The W.M.S. met at the home of Mrs. H. B. Schmidt of Lanisng last Tuesday afternoon for their May meeting. The devotional worship service was conducted by Mrs. J. C. Bales whose remarks were about Dorcas, the woman who was always helping others. Prayer was offered by Mrs. H. B. Schmidt. Mrs. Frank McFarlane sang a solo very acceptably. Mrs. James Murray reviewed Chapter VII of the Study Book on "New Africa" and spoke on Problems of Contact. The terrible epidemic of influenza in 1918 entering by ships at Cape Town spread all over the continent. As it flew over the land it came to a people unprepared and almost wiped out some villages. Most Africans are not city dwellers but agriculturists or cattle herders. Mrs. Murray lived in Africa for a few years and told of some of her experiences while there. She will continue the study at the June meeting and conclude the Study Book. A special feature of this meeting was a shower for the missionary bale, which had a very generous response. Mrs. W. T. New read extracts from letters from the Annual Report expressing appreciation for the bales which were sent to the Canadian West and Northern Ontario and which were so much needed in medical work and community mission work. Dainty refreshments were served by the hostess at the close of the meeting.

The Young People's Union held their closing meeting last Monday evening and took the form of a "bacon fry" on the flats of Mr. Robert Carson's farm on Bayview Ave. The young people met at the church at 7.30 and proceeded to the woods a mile distant, Mr. Halbert taking the cats, etc., in his car. Three small fires were kindled to fry the bacon with the frying pan set on stones. Everybody enjoyed the hot bacon sandwiches. At a huge bonfire in the centre, another group popped corn. When all had done ample justice to the good things all gathered around the camp fire and enjoyed a sing-song while some gave harmonica numbers. All agreed that a most enjoyable evening was spent and a hearty vote of thanks was extended to the social committee in charge.
