

### Induction Service at St. Mary's Church

St. Mary's Anglican Church was crowded Sunday night when Rev. W. F. Wrixon was inducted as Rector of the Parish by officials of the church and in the presence of a large number of the members of the parish and citizens of the community. The impressive ceremony was conducted by Venerable A. G. Warren, Archdeacon of York, assisted by Rev. Principal R. B. McEltheran and Rev. Canon Fidler. Rev. Wrixon comes to Richmond Hill after serving for several years in the parish of King City, Maple and Oak Ridges.

The service, rich in the ritual of the Church of England, opened with prayers and Rev. Wrixon read aloud the declarations and oaths previously made and taken by him at the time of his appointment. The incumbent knelt before the representative of the Archdeacon who delivered to him the letters of institution and license, the Bible and the Book of Common Prayer. Following the blessing, the keys of the church were presented to Mr. Wrixon by Churchwardens H. Stan-

ford and R. Casement. The new rector was conducted to the front of the church where the Archdeacon informed him it was his duty to frequently admonish the people that they defer not the baptism of their children and to diligently ask out and bring any unbaptized persons in the parish to the holy sacrament of baptism and to catechize and prepare for confirmation by the bishop, whose who have been baptized.

Proceeding to the rector's prayer desk the Archdeacon stated: "It is the duty of the minister diligently to say public prayer, and devoutly and reverently to order the service of God's house." At the lecture, Mr. Wrixon was told that it was his duty diligently to study and read God's holy word according to the solemn promise made at his ordination, and at the pulpit the Archdeacon informed the rector that it was his duty to diligently preach God's holy word, and to use public and private motivations and exhortations, as well to the

sick as to the whole. The rector's last duty was told to him at the altar where the Archdeacon stated it was his duty diligently and frequently to celebrate the holy communion of the body and blood of Christ.

Rev. McEltheran in delivering an eloquent and impressive sermon took as his text the 27th verse 12th chap. Cor. "Ye are the body of Christ" and urged that the members of the parish do their duty as part of the "body of Christ." If you do the work of the Lord in this parish will progress and prosper he said in appealing for the united and whole-hearted co-operation of the members with the new Rector. Give him your love and your help, said the speaker, and give it to him now. Don't let little differences hinder the work, but rather be united in the great work of Christ's cause urged the preacher.

**CHICKS THRIVE IN MUSKOKA'S WINTER CLIMATE**  
Only 7 Lost in 7 weeks out of 300 started

Muskoka, the famous Summer-resort section of Ontario, is plenty cold in the winter time. But not too cold for raising Bray chicks. On December 31st, we shipped 300 chicks to a Muskoka customer On February 19th (7 weeks later) he wrote: "I have at present 293, and they are all well feathered, large, healthy and vigorous chicks." A loss of only 7 chicks in the 7 weeks.

This is striking evidence of the liability, vigor and stamina of Bray chicks. They do well wherever they go. The secret lies in our rigid culling of breeding stock; our blood-testing; and our methods of incubation. Get a copy of our 1936 catalogue and see there what Bray chicks are doing for satisfied customers everywhere.
