### General News & Views

Five weeks from Saturday is  
March 21st. It won't be so long now.

Orillia's new stainless steel in-  
dustry, Fahralloy Canada Limited,  
started operations last week in the  
factory which was formerly the Na-  
tional Lock Works.

Aurora's newly formed band com-  
mittee is asking citizens for their  
co-operation in plans to raise a fund  
of \$800 to provide new uniforms,  
music and other equipment for the  
band.

Of \$29,835.22 spent for relief in  
Barrie in 1935, \$20,081 went for food.  
Refunds from the government on the  
above total amounted to \$18,905.26,  
leaving a net cost to the town of  
\$10,929.96.

Pointing out that there were  
twenty cases of gastro-intestinal in-  
fection attributed to the milk supply  
in the last year in Mura Twp., Dr. P.  
B. Richard Brechin, M.D., is of the  
opinion that the passing of the by-  
law regulating milk and licensing all  
sellers for this year will effect an  
improvement.

In Sweden, where the liquor traffic  
is under government control, before  
being allowed to buy liquor a person  
must produce a receipt showing that  
his taxes are paid. This seems a  
wise regulation, though it could not  
well be applied in Ontario under present  
conditions. Beyond a doubt  
thousands of dollars are being spent  
for liquor while taxes and other bills  
are left unpaid.

Addressing the Fairs Association  
in Toronto this week, Superintendent  
J. A. Carroll stated that the regula-  
tion prohibiting gambling devices at  
agricultural fairs will be strictly en-  
forced this year. No exceptions  
under federal law, as hitherto per-  
mitted, will be allowed, he said. This  
announcement will be pretty generally  
approved. In recent years there has  
been a marked increase in this sort  
of thing at many fairs.

Speaking at the opening of a new  
park in London, Mr. Hore-Belisha,  
British Minister of Transport, pointed  
out that the street is the most ex-  
pensive garage in the world. The  
capital value of the land occupied by  
a single parked car on a busy London  
street was \$100,000. Commenting on  
this, the Toronto Telegram says: "It  
is a mistake for motorists to imagine  
that it is their inalienable privilege  
to park their cars on the streets with-  
out regard to the rights of others.  
Streets are built with public funds  
and are primarily for the use of mov-  
ing vehicles."

**MY COAL STOVE**  
Oh! What a joy my stove has been  
Through many winter days!  
Its glow and gleam of ruddy light  
Through dreary days and winter  
nights  
Are worth a meed of praise.

A bit old-fashioned it may be,  
But like a long-tried friend,  
It never fails to do its part  
So with a fond and grateful heart  
Its name I will defend.

When illness came and nights were  
long  
It glowed with friendly cheer,  
When heavy was the hand of pain  
And slumber sought our eye in vain  
Its light a comrade dear.

And many a night about the fire  
Rang merry song and jest,  
With friends around the fireside  
bright  
The hours sped in keen delight,  
For simple joys are best.

And now as by my fire I sit  
One thought my spirit cheers,  
'Twas love that shed its glowing  
light  
Upon our happy hearthstone bright  
Through all the hearing years.

fith, John Duggan.

The annual meeting of the Board  
of Education was held on Wednesday  
the 5th inst., for the election of of-  
ficers, etc. The following members  
were present: Messrs. Glass, Switzer  
Clubine, Storey, McConaghy, Lynett  
Palmer, Newton, Naughton, McDonald,  
Mr. W. H. Glass was re-elected chair-  
man of the Board and Mr. Switzer  
secretary-treasurer. Committee of  
management—Messrs. A. Newton, W.  
T. Storey, J. N. Boyle. The follow-  
ing accounts were on motion, order-  
ed to be paid: A. L. Skeele, repairing  
clock, \$1.25; W. A. Sanderson, chemi-  
cals for High School, \$9.75. The  
secretary-treasurer presented a state-  
ment which showed the High School  
expenditure for 1895 to be \$1938.66  
with a balance on hand of \$275.44  
Public School, \$1342.05, balance on  
hand \$590.36.

Vaughan Council met at the Town  
ship Hall on Tuesday, all member-  
being present. Accounts for grave  
were passed for over \$1000 in Dis-  
trict No. 1, over \$600 in No. 2, and  
over \$400 in No. 3. Several other  
accounts were passed. A by-law was  
passed appointing a local Board of  
Health, Medical Officer and Sani-  
tary Inspector as follows: G. W.  
High, reeve; J. M. Lawrence, clerk  
Alex McNaughton, for 3 years; Leeds  
Richardson, 2 years; John Elliott, 1  
year; T. H. Robinson, M.D., Medical  
Health Officer; Robert Rumble, Sani-  
tary Inspector. The reeve was in-  
structed to inquire into a claim for  
damages from Alex Gunn, and in-  
spect the road where the accident  
occurred, and report at the next  
meeting of council.

