BEST FAIR IN HISTORY IS PREDICTED BY OFFICERS OF 87th ANNUAL SPRING SHOW

Horse Show, Saddle and Hurdle Events, Dog Show, Polo
Game, York Twp. Boys' Band, Softball, Wrestling,
Among the Feature Attractions

"Present indications are that we will have the greatest show in the history of the Fair," said Reeve Robert W. Scott of Vaughan Township, the president of the Richmond Hill Agricultural Society, when discussing the prospects for Monday's big event with The Liberal this morning. "Already we have a large number of entries and from the interest shown by horsemen we are looking forward to a record number of entries in all our classes," he said. The optimism of the president is felt by all the other officers and directors of the fair who have been working hard in recent weeks preparing for the big event which will take place next Monday, May 25th. An exceptionally fine program has been arranged and includes classes for all breeds and ages and light and heavy horses and a varied and exciting program of saddle and hurdle events. Many members of the Eglinton Hunt and other clubs will take part in these jumping events which are so popular with visitors to the Fair.

The Fair grounds have been put in excellent shape and this year there will be two rings for judging. The light horses classes and saddle and jumping events will take place in one ring, and the heavy horse classes in the other. An attractive program of the day's events will be issued and distributed on the grounds. The features listed in addition to the Horse Show in-

clude the Dog Show which will be staged in the arena, music by the York Township Boys' Band, Polo Game by two ladies teams from the Eglinton Hunt Club, Horseshoe Pitching, and at night the big Wrestling show.

The events in the Horse Show will get under way commencing at 1 p.m. daylight saving time and judging in the Dog Show will start at 2 p.m.

Reeve J. A. Greene has asked that the citizens of Richmond Hill co-operate in the celebration of the day by decorating their homes and places of business and in honor of the event the colored street lights on Yonge Street will be lighted from Friday evening.

The Fair Board met Tuesday evening and the directors and various committees have been meeting daily completing arrangements for the show. The secretary will be at The Liberal office every evening from now until May 25th to give information or receive entries.

There has been a big demand for midway concessions and among the features will be a merry-go-round for the kiddies.

A feature added to Tuesday's meeting is the J. A. Caesar silver trophy for the best heavy colt on the grounds three years old and under.

In the evening there will be an exhibition softball game between the fast Ottawa Paint Works team of Toronto and an all star Richmond Hill team.

VICTORIA SQUARE

"The world will be redeemed, it is being redeemed. Redeemed not by those who shake the red rag of wordy warfare, who threaten and demand, but by its enterprisers, workers, inventors, toilers—the men and women who do the duty that lies nearest them."

"What is so uncertain as a day in May" might be a timely quotation this year with our blazing sun, nipping frost, sunny skies and sudden storms.

On Wednesday evening last several of the young people journeyed to Kettleby but the evening had a rather unexpected outcome. Owing to a misunderstanding one young lady was left behind and arrived later with a special chauffeur. However as dressing accommodation was missing the presentation of the play was finally dropped and the audience had to be content with hearing the final debate in which Ravenshoe young people were the winners.

Rev. Mr. McDonald told an interesting story to the children in Sunday School.

In Young People's Sunday evening Miss Dorothy Valliere gave the topic. A solo by Mr. E. Avison and a reading by Dorothy Hart were other interesting features on the program.

Work on the manse is being commenced this week with the digging of the cellar. All hands to the work boys in the old and fitting call.

The new Junior Farmers' executive elected last meeting showed several changes in the slate of officers. Hon. Pres., W. M. Cockburn; Pres., Jack Frisby; Vice-Pres., Harry Barber; Sec., Fraser Gee; Treas., Frank Brumwell; Editor of Paper, Boyd Mount; Assistants, Leonard Wellman, Floyd Perkins, Marcus Jarvis; Social Comm., Earl Empringham, Martin Styromo, Jim Valliere, Jerrold Freeland and Fraser Smith; Live-stock Comm., Dalton Rumney, Harold Henricks, Fraser Gee; Sport Comm., Floyd Perkins, Stan Slack, Harold Henricks, Dalton Rumney, Harold Wellman; representatives on County Executive, Leonard Wellman and Alvin Caseley; Comm. on Starling and Groundhog Contest, Douglas Gee, Frank Brumwell, Dalton Rumney. It was agreed that \$1.00 each month will be given to member winning most points that month by count of groundhog tails, starlings legs and eggs.

J. F. meetings will be held the first Tuesday evening in each month as usual and all young men in the community are invited to join.

At the joint meeting following the election a presentation of a lovely gift of flatware was made to Mr. Frank Beatty who since his recent marriage has left our community.

ROBERT W. SCOTT

Reeve of Vaughan Township and President of the Richmond Hill Agricultural Society who issues a cordial invitation to all the citizens of the County to attend the 87th annual Fair on Monday next. "On the eve of the Fair I wish to thank all those who so generously have given their support to our organization," said Mr. Scott, "and I look forward to a continuance of the patronage which has always been accorded our Fair. I extend to all a special invitation to attend our 87th annual Fair with the greatest confidence because I am satisfied that we are going to have a show which will at least equal if not exceed any in the long history of this historic Society."

WARNING TO CHILDREN AND OTHERS

Reeve J. A. Greene stated to The Liberal this morning that the police have been instructed to carefully check up on the use of firecrackers on the streets this year following several complaints which already have been made. Children and near-grown-ups who act like children will be prosecuted if they make a nuisance of themselves with firecrackers on the streets, said the reeve. The thoughtless throwing of firecrackers often results in serious injury to someone who may not be in good health or condition to stand the shock of a firecracker exploding at their feet said the Reeve and the practice will not be tolerated this year. Parents and teachers are asked to warn youngsters of the danger.
