Talking Films For Education Demonstrated

INTERESTING MEETING OF
HOME AND SCHOOL CLUB HELD
TUESDAY EVENING

At the regular meeting of the Home and School Club held Tuesday evening Mr. C. Mathews delighted the members with a showing of several talking films of the type used in schools for educational purposes to supplement the usual teaching methods. The films were a convincing revelation of the limitless possibilities of the talking pictures for educational purposes in our schools.

The pictures shown included one showing the life history of the frog, in all stages of development, and another showed the dispersal and germination of seeds. Four other films had to do with music appreciation, two dealing in turn with the music and life of Carrie Jacobs Bond and Stephen Foster.

These latter films were accompanied by the singing by talented musicians of the familiar and beloved airs "Just a Wearin' for You," "A Perfect Day," "My Old Kentucky Home," "Old Black Joe," "Come where my love lies Dreaming." One of the other music appreciation films showed in a wonderfully simple and graphic way the nature and sources of sound waves, and the relation between pitch and vibration frequency.

Then followed a picture featuring the parts played by string instruments in orchestral work augmented by classical selections by the orchestra portrayed in the film.

Those who had the privilege of being the audience Tuesday evening will never forget what a revelation this program was, nor will they forget that it was through the zeal and sympathy of Mr. Mathews that such an evening was possible.

Other splendid features of the program included four songs by the pupils of Miss Reaman's room and a tap dancing number by Audrey Howard.

Mrs. R. D. Little, Vice-President of the Home and School Club, presided.

WAGER KNOWES AMATEUR HOUR

Don't forget the date of the great Wager Knowes, amateur hour, Wednesday, March 11th, and the place, Masonic Hall, Richmond Hill. Attractive prizes for best amateurs. Everyone invited to take part. Send your entries on or before March 7th to Box 79, The Liberal Office, Richmond Hill.

NEW FACTORY STILL A POSSIBILITY

Reeve J. A. Greene was this week in touch with the manufacturer who for some time has been negotiating for the location of a factory here. The proprietor of the firm stated to Mr. Greene that the season was rather backward which was somewhat delaying the decision but that he was as yet undecided as to the advisability of making the move. However, he assured Mr. Greene that should he make the move he certainly would come to Richmond Hill.

POST OFFICE SITE COST \$8000.00

During the passing of Public Works estimates at Ottawa during the present session it was revealed by Hon. J. A. Carlin, Minister of Public Works, that the cost of the site for Richmond Hill Post Office was \$8,000.00. It was purchased under the late Bennett administration on Aug. 14, 1935, and while the estimated cost of the site was \$500.00, the actual outlay was \$8,000.00.

C. G. I. T. Girls And Mothers Have Enjoyable Banquet

About 150 mothers and daughters attended the C.G.I.T. Banquet on Thursday last. Miss Nora Campbell, president of the C.G.I.T., officiated as toast-mistress. The speaker of the evening, Dr. Helen Mitchell, was introduced by Miss J. Smith. Dr. Mitchell spoke very entertainingly of her experiences with the Chinese, and an open forum was held for answering questions which arose.

The toast to the King was followed by a toast to the church proposed by Jessie Angle and responded to by Mrs. Pollett. Peggy Edean proposed to the Mothers, and Mrs. R. D. Campbell replied.

During the evening Mrs. Jones and Doris rendered Grainger's "Country Gardens" in a piano duet, and three C.G.I.T. girls, Muriel Barrow, Marian Buchanan and Jean Walwin, sang. A sing-song was held between courses including old favorites and new songs learned this year.

VICTORIA SQUARE

Once more the roads are being made passable for cars and with the mild weather comes the feeling that our 1936 winter will soon be merely a topic of conversation.

Congratulations to Mr. and Mrs. Ambrose Canning on the birth of a daughter recently.

Bad weather and roads somewhat diminished the attendance but not the enthusiasm at the regular meeting of the J.W.I. this month. Miss Laura Gee gave a demonstration on "Ways of Using Cheese" and Miss Dorothy Valliere handled in her able manner the topic "Saving Work and Woman Power." Miss Elsie Cripps played an instrumental. A special representative of the National Sewer Pipe Co. proved an interesting speaker at the J.F.A. The club paper was read at lunch hour by the new editor, Gordon Glenister.

