### VICTORIA SQUARE

"Patience is a virtue, possess it if you can,

It's often found in women, but seldom in a man."

Perhaps even the truth of this old adage will be destroyed if the spring sun doesn't soon bring to view the road we still believe is under the bumpy, rutty mess we now drive over.

On Friday evening the J. F. and J. W. I. held their March social event. Progressive crokinole and euchre were enjoyed by the group of young people present. Mrs. Walter Hill and Stan Slack emerged victorious in the crokinole competition while Mrs. Walter Ridley and Howard St. John won the euchre prizes. Following the prize awards Mrs. Walter Smith read an address to Mr. Ken Duncan who is moving from our community and Mr. Gordon Mortson on behalf of the young people of the district made the presentation of a brush and comb set. Fitting words of appreciation were spoken by Ken who will be missed by many friends around Victoria Square. Tickets on the J. W. I. Lucky draw quilt were also sold and which are still obtainable from Miss Pearl Caseley and Miss Dorothy Hart.

Miss Elsie Cripps read several stories to those present in the S. S. session on Sunday.

There was a fair attendance at Y. P. S. Sunday evening. Miss Dorothy Valliere was in charge and Miss Vera Nichols read a good article on the task confronting early missionaries in abolishing slavery in Jamaica. The drama committee picked its characters for the sacred drama which it is entering in the presbytery competition.

On Monday evening the March meeting of the W.A. was held in the home of Mrs. Avison with a good attendance. In the opening worship Mrs. Willows lead in prayer and Mrs. Klinck read the scripture. Miss Mabel Jennings gave a good paper on the relation of the school to the community. Special musical features were an instrumental by Miss Pearl Caseley and a duet by Misses Dorothy Oliver and Viola Avison. Miss D. Valiere added to the programme with two short readings. Thanks were received by several for gifts of flowers.

We are sorry that Margaret Mortson is suffering from a nasty dose of whooping cough.

Mr. Frank Beatty commenced his voyage on the matrimonial sea last Wednesday.

We are sorry that Miss Lulu Beatty is not enjoying the best of health just now, also Mr. Herb Nelson is still confined to the house.

Welcome to Shirley Eleanor Gee the new member in our community.

### TESTON

Last week the mail carrier failed to pick up the correspondence.

