WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From Our Issue of Feb. 6th, 1896
 We are pleased to notice that Mr. P. G. Savage, who has been working for the Confederation Life Association for the past twelve years, has been promoted by that Company. Besides the territory comprising the greater part of East and West York, he has been appointed District Agent over the territory surrounding Mount Albert, Queensville and Ravenshoe. He has been made Financier for the whole district, and is responsible for all collections. Mr. Savage is one of the most active insurance men in this part of the province, and no person knows it better than the Confederation Life for whom he has done so much excellent work.

The Young Liberals' Club of Kettleby have re-organized for the season with the following officers: President Jos. Rogers; 1st Vice-President, W. C. Bogart; 2nd Vice-President, W. Elliott; Sec.-Treas., J. M. Walton. A mock parliament has been formed and sessions will be held every Monday evening, which will be open to the general public. Joseph Rogers is leader of the government and J. M. Walton leads the opposition. Both leaders are supported by the best debating talent procurable. This club was instituted in 1889 and has done good service. Wm. Mulock, M.P., and E. J. Davis, M.P., are honorary members.

A very pleasant time was spent on Tuesday evening at the residence of Mr. and Mrs. W. H. Glass, the occasion being their 25th wedding anniversary. Although the invitations distinctly stated "No Presents" nearly all their relatives and a few of their very intimate friends failed to act on the suggestion, the result being that many beautiful gifts were sent. The supper consisted of everything necessary to tempt the appetite, and before rising from the table Rev. Vickery, on behalf of those present, gave expressions of appreciation for the hospitality extended, and expressed a hope that Mr. and Mrs. Glass would yet celebrate their Golden Wedding. Mr. Glass responded in appropriate words. After supper a couple of hours were pleasantly spent in music and games.

THIRTY YEARS AGO

From Our Issue of Feb. 1st, 1906
 In order to ensure that proper hotel accommodation will be provided for the public, in view of the passing of the Local Option By-law, an association has been formed, to be called the Richmond Hill Boarding House Association. Capital stock \$5,000, divided into 500 shares \$10.00 each. A large amount of the stock has already been taken. Those interested in the cause are invited to take stock. Subscription list open at the office of Mr. J. A. E. Switzer, Secretary-Treasurer, pro tem.

At a meeting of the Quarterly Official Board of the Methodist Circuit on Monday a unanimous invitation was extended to Rev. A. P. Erace B. D. of Newtonbrook as superintendent of this circuit for the next conference term. A similar invitation was extended to Rev. J. M. Copeland of the London Conference, as junior pastor. The annual financial statement of the treasurer of the Richmond Hill Board of Education has been printed and circulated throughout the Union School Section. The abstract shows a good balance in both Public School and High School funds.

Elizabeth A. Smith, wife of Adam Dalziel, Nashville, Vaughan, died on the 29th of January. Interment to Laurel Hill Cemetery, Bolton, Wednesday afternoon.

Some young ladies of Maple enjoyed a game of croquet on Mr. Rumble's lawn last Saturday afternoon.

Roomer—I like this room, but the view from the windows is rather monotonous.

Landlady—Well, of course, this is just a rooming house, not a sight-seeing bus.

— A CREED —

"Man may seem sundered from each other; but the soul that each possesses and the destiny common to all, invest them with a basic brotherhood." There is a destiny that makes us brothers:
 None goes his way alone;
 All that we send into the lives of others
 Comes back into our own.

I care not what his temples or his creeds,
 One thing holds firm and fast—
 That into his fateful heap of days and deeds
 The soul of a man is cast.
 —Edwin Markham.

News and Information For the Busy Farmer

Dried apple rings constitute practically the only type of dried fruit shipped from Canada to the British market.

In the expansion of Canada's foreign trade, Canadian tobacco has established a market in Sierra Leone, British West Africa, where it enters under an Imperial preference of eight cents per pound.

Canada supplied 20 per cent of the total wheat imports into Japan; Australia 55 per cent, and the United States 23 per cent. Canada is also the chief exporter of lead to Japan, as well as being a leading source of lumber, pulp, newsprint and zinc.

Research experiments have shown that the original quality, flavour and colour of honey in storage can best be maintained at a temperature of 40 degrees Fahrenheit, or lower, and that rapid deterioration takes place at 60 degrees Fahrenheit. If the temperature is low and constant, extracted honey can be stored indefinitely without change of colour or flavour and without fermentation.

Exercising the Breeding Ewes

The matter of exercising the ewe flock should not be considered lightly. If strong lambs are to be had, pregnant ewes should have access to a run at all times. If necessary, spread hay on the snow so as to force them to move. This will help to keep them in good health. Avoid crowded quarters. Not only are they unsanitary, but they are the cause of many abortions.

Retain Early Layers

In studying the income from eggs in 121 farm flocks, it was found that the pullets which laid from 25 to 30 per cent of their total production during the pullet year in October, November and December, brought a much larger egg income than the birds in flocks that laid only 10 per cent during the three months mentioned. This was partly due to the fact that the eggs from the early laying flocks brought an average of five cents a dozen more than those from the flocks that began laying later in the season.

The cost of the feed for the early laying flocks was only 1 1/4 cents more per dozen eggs produced than for the later laying birds, thus netting 3 1/2 cents more per dozen. Aside from this, the early laying flocks produced 49 more eggs per bird per year than the later laying flocks. High egg production, with the largest possible number of eggs produced during that portion of the season when they bring the best prices are very important factors in the annual income that is received from the flock.