Owing to road and weather conditions the sacred concert under the auspices of the Y.P.S. which was to have been held in the church, Feb. 27th has been postponed until Sunday March 15th, at 7.30 p.m. Rehearsals will continue in the meantime. Many of the little folk are absent from Sunday School these days. Let us hope that whooping cough and stormy weather will make their exit together and soon. Mrs. Willows gave an interesting talk in the Sunday School session last Sunday. Miss Marion Smith was in charge of the Y.P.S. meeting on Sunday evening. A reading by Mabel Sanderson, duet by Richard Rice and Ernie Merchant and the topic by Laura Gee constituted the program.

We are pleased to report Mr. Herb Nelson progressing favourably but sorry that several others in our community including Mr. R. Agar, Misses Bonnie Robertson and Marjorie Hart also Mrs. Jacques are not in the best of health.

The February meeting of the W.A. was held in the home of Mrs. R. Perkins on Monday, Feb. 24th. A jolly sleigh load dodged the snow plow working on the 4th to attend. A splendid program which included a reading by Ethel Mortson, scripture by Thelma Hart, solo by Mrs. M. Avison and a good address by Mabel Sanderson was enjoyed by all present. The March meeting of the J.W.I. is to be held next Tuesday evening, March 3rd, and will deal with Family Relationships. A short talk by Mrs. McCague. Roll call. A breach of good table manners. Paper by Miss Ethel Mortson. A demonstration on Proper Introductions by Mrs. Harold Mortson bespeak an interesting program. The boys hope to be successful in securing Mr. M. C. McPhail for their speaker.

Presentation to Rev. & Mrs. Wrixon

The Rector and Mrs. Wrixon who are leaving this Parish for Richmond Hill, were given a pleasant surprise on Sunday last when about to close the Sunday School. Mrs. G. Cooper read the following address:

Reverend Mr. and Mrs. Wrixon:— We wish to bid you our sad farewell. No words can express our sorrow in parting from you. We are consoled by knowing you will not be too far away, and maybe, you will visit us occasionally as we will always be glad to see you.

We will endeavour to carry on the good work in our Sunday School by following the fine example you have set before us; and as you told us, not long ago, our goal is in meeting our Heavenly Father, face to face, and in hearing God's Blessing, "Well done, good and faithful servant, enter into the joy of thy Lord."

We will always remember you by your good words and actions, and we wish you to accept this small token of our esteem, may it always remind you of the little Sunday School of St. Stephen's Church, Maple, and also of your many good deeds.

May God bless you, and keep you, and give you strength to carry on in His Name.

Signed on behalf of the members of the Sunday School,

Mrs. Lapp
Mrs. J. Watson
Mrs. G. Cooper
Mr. J. Burford.

Mrs. Cooper then handed the Rector and Mrs. Wrixon a beautiful silver cake basket. The Rector was very touched and thanked the members of the Sunday School for their great kindness.

After a long and serious illness Lawrence Wade is improving in health and is able to be around again.

Rev. W. F. Wrixon concluded his ministry in St. Stephen's Church on Sunday and he and Mrs. Wrixon are moving this week to their new charge at Richmond Hill.

On Thursday of last week Pearson Jones had the misfortune to have his back injured by the breaking of a toboggan while coming down a slide. Mr. Fred Cooper fell on the sidewalk one day last week, breaking two

bones in his left wrist.

Several afternoon bridge parties were held in the village last week and a pleasant time was spent by all who were present.

After a service in Edgeley United Church last Thursday the funeral of Mr. Howard Smith took place to the cemetery here. The services were conducted by Rev. A. M. Partridge.

We are glad to report the improvement of Mr. M. Powers as he is able to come out to the village occasionally.

A British Israel meeting will be held at the home of Mr. W. J. Oliver, Maple, on Tuesday evening, March 3rd, at eight o'clock, when Mr. J. B. Christian of Toronto will be the speaker. Everybody welcome.

During the Lenten Season special services will be held in Zion Lutheran Church every Friday night. The first of the series will be this Friday, Feb. 28th, at 8 o'clock. The Pastor, Rev. E. Huenergard, will preach a series of sermons on the general theme "Evidences of Christ's Deity." All are cordially invited.

The February meeting of the W. M.S. was held on Wednesday, Feb. 12th, with a fair attendance, though road conditions prevented many from being present. Mrs. McDonald took charge of the opening business session. Different items in regard to the disposal of the quilts, the Day of Prayer, the Easter Thank-offering meeting and the annual W.M.S. Sunday were arranged. Miss Ethel Mortson and Mrs. Herb Smith were delegated to the Temperance convention in Toronto. Splendid reports from the annual Presbyterial meeting were given by Mrs. Ralph Perkins and Mrs. P. Willows. Mrs. Haig then moved a vote of thanks to the delegates and also to the supply secretary for her splendid work in regard to the quilting. Mrs. Acreman then took charge of a program in which Mrs. Herb Smith read the scripture and the study on New Africa was led by Mrs. Acreman.

