keep in mind the three act play to be given on Friday evening in the Masonic Hall by the Esdee Dramatic Club of St. Columba's Church, Toronto. The play is entitled "Comin Thru the Rye" and the Club is well-known and very popular in Maple and at Hope and it is hoped there will be a good attendance. The sleigh ride and supper last Saturday by the Sabbath School of the United Church was very successful. An interesting program was given after the supper by the children of the school. Communion services were held in St. Andrew's Church last Sunday with a Preparatory service on Friday afternoon. Rev. C. H. Bowman will have charge of the Communion services at Bolton and Nashville Sunday next and the pulpit of St. Andrew's will be occupied by Mr. R. Manning. Mrs. Roy Fierheller and daughters of Aurora spent the week-end at the home of Mr. and Mrs. J. A. Manning. The regular monthly meeting of Maple Women's Institute will be held at the home of Mrs. Herbert Jackson on Feb. 12th at 2.30 p.m. Will members please bring thimbles as this is to be a sewing meeting.

**OPEN VOUCHER IN VAUGHAN**  
Commencing Wednesday, Feb. 5th, relief recipients of Vaughan were given an open voucher and can now purchase supplies wherever they like. Previously they had to buy in the township. Listen in to the "Blue Coal" program on CFRB to-night at 9 p.m.

**POLICE OFFICERS HAVE LONG COLD TRIP**  
Constable S. A. Barraclough accompanied by Constable W. Hill had a long cold trip last week-end but like the famous N.W.M.P. "got their man." The chase after a man wanted in connection with a Newmarket robbery led as far north as Bracebridge and some twenty-one miles beyond. Some ten miles from Bracebridge they had to abandon their car and walk the eleven miles through the snow and zero weather of the north to get their man. It was nine p.m. at night when they started their long tramp and after getting their man they immediately started their eleven mile trek back to the car. Stopping at two settlers' homes during the trip for a bite to eat the officers at one place were given dry bread and dried apples and at the other dry bread and lard. It was all they had but they gladly shared it with the officers. All of which goes to show that life in the rugged north is not all sunshine, and that the life of a police officer is not a bed of roses.

## Community Masquerade Carnival Richmond Hill Arena Wed. Night

SKATING, COSTUMES, DOG DERBY, HORSE RACE, SPEED EVENTS, SENSATIONAL HOCKEY GAME AND MOCCASIN DANCE ARE FEATURE ATTRACTIONS

### "BOSTON RUINS" & "SHAPLE MEAFS" IN CHAMPIONSHIP HOCKEY GAME

Next Wednesday evening, Feb. 12th will be a red letter night in Richmond Hill. This is the date of the Carnival which will be held at the arena, the proceeds of which will go to the children's playground fund.

Many and varied are the novel attractions which are on the program for the night and it promises to be a real evening of fun and merriment. The program will open with skating for all commencing at 7.30 p.m. and at 8.30 there will be a parade of costumes and the awarding of the prizes. Prizes are offered for the best child's representative costume, best adults' representative costume and for the best hard times outfit. A record number are expected to attend in costume and according to advance reports the judges are in for a tough time.

The Dog Derby which is billed as a special event is attracting widespread attention. Any boy with a dog and sleigh is eligible to enter and the race will be three times around the arena. There will be two prizes for this event and already many of the local aspirants are busy training their dogs and getting them in shape. Any kind of a dog is eligible, so if you have a dog that will draw a sleigh bring him along and get in the race. The barrier will go up at 9 p.m.