**THIRTY YEARS AGO**  
From Our Issue of Feb. 8th, 1906  
Lakeview Curling Rinks came up  
Saturday for a friendly match. The  
home rinks won by 13 points. The  
visitors were entertained to tea at  
the Palmer House.

On Thursday evening last an oys-  
ter supper was given the patrons,  
guests and boarders of the Dominion  
House by Mr. and Mrs. D. Stong and  
the Misses Stong. About fifty were  
in attendance. The time was pleas-  
antly spent in games, social conver-  
sation and enjoying the excellent  
spread provided by the ladies of this  
popular public house. Before dis-  
persing for the night votes of thanks  
—moved by John Michael and Frank  
Sims—were tendered Mine Host  
Stong and his able assistants for  
their kindness and hospitality, to  
which the former replied in a few  
suitable remarks.

The At Home held in the Masonic  
Hall last Friday evening by the  
gentlemen of the village was a pro-  
nounced success. About fifty couples  
tripped the light fantastic to the  
strains of an Italian orchestra, and  
the committee may justly take credit  
to themselves for giving a most en-  
joyable evening to those present. The  
success is more especially due to the  
secretary, Mr. J. H. Mogan, and the  
president, Mr. G. H. Duncan, who  
were untiring in their efforts, and  
succeeded in making everyone feel  
perfectly "at home."  
Mr. J. McWilliams has purchased  
a house on Arnold Street now occu-  
pied by Mr. R. Kenzie, and will move  
here in the spring.

The Bible tells us to love our neigh-  
bors, and also to love our enemies,  
probably because they are generally  
the same people.

The only business requiring more  
hands is manuring.  
"So he's teaching Vera swimming.  
What has she learned so far?"  
"That he's 24, not engaged, works  
in a bank and his name is Cyril."

### TEMPERANCEVILLE

The regular monthly meeting of St.  
John's W.A. took place on Thursday,  
Feb. 6th, at the home of Mrs. Wm.  
Capelle with the President, Mrs. S.  
Snively, presiding. Rev. W. F.  
Wrixon led in the devotional period.  
Mrs. Snively on behalf of the W.A.  
spoke very feelingly of the rector's  
and Mrs. Wrixon's departure to the  
Parish of St. Mary's, Richmond Hill.

The community note with regret  
the announcement of Rev. Mr.  
Wrixon's appointment at Richmond  
Hill in that it removes him from our  
midst at the end of the month. His  
ministry at St. John's Church, Oak  
Ridges, for six years has been of  
benefit to all, whether in his particu-  
lar church or in other churches. Mr.  
and Mrs. Wrixon have made many  
warm friends in this community and  
all join in wishing them continued  
success and good health. The entire  
Parish feel that their loss is certainly  
Richmond Hill's gain.

Keep in mind the Oyster Supper  
which will be served in the Parish  
Hall on Wednesday evening, Feb. 12th  
Owing to bad roads and stormy  
weather only a few members of St.  
John's W.A. were able to visit St.  
Clemons W.A., Toronto, which was  
held at the home of Mrs. Dowell.

While tobogganing on a hill near  
his home Sunday, Jimmie Graham,  
age twelve, broke his right leg just  
below the knee.

Don't forget the Valentine Social  
which will be held in the basement  
of the United Church on Friday eve-  
ning, under the auspices of the Wil-  
ing Workers Mission Band. A good  
program is being arranged. Every-  
body welcome.

The Euchre Club met at the home  
of Mr. and Mrs. Geo. Thompson on  
Thursday evening. There were seven  
tables and twelve hands played. The  
prize winners: Ladies, 1st, Mrs. Wm.  
Nichols; consolation, Eliza Barker;  
Gents, 1st, Mrs. Fred Hare; consola-  
tion, Mr. C. Henshaw.

Miss Doris spent a few days with  
relatives in Aurora.  
Hero—"Cur! Where are those  
papers?"  
Villain—"They are at the black-  
smith's."  
Hero—"Ha. So you are having  
them forged?"  
Villain—"No, I'm having them  
filed."

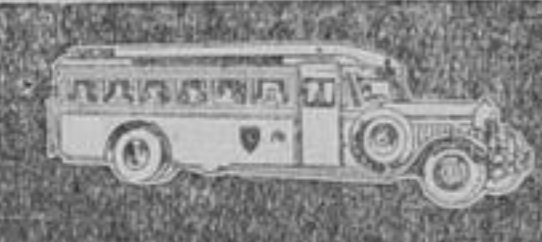

Joe—"I'd like one of your chickens  
to take home."  
Farmer—"Do you want a pullet?"  
Joe—"No thanks, I'll carry it in the  
usual way."

**Unfair Advantage**  
Mrs. Potter—"I notice your hus-  
band always has his hair cut short."  
Mrs. Cotter—"Yes, the coward."

**She Knows The Game**  
Katherine—"Why do all the boys  
like to play golf with Sylvia Anne?"  
Jerry—"She always makes a wild  
drive deep into the woods at the four-  
teenth hole."
