A man on trial for his life was being examined by a group of alienists. Suddenly one doctor jumped up and shouted to him:
Doctor — "Quick, how many feet has a centipede?"
The Man (very dryly) — "Gad," is that all you have to worry about?"

Mothers Are Entertained
The young ladies' class of the United Church held a mothers' and daughters' night last Thursday when Miss White (Bride Broden) of the Mail and Empire, Toronto, was guest speaker. Miss Isobel Farr, president of the class, welcomed the mothers and friends, and said that the girls hoped to make the mothers' and daughters' night an annual gathering. This will be looked forward to by the many that were present, as the girls are first-class entertainers and it was a very enjoyable evening. Each mother and guest was presented with a corsage of flowers, which were very lovely. Mrs. Shaw and Mrs. Wiltshire of Newtonbrook sang several sacred duets and were much enjoyed and appreciated by the audience. Mrs. R. Wesley, Mrs. L. Short, Miss Marguerite Ecklin and Miss Doris Farr, accompanied on the piano by Miss E. Davies, added pleasure to the program with their singing. Mrs. McKean, teacher of the class introduced the speaker. Miss White spoke on having a will of your own and a mind to carry it out. She stressed the deplorable state of affairs brought on by young and old trying to keep up with the Joneses. She also was grieved to think of the time that was spent among women playing bridge and smoking, when there were so many worthwhile things to do, especially in the summer time. Miss White thought the country people had a great deal to be thankful for, that they did not realize what troubles there are in the cities. Miss Isobel Farr thanked the speaker for her timely talk and hoped that she would visit the girls again. Refreshments and a social hour was held at the close.

At a charmingly arranged miscellaneous shower for Miss Patricia Brown of Toronto whose marriage will take place in June, Mrs. P. Bone and her sister Miss Jean Freeman entertained on Monday night at Mrs. Bone's home in honor of the bride-elect and also in honor of her birthday. The room was prettily decorated with pink and white and many gifts were showered on Miss Brown by her friends and school mates, as she sat under a large white wedding bell. Dainty refreshments were served and a jolly time spent. Miss Brown, who was accompanied by her mother, left for home amidst showers of confetti, after thanking her friends and Mrs. Bone for the happy evening.

An important meeting of the Executive of the Horticultural Societies of district No. 5 was held last Thursday night in the Lawrence Memorial Hall. This was called a get-together meeting for the societies of the district to become better acquainted and to discuss and express their views on different problems in connection with Horticulture and the annual convention.

There was a good attendance of representatives from all parts of the district. From Toronto to Orillia, Mr. Lionel Godson occupied the chair and Mr. John F. Clarke was leader in the discussions.

Unionville Society was best represented and received a prize of 3 high class delphinium roots, donated by Mr. P. Bone, president of Thornhill Society. This society were the hosts and served refreshments at the close.

The Ladies' Softball Club was organized last Tuesday night at a meeting held at the home of Miss Wilkie Hooper. Clavton Scott was appointed manager and Harold Ecklin, coach. A league comprising teams from the surrounding districts will be formed in the near future. Most men really prefer comfortable, old-fashioned, over-stuffed furniture, and women—to the glittering, hard, modernistic sort.

"If I had my life to live over again I would"—is what they say, but they keep right on living the same old schedule.

Did ever a spring offer more encouraging prospects to the farmers for an abundant harvest? Although the acreage of fall wheat sown last fall was not big, it does seem as if every blade came through the winter without blemish and is well on its way to harvest, and as for clover every field is glorious to look upon. A few days more and it will be Clairville Fair.

Sixteen Months Old Shirley Ann Timmermans Buried

Keen sympathy is felt for Mr. and Mrs. Anthony Timmermans, No. 7 Highway east, in the death of their sixteen months old daughter, Shirley Ann, who died in Peel Memorial Hospital, Brampton, on Saturday, May 9th, and was buried in Hillcrest Cemetery on Monday last, the funeral taking place from W. R. Scott's Funeral Chapel with Mr. Ernest Root, Student Pastor of Humber Summit, conducting the burial service. The sad death of the twelve year old son of Mr. and Mrs. Timmerman who was accidentally killed on the Weston Road a few months ago still lingers in the memory of the community and the added family bereavement is more difficult to bear. The Timmermans family are practically strangers in the district and are without relatives. Mr. Timmermans is a florist employed at Miller's greenhouse, Concord.

Now That It's Warmer Watch This!

THE way your chicks are packed for shipment is always important—perhaps even more important in hot weather than in cold.

Bray shipping methods are based on long experience with hundreds of thousands of chicks, shipped at all seasons of the year. And here's what a customer wrote us about them, the other day:

"Your chicks arrived 100% alive last night.....I am very proud of the condition of these chicks, and think your method of shipping is perfect."

Have you ordered your chicks yet? October with its high egg prices is just 5 months away. With fast-growing chicks you can have eggs in the nest while prices are mounting. Slow-growing stock would materially cut your profits. Bray pullets usually lay at 5 months or earlier—often reach 50% production at 6 months. See us, write us, or phone us—TODAY.
