General News & Views

All set for the opening of the lacrosse season.

Municipal councils of Markham Vaughan Townships hold their regular monthly meetings next Monday. The council of Richmond Hill VIII. age will meet Monday evening.

Unemployment is not a serious problem in this district just now. In fact it is difficult to secure help at the present time.

Traffic was exceptionally heavy over the Empire Day holiday and Monday night there was quite a traffic jam on Yonge Street.

Life is like a deck of cards. When you are in love, it's hearts; when you become engaged, it's diamonds; when you are in bad with the wife, it's clubs; and when you die it's spades.

Mrs. Gnaggs—Have you shut up everything in the house for the night, Elmer?

Elmer—I've shut up everything that can be shut up, my dear.

Little Mary: "Let's be pals, Daddy."

Daddy: "Certainly, my dear."

Little Mary: "Well, how about dumping out the cod liver oil, palsey walsey?"

Collingwood's 1936 tax rate is expected to be 44 mills or 11 mills less than last year.

Tottenham's tax rate this year has been set at 47 mills, a reduction of three mills from the 1935 rate.

Orillia's 1936 tax rate was struck at 54.5 mills on the dollar by the town council at a special meeting on Monday.

Curiously enough, says an exchange, while in an age when many are advocating share-the-wealth schemes, there is not much favor for schemes of sharing-the-work.

And the sooner you get up in the world the later you can get up in the morning.

The only thing some people seem willing to share with their friends is a cold and how they do pass them around.

Instead of discussing the time worn question of who won the last war, the average man has commenced to worry about who's going to win the next.

During March, 29 persons were killed in motor accidents in Ontario, figures released by the Department of Highways show. This brings the total for the year up to 64, which is 24 less than during the same period in 1935. Of the 68 cars involved in the 64 fatalities, 67 drivers were males; 36 were between the ages of 25 and 40, when drivers are supposed to be at their best, and 84 per cent of the total had more than five years' experience in driving.

We often wonder what prompts a man to permit himself to be cajoled into serving a municipal council. It is certainly not the remuneration; it is certainly not the prestige attached to the office, for an otherwise quiet, inoffensive good-living citizen becomes a social outcast, according to many and the butt of every wit and jester in the district whenever he becomes a councillor. If he drags roads in the summer he is spending too much money; if he doesn't his lack of initiative and interest is broadcast far and wide. If he opens roads for winter travel, he is a fool, if he doesn't he belongs to an age and generation which should have no place in our modern up-and-going world.—The Alliance Times.

1,000 English Rovers Gather
An English Midland Counties Rover Scout gathering in May at Pat-shull Park, home of the late Earl of these senior Scouts from Stafford-Dartmouth, will bring together 1,000 shire, Shropshire, Worcestershire, ture is another matter.

Anyway the recent depression has taught us that a business could get along with only two or three vice presidents.

WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our issue of May 28th, 1896
Whitchurch may now be called the temperance township as there is not a hotel licensed to sell strong drink within its borders.

The annual report of the Richmond Hill Methodist Church for the year ending May 1st, just printed, shows a successful year for that body. The auditors' report shows the receipts to have been \$1413.89, expenditure \$1269.36, with a balance on hand of \$144.53. Officers and teachers of the Sabbath School 15, scholars 137, average attendance 120. The church was erected in 1880, the cost being \$17,000 for building, site and furniture. Of this sum \$16,300 and interest has been paid, leaving a balance of \$700. The report also refers to the Woman's Missionary Auxiliary and the Epworth League.

Lacrosse
Lovers of our national game will be pleased to know that a revival of the spirit of the invincible Young Canadians has taken place and that our village bids fair to be the home of a championship lacrosse club in the near future.

A meeting of those interested in football was held in the Lorne Hall on Thursday evening. Mr. A. E. Coombs occupied the chair, and Mr. W. Glass acted as secretary. The club was organized with the following officers: President, Mr. F. Sims; Vice-President, Mr. F. Grainger; Secretary-Treasurer, Mr. W. Glass; Committee of Management, Messrs W. Trench, G. Cooper, F. Grainger. On motion of Mr. G. Cooper, seconded by Mr. F. Rutherford, it was decided to leave the election of the first eleven players in the hands of the committee of management. The question of sending out challenges was left over for future consideration.

There was a very good attendance at the annual Spring Fair of the Richmond Hill and Yonge Street Agricultural Society on Monday, but it is safe to say that had it not been for the rain in the morning, and the threatening appearance of the clouds the greater part of the day, the number of visitors would have been larger than on any former occasion. In the football competition in the morning King City defeated Richmond Hill by 2 goals to 1, then Ellesmere won from Dairy Royals, and finally Ellesmere defeated King City thus winning the \$15.00 cash prize. In the junior competition the Richmond Hill light weights won the \$5.50 from York Mills team. Besides the horseracing in the afternoon there were foot races and bicycle races, and altogether there was a capital day's sport. Professor Karn and Bondo gave an exhibition of juggling, etc., on a raised platform. The Village Band played a lengthy programme of fine selections, making it very pleasant for lovers of good music. Among the exhibits was a fine display of rigs from Trench's Carriage Works. Many good horses were on the grounds and among the cattle were three very fine herds of milk cows, shown respectively by Messrs L. L. Hartman, W. H. Clubine and T. Ludford. Mr. Geo. McDonald's display of harness was very creditable, and Siver's boots and shoes were very attractive. The exhibition of grain and roots was also very good.

Letters From The People

Makes Suggestions For The Fair
Toronto, Ontario,
May 26th, 1936.

Editor, The Liberal
Sir:—
As a visitor to your splendid Richmond Hill Fair on Monday I would like to suggest that for the added enjoyment of the patrons that a few seats be placed around the grounds and that some kind of dust layer be used on the track and in the midway. I wish to congratulate the officers of the Agricultural Society on an excellent Fair and I trust my two suggestions will be accepted as constructive criticism.
OLD BOY.

Disapproves of Wrestling
Richmond Hill, Ont.,
May 28th, 1936.

Editor of The Liberal
Sir:—
I saw my first wrestling bouts at the arena Monday night and surely the world is degenerating if this thing is called sport. The brutal antics of the performers looked like a survival of the cruelties of the dark ages and why young men should be encouraged to undergo such punishment to delight an excited crowd, is more than I can understand. I think from my observation that the game is altogether too rough and should not be allowed here or elsewhere. Should any of those fine appearing young men sustain serious injury I am sure all those who pay admissions to see such exhibitions should feel partly responsible.
DISGUSTED.

Note: It should be remembered that wrestlers keep themselves in the pink of condition and that in their bouts they are not hurt nearly as much as it might appear to the onlooker. Certainly no-one received any serious injury in Monday night's bouts. As one youngster remarked when leaving the arena, "Heck it ain't half as bad as it looks." (Ed.)

Traffic Hints
May 26th, 1936

Editor, The Liberal
Sir:—
Say, Mr. Editor, your town last night was a sight for sore eyes; i.e. it would make any one sore, eyes and all, the way traffic was congested. Here's two suggestions for you.
1. The Government (in the days of Drury) bought a ten foot strip on the west side of Yonge St. It has never been used and remains with the former owners. Why not have it paved to make a three lane right of way down to Steele's Corners???
2. Speedup proposed cut off from Thornhill on No. 7 highway so as to avoid overlapping.
Motorist.