The annual Day of Prayer will be observed by the women of this district in the Sunday School room on Friday, Feb. 28th, at 2.30 p.m. The program in the Missionary Monthly will be used with special music. All women and girls in the community are cordially invited and will the members kindly bring the February missionary monthly.

Finest Shorthorn Sire In Scotland Show for O. A. C.

Purchased by Hon. Duncan Marshall With Funds Raised
By Subscription—Clydesdale Stallion Purchased Last
Year Finest in the Land

Mr. James McLean of Richmond Hill, known throughout Ontario as an outstanding judge of good horses, recently visited the Ontario Agricultural College farm at Guelph and in commenting on the stock there was loud in his praise of the Clydesdale stallion purchased for the college last year by Hon. Duncan Marshall, Minister of Agriculture. He is a splendid horse, said Mr. McLean, and one that should take first prize in any show ring in this country. The sire bought in the old land by Mr. Marshall is "Craige Realization" and he is a fine type of horse and horsemen who have seen him are delighted that such a fine specimen is available to the breeders of Ontario horses.

A few weeks ago Hon. Duncan Marshall made another notable purchase which it is hoped will make another valuable addition to the breeding sires of Ontario. This time Mr. Marshall purchased a fine Shorthorn bull at the world's greatest Shorthorn sale at Perth, Scotland. This sale annually attracts buyers from all parts of the world.

The United States and Canada have been frequent buyers at this sale, and on this occasion the Honourable Duncan Marshall purchased for the Ontario Agricultural College the Champion Bull of the sale.

"Millhills Ransom" brought 2900 guineas, which is 300 guineas below last year's top price.

The purchase of "Millhills Ransom" will not cost the Provincial Treasury anything.

Some weeks ago the Honourable Mr. Marshall decided to solicit the aid and support of a number of outstanding business men, each of whom subscribed very substantial sums of money for this purpose.

Among the contributors are: Sir Joseph Flavell, Mr. J. S. McLean for the Canada Packers, Colonel Harry Magee for the T. Eaton Company, Mr. C. L. Burton for the Robert Simpson Company, Mr. Jos. E. Atkinson of the Toronto Star, and Mr. J. H. Tapley for the Swift Canadian Co.

A number of contributions to the purchasing fund have been made in Scotland by Scotsmen interested in the promotion of live stock, and great interest has been shown by Canadian business men supporting this venture.

Hon. Mr. Marshall has received many congratulations upon the organization of such a scheme.

In addition to "Millhills Ransom" an outstanding Aberdeen Angus bull,

a proven sire, bred at Harviestoun, from Templetons of Sandy Knowe, was purchased.

There are very few outstanding Shorthorn sires in Ontario and none as good as breeders would like.

This bull at the Ontario Agricultural College will be available to breeders in the Province for limited use and it is hoped that in this way more rapid stock improvement can be promoted by the breeding of good sires in a number of herds.

The Honourable Mr. Marshall cables that the bulls he has secured will be a wonderful addition to the Shorthorns in Ontario.

Choice Aberdeen Angus females have been purchased, also a very good bull, and a high-class Hereford bull has been secured to head the herd.

Some good Ayrshires and Holsteins, together with the addition of some Jerseys, will be secured for the School at Kemptville.

A Dairy Shorthorn herd of excellent animals has been procured for the farm at New Liskeard.

An Ayrshire bull, the gift of the Honourable Senator Frank O'Connor, is now at Guelph, and it is the intention of the Minister to improve the dairy breeds already at the College.

Outstanding specimens of various breeds of sheep, now used for class room purposes, will be purchased in the near future.

The reserve Junior Champion Percheron mare at last year's Royal Winter Fair, was purchased and shipped to Kemptville, and two good specimens of this breed will be purchased for the Ontario Agricultural College.

"Breed Better Live Stock" is the agricultural slogan in Ontario these days.

KING'S SPEECH TO BE HEARD IN CHURCHES

The voice of His Majesty King Edward VIII will be heard next Sunday morning around the world when Britain's new King will speak to the subjects of the Empire. The broadcast will be heard at 11 a.m. Sunday morning, Mar. 1st, and arrangements have been made by local churches to have the address heard as a part of the regular Sunday morning service. "Staying home to hear the King's speech" will not be an excuse for missing church service in Richmond Hill next Sunday morning.