Raising Geese

The essentials to success in goose raising, are free range and an abundance of tender grass or clover. The geese should start to lay about the middle of March, and the eggs should be set as soon as possible. It is advisable to sprinkle the eggs with lukewarm water once daily when set under the mother goose or under hens and twice daily when set in an incubator. Goslings require warmth after hatching and should be left under the goose or in the incubator for about two days.

When the goslings are ready for feeding, place a green sod near the brooder in order that they may pull the tender shoots. For the first few days they should be fed bread crumbs moistened with milk. When they are about a week old give them a moist mash composed of equal weights of corn meal, barley meal, bran and shorts, feeding three or four times a day for about two weeks.

Give the goslings a good start, then turn them out on good pasture, and discontinue the feeding of mash. They should be protected from cold rains, confined at night until the weather gets warm, and always have plenty of shade and fresh water.

A father was giving sound advice to his son. At the end of the lecture he said:

Father—Now, son, you understand perfectly what I mean?
 Son—Yes, it boils down to this: If I do well, it is because of my illustrious forebears; if I fall it is my fault.

NEWTONBROOK

There will be a song service next Sunday at 7 p.m. in Newtonbrook United Church. Come and join with us in singing the old time hymns we love the best.

A hearty welcome to all. The Young People's Society have started a series of meetings taking for their topic "Christian Youth Building a New World."

These meetings promise to be very interesting according to the large attendance and interest which was shown last Monday evening. Miss Mary Douglas, Christian Fellowship Convener, was in charge, and had a very splendid program. Three of the Y.P.S. members gave their views on the subject "What is wrong with the World." These were Miss Gwendolyn Barber, Mr. Jack Duggan and Mr. Clifford Brett. A special speaker from Toronto, a friend of Mr. New, responded to these addresses. A vocal duet was given by Miss Mabel Brett and Clifford.

The Y.P.S. have started a membership contest with Miss Gwendolyn Barber and Mr. Clifford Brett as captains for one side and Miss Ruth Allan and Mr. Harold Duggan on the other side. An invitation is extended to all the young people in the community to become members and have a part in these weekly meetings. Miss Gladys Sutterby, Missionary Convener will be in charge next Monday evening.

The Mission Band met last Monday in the Sunday School room of the United Church at 4.15 with an attendance of twenty-five. Six new members joined. This was a work meeting, the younger members made scrap books for the sale and the older girls were given instructions in knitting. The missionary story was told as they worked. The next meeting will be held on Monday, Feb. 17th, at 4.15 p.m.

The Women's Association will hold a sewing meeting on Friday, Feb. 7th, at 10.30 a.m.

Owing to the annual meeting of the Toronto Centre Presbyterian W.M.S. to be held on Thursday, Feb. 6th, the W.A. kindly changed their date of meeting until Friday.

Please note change of date.

Missionary Sunday was observed last Sunday in the United Church Sunday School when an interesting program was given. Lantern slides on missionary work at Gods Lake, Manitoba, were shown by the Superintendent, Mr. Galbraith, and Mr. Wells young men's Bible Class contributed a missionary vocal number which was enjoyed by all.

The monthly meeting of the Sunday School executive was held at the home of Mr. Galbraith last Tuesday evening and considerable business was transacted in connection with the Sunday School.

The Girls Mission Circle will meet next Thursday evening, Feb. 13th, at 8 p.m., at the parsonage. A St. Valentine Social will follow the regular meeting. Each member is asked to bring a new member.

A large number from here attended the birthday party which was given by Mrs. J. C. Bales at her home at Lansing in honor of her mother, Mrs. H. B. Schmidt, last Monday evening from 7 to 10. Little Betty Murphy presented Mrs. Schmidt with a bouquet of flowers from the Women's Association of Newtonbrook United Church of which she is the Honorary President and a much loved member. The house was a bower of beautiful spring flowers, which were gifts from her many friends. A beautiful birthday cake decorated with 77 pink candles made a very lovely table centre. Mrs. A. H. Halbert and Mrs. Harry Smith presided at the tea table and poured tea and coffee. Miss Heleh Bales, Miss Verna Hill and Mrs. Harold Murphy assisted. A large number of friends called during the evening. Among them were former pastors and their wives viz. Rev. and Mrs. J. J. Ferguson of Toronto, Rev. Edward Baker of Dundalk, Rev. and Mrs. E. R. Young of Toronto and three daughters of the late Rev. G. W. Stephenson, a former pastor (Mrs. Colonel Morrison and Misses Pansy and Ann Stephenson) and the present pastor, Rev. A. H. Halbert and Mrs. Halbert.

Mrs. J. C. Bales was hostess at a dinner party earlier in the evening to which relatives from a distance were present. We join in wishing Mrs. Schmidt many more happy birthdays.

We are pleased to hear that Mr. G. W. Booth is making a very good recovery after his very serious operation. He is still in Toronto East General Hospital.

Rev. and Mrs. A. H. Halbert attended the funeral service of Mrs. William Hanna (formerly of Port Carling) which was held at the home of her son, Mr. Wyman Hanna, last Tuesday evening at Allandale. Inter-

ment took place on Wednesday to Port Carling Cemetery.

The death of George Herbert, only son of Mr. and Mrs. Gouinlock of 29 Cummer Ave., occurred last Saturday evening after a weeks illness. Double pneumonia set in and from the first there was little hope of his recovery. Herbert was a bright boy, aged 13 years, and will be much missed by all. We extend sincere sympathy to the bereaved parents and sister. Interment took place to Forest Lawn Mausoleum, Yonge St., last Monday.

Did you ever solicit a contribution for a good cause from a professional money-raiser?