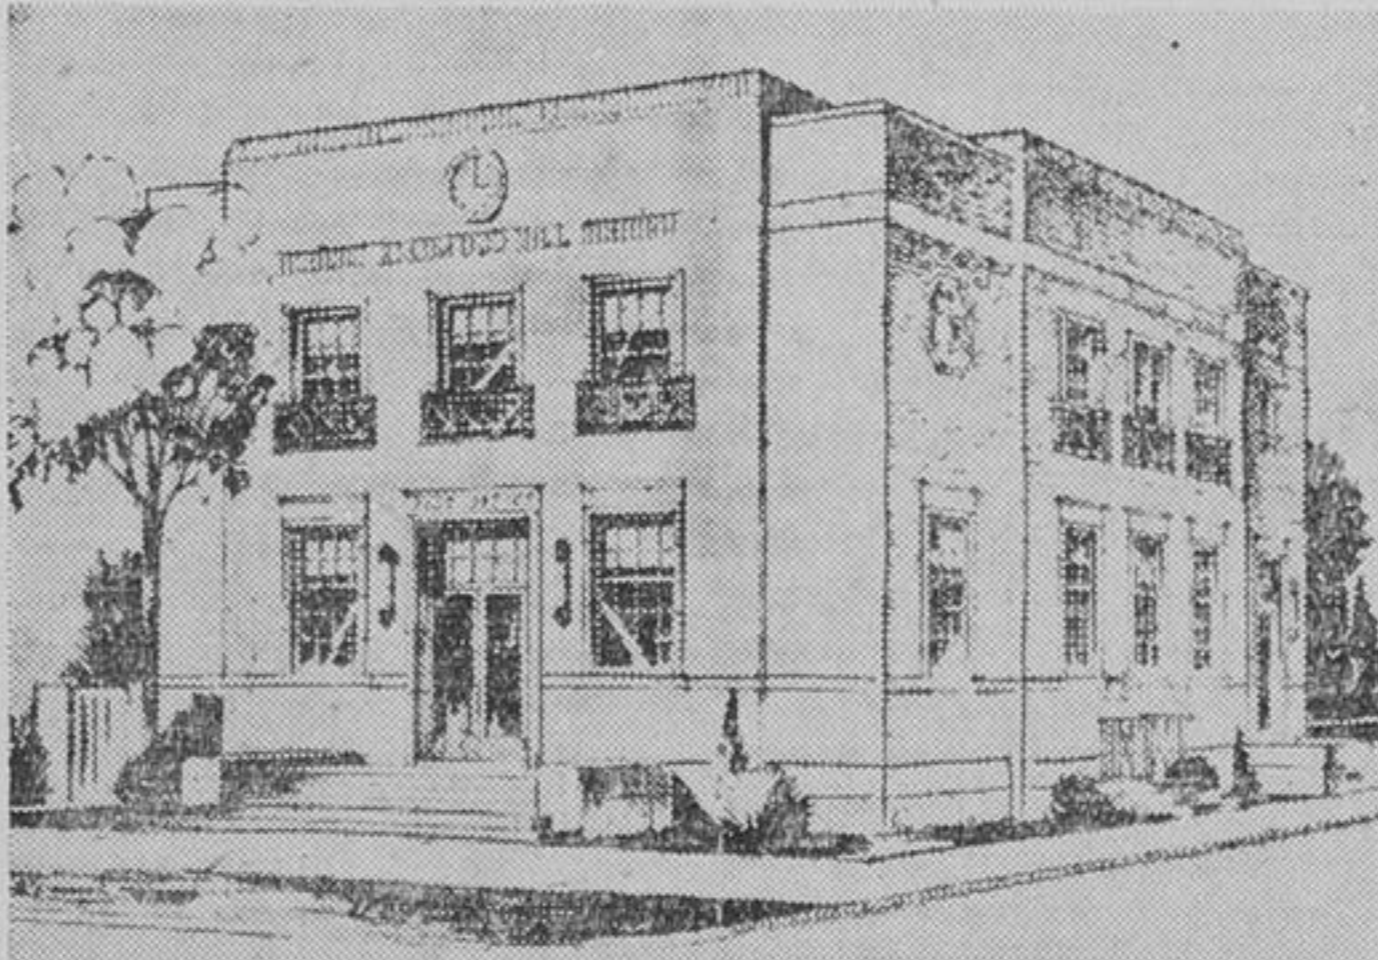

Attendance at the Young People's Society does not go back despite the road and weather conditions. The Everyreadys and Excelsiors turn out well and are on the alert for new members. Sunday evening Miss Lillian Jessop of the Mission School, Adelaide Street, Toronto, was the guest speaker taking for her theme, "The feeding of the Five Thousand." How Christ took, blessed, broke and gave to the multitude to eat. "Give Ye Them To Eat" is just as necessary to-day as in that far day. Some of the awful conditions cited by Miss Jessop in our own City of Toronto and in the back country are almost unbelievable. Yet these conditions are true and must be met by giving the Gospel and Education to those in need. Eleanor Heacock and Irene Hadwin assisted with the lesson and Worship Period. Roy Bowen occupied the chair.

The Women's Association held their regular meeting on Wednesday of last week at the home of Mrs. Garnet Diceman.

Several from here attended the sale of Gunn Brothers at Nobleton last Thursday and report good prices and a successful sale.

### PRESENTATION TO MR. and MRS. F. GRAHAM

The many friends of Mr. and Mrs. Frank Graham in the Patterson district gathered at their home last Thursday evening to honor them on the eve of their removal from the section to their new home in Richmond Hill. A very enjoyable social time was enjoyed and a feature of the evening was the presentation of a beautiful floor lamp to Mr. and Mrs. Graham. The following address was read by Mr. Harry Charles and the presentation of the lamp made by Mr. Archie Savage:

To Mr. and Mrs. Graham:

The poet hath said "The World is a stage and the people actors thereon." Time flies as each one of us plays our part in the role of life and we live to learn that the great pendulum of Time has swung change after change upon us.

The time has come when you are to play a new role upon that stage and we, the people of the Patterson Community, wish on this occasion to express our deep appreciation and high esteem of loyal friends and most worthy neighbours.

Your outstanding co-operation and deep interest in promoting the welfare of this community have gained for you the respect and admiration of a wide circle of friends throughout the district.

We ask your acceptance of this slight token of our regard and from our inmost hearts Mr. and Mrs. Graham, we say "God bless you with his choicest blessings."

### HON. DUNCAN MARSHALL DELIGHTS AUDIENCE WITH TALK ON "SCOTLAND"

Hon. Duncan Marshall, Ontario's Minister of Agriculture delighted those who attended the annual banquet of the Richmond Hill Agricultural Society held in the United Church School room last Friday evening with a talk on "Scotland." The speaker took his audience on a delightful journey to the historic spots of the Highlands and Lowlands and his quotations of Scottish verse and recounting of Scottish stories gave his listeners a most enjoyable evening. Those who missed the talk missed a genuine treat.

Following a banquet served by the ladies of the church President Robert W. Scott presided for the program which included in addition to the talk of Mr. Marshall, a vocal solo by Mrs. Duncan M. Chamney, and a vocal number "The Man Behind the Plow" by the four Wellman brothers. The Hon. Duncan Marshall was introduced by James McLean and a vote of thanks was moved by Reeve J. A.