Horse racing on ice has been the vogue for many years but this will be positively the first time a horse race has ever been staged in the arena. And what a race it's going to be. The two contestants are the two famous equines "Man O' War" and Spark Plug. Man O' War was recently purchased by Harry Trowell who as well as being a hockey magnate has followed the famous Conny Smythe and has acquired a racing stable. Spark Plug is owned by the well known Gas House Stables and "Slim" Allan is the trainer. Mr. Allan declared that he would like to ride the horse in the race and he will still do so if he can make the weight required which for Spark Plug is 101 pounds. Failing this another jockey will be secured. Mr. Trowell has maintained a discreet silence as to the identity of the rider of Man O' War as he fears an effort might be made at bribery. The race is for 6 furlongs and will start at 9.15 p.m. So far rink chairman H. J. Mills has not been able to arrange for pari mutuels for the race but in any event the bookies will be there and no doubt you will be able to place a bet on your favorite.

Then there will be a number of speed skating events including boys race, girls race, mens race, ladies race and a couples race for which suitable prizes will be awarded.

Another feature attraction of the evening will be the sensational hockey game between the two nationally known teams, the "Boston Ruins" owned by Frank Schisler and the "Shaple Meafs" owned by "Tom" Taylor. For years there has been rivalry between these two noted hockey moguls and it has been hinted that next Wednesday night's meeting of these teams will be a hard fought affair. In fact it is possible that extra police will be on hand at the request of Reeve J. A. Greene in case the keen rivalry between the teams results in some fighting. Discussing this angle of the coming game Reeve Greene made it very clear that every effort would be made to keep the game clean and free from any rowdyism. "We simply will not tolerate for one minute any fighting," said the Reeve, who stated that offenders would be sternly dealt with.

Owner Schisler in an interview with The Liberal said that he was facing the big game with confidence. "I have the finest aggregation of non-hockey players in Canada but if we can't beat Tom Taylor's team next Wednesday night I am going to sell the whole outfit," he said. Among the well known stars of the hockey firmament who will line up with the "Ruins" are Bert Cook, Bill Neal, Morley Hall, F. Grainger, Percy Hill, Jack Daunt, "Slim" Allan, T. H. Trench, Dr. Langstaff, J. R. Herington, J. A. Greene, Duncan Chamney, Harry Trowell, Bill Mylks, Jimmy Pollard, Kenny Branchard, Jeff Nash and Hugh McMillan.

Tom Taylor's noted "Shaple Meafs" ambitious for the world's championship include such well known players as: councillors James McLean and

Alex Little, Clarence Mylks, Bill Savage, Walt Young, Jack Hart, Charlie Graham, Bob Edean, C. H. Sanderson, Al White, Ren Brown, Wes Middleton, Al Duncan, Morley Beynon, Tim Murphy, Jim Ellis, A. E. Glass, H. F. Austin and Don Frisby. Discussing the game owner Taylor just nodded his head and remarked "Schisler may do a lot of talking about his team but we're ready to show him when we step on the ice next Wednesday." According to gossip in hockey circles the Shaple Meafs are placing much confidence in their goalie for the night whose identity is a closely guarded secret. According to one of their supporters putting this man in the goal is just the same as boarding up the nets. Not a man on the whole Ruins line-up can put a shot past him, we are told. Anyway it's going to be a great game and may be the best team win.

Following the program of skating and events there will be a moccasin dance on the ice. Although it's called a moccasin dance you don't need to wear moccasins. Any kind of footwear will be allowed and only those who attempt to dance barefoot will be barred.

It's going to be a great night. Don't miss it. The date is next Wednesday, Feb. 12th, and the proceeds are for a very worthy cause which merits your support.

**FLASH**—As we go to press we have just learned that a special body of the St. John's Ambulance Corps will be on hand to render any first aid needed in the hockey game.

**STOP THE PRESS NEWS**—The referees for the game have not yet been chosen but the council will hold a special meeting Monday night to make the decision and the choice rests between L. H. Clement and A. G. Savage.

To end the struggle for filthy lucre, show people something else that will give power and social standing.

Another reason for crime is that living honestly always includes a lot of hard work.

The best bulls from good herds have been used in building up this herd and the result shows the wisdom of that policy, for each animal may be depended on to produce a good class of Shorthorns, both for feeding and milking, as both features have ever been in mind when buying either males or females.
