## LIST OF PRIZE WINNERS AT 87TH ANNUAL SPRING FAIR

IDEAL WEATHER, FINE EXHIBITS AND LARGE  
CROWD COMBINE TO MAKE FAIR  
A SPLENDID SUCCESS

That Richmond Hill Fair is growing in popularity from year to year was evidenced by the fine attendance at the 87th spring exhibition held at the Agricultural Park on Victoria Day. Favored with ideal weather the Fair was a very marked success and the thousands who attended were unanimous in their praise of the fine program presented this year.

The showing of horses was exceptionally good and although the entries in some classes were not as numerous as in former years the very fine quality of all the exhibits was everywhere the subject of favorable comment. As usual the saddle and hurdle events attracted the major interest of the spectators and these colorful events were keenly contested and greatly enjoyed.

The Dog Show while not as large as anticipated attracted some splendid dogs and it is expected that another year this department of the Fair will attract many more exhibitors. The handsome silver trophy for the best dog in the show which attracted so much attention when on display in The Liberal office window over the week-end was won by a Pomeranian shown by Mrs. J. W. Bruce, Steele's Corners.

The midway booths and games were well patronized and the wrestling bouts at night attracted a crowd of about 800.

Music during the day and evening was provided by the York Township Boys' Band. Their playing attracted much attention and their popularity was well merited by their very splendid performance.
