NEWTONBROOK

Mr. and Mrs. Edward Brett of Petawawa Ave. returned from a 3500 mile trip last Friday evening after spending the past six months with son, Rev. Arthur Brett at San Carlos, California. During that time they had not seen snow but after the New Year had a rainy season of five weeks. On their return trip they ran into a snow storm at Denver, Colorado which lasted a couple of days.

Mr. and Mrs. Herbert James of Centre Ave. moved to their new home in East Toronto last Tuesday. We are sorry to lose them from our midst.

Rev. and Mrs. A. H. Halbert attended the Diamond Jubilee services of Streetsville United Church last Sunday evening also the reunion of former pastors and friends at the anniversary supper on Monday evening. Mr. Halbert was a junior pastor at Streetsville in his college days.

In the absence of the pastor the Young Men's Bible Class, assisted by their teacher, Mr. W. T. Wells, conducted the evening service last Sunday. Mr. Edgerton Young preached the sermon. There was special music by a young men's choir.

The class has received many congratulations, and we hope to hear from them again in the near future. The Girls' Mission Circle will meet at the parsonage next Thursday at 8 p.m. for their Easter Thank-offering meeting. Miss Gallan of the Church of All Nations in Toronto will be the guest speaker.

The Lansing W. A. will present a

play "The strike of the Ladies' Aid" this (Thursday) evening in the S. S. hall of the United Church.

Rev. T. Albert Moore, D.D., L.L.D., will preach at the Good Friday Union Service in the United Church on April 10th at 11 a.m. Dr. Moore is at present holidaying in Bermuda but will return to Toronto Easter week. The local clergymen will take part in the service and the ministerial quartet will render special music. A hearty welcome to all.

The Y.P.S. held a very successful social evening last Monday evening when the Willowdale Y.P.S. were guests. The recreation period was conducted by Miss Mary Carbon and Miss Fallis of the Young People's Council. There was also a sing song in which all joined in heartily. Refreshments were served and brought a very happy evening to a close. There was an attendance of fifty-five.

We are glad to see some of the sick folk able to attend Sunday School. There were 150 present last Sunday. There will be a missionary program next Sunday.

Mr. A. W. Galbraith received a message last week that his sister, Miss Mary Galbraith, had suddenly passed away in Winnipeg, where she was spending the winter with her sister. We extend to Mr. Galbraith sincere sympathy in his bereavement.

There will be a special Palm Sunday service next Sunday at 11 a.m. and 7 p.m. in Newtonbrook United Church. The Sunday School will take part in the morning service and the S.S. choir will render several special numbers. There will be a song service of bright Easter music at 7 p.m. and the senior choir will sing. A hearty welcome to all.

ONTARIO'S BARLEY SITUATION

That barley is assuming a more important place in Canadian agriculture and Canadian industry is evidenced by the fact that a National Barley Committee has been set up and was in session in Toronto last week. With these facts in view, the following brief paragraph from "The Ontario Agricultural Outlook for 1936" should be of special interest and value to Ontario farmers who are just now laying their plans for this year's crop production.

"The 1935 barley crop in Ontario was the largest since 1930 and is estimated at 16,841,000 bushels. In 1934 the production was 14,741,700 bushels. The acreage was increased from 484,900 acres to 523,000 and the yield per acre at 32.2 bushels was 1.8 bushels higher than in the previous year.

The Canadian crop of 83,975,000 bushels is much higher, showing a gain of 20,233,000 bushels or 31.7 per cent over 1934. A higher yield of about 4 bushels per acre was chiefly responsible, but there was an additional seeding of 273,200 acres. The carry-over of barley in Canada on July 31st, 1935, was 5,573,462 bushels, compared with 11,092,030 bushels on July 31st, 1934, and a 5-year average, 1929-1933, of 16,378,396 bushels.

From the 1935 Canadian crop about 9,250,000 bushels were exported to the United States, whereas in the years 1930-35 inclusive the export to this market was negligible.

The average price being paid for the 1935 barley crop is 40 cents per bushel, compared with 50 cents per bushel in 1934.

There is a possible annual domestic market for over 2,250,000 bushels of good clean malting barley. An increase of livestock holding would create a demand for considerable barley for feed. Barley yields well in bushels per acre and it is a good crop to seed down. The present acreage should be maintained with more attention given to the improvement of quality and yield per acre."

KING'S BIRTHDAY

HOLIDAY JUNE 23RD

The King's birthday holiday which is a statutory holiday in Canada will be on June 23rd this year, which is the birthday of our new King Edward VIII. Departmental examinations had been scheduled for this date previous to the accession of the new king but since have been rearranged by the department of education for another day.

Mr. and Mrs. Peter Addison Maybee of Prince Edward County celebrated their 73rd wedding anniversary on March 15th. Mr. Maybee is 94 and Mrs. Maybee 92. They have one son who is 71 years of age.

When addressing the Peel County Council at the March meeting requesting a larger fair grant, W. L. Wilkinson, president of Brampton Fair is reported as having stated that unless they receive a larger grant from the county they will be compelled to cancel this year's fair. A mortgage of \$8,000 issued 14 years ago to erect a new agricultural Hall has only been reduced to \$6,500.
