

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

A delightful event of the week was the Golden Wedding anniversary celebrated by Mr. and Mrs. J. Havelock Chant at their home on Station St. on Monday last.

The Women's service held last Sunday evening in Central United Church proved to be of special interest. Mrs. Solman's visit and the splendid message given were much appreciated and although two members of the Ladies' Quartette from Uxbridge were unable to be present on account of illness, the solo by Miss Browncombe and the duets by Miss Browncombe and Miss Dorothy St. John were especially fine musical numbers, in all a splendid service.

At a meeting of the Executive of the Stiver Clan held recently it was decided to hold the family re-union at Crosby Memorial Park on Wednesday, July 1st. It is desired that all members of the Stiver connection will plan to be in attendance.

Toll Brothers' lecture given under the auspices of the local Boy Scouts was well attended and the evening's entertainment proved of the highest class and may be well recommended. During the evening a Gilt medal, suitably engraved was presented to Donald Dukes in recognition of his bravery in saving Charlie Gates from being drowned in the Unionville Pond last summer.

The drama presented at the inter-society contest was given at the joint meeting of the clubs followed by dancing and refreshments. The president, Kenneth Deacon was in charge of this unusually interesting meeting.

Three ladies were in attendance at the meeting of the Women's Association of Central United Church that convened in the Sunday School room on Thursday afternoon last.

The audience was well looked after by the ushers John Young, John Coulson and Ian Barron and the splendid patronage of the event is indeed appreciated by the Boy Scouts.

To be able to bring a message in song as well as speech is the unusual talent of Prof. Raithey, O.A.C. who was guest of the Junior Farmer Organization last Monday night.

The Starling and woodcock contest sponsored by the J.F.C. promises interest to the Public Schools in Markham Township, North Scarborough and part of York Townships. Four

prizes will be given, \$20, \$15, \$10 and \$5 to the schools that are winners in this contest. The president also outlined the judging competition to be held at Richmond Hill the following Thursday. The prompt attendance lucky number venture still proves popular, Jim Darlington and Jim Hood being winners for the boys and Marianne Rutherford for the girls.

The social activities for the month include the annual picnic to be held at Musselman's Lake on Friday, June 12th afternoon and evening. An attractive program of field sports, swimming events, the usual good eats and tripping the light fantastic in the evening should make a real event. Don't miss it. Then the old fashioned barn dance that will be held at Mr. Boyd's on the 4th of York near the Lansing sidewalk on Friday, June 19th will be another good time opportunity.

The June (month of weddings) meeting of the girls club brought suggestions for the preparation for the big day when Rozena Baker told of what a Girl's Hope Chest should contain. Numerated on the interesting list were, quilts wool blankets, sheets, two pairs for each bed, pillow slips, goose feather pillows, bed spread, hooked or braided rug, 2 linen table cloths, serviettes, dish-towels, buffet sets, doilies, luncheon cloths etc. Then the timely suggestions on "The use of Cosmetics" given by Mary Champion gives the assurance that the Club girls will be more handsome than ever in the coming days if they follow the advice given.

Splendid reports of the Institute Annual Conference held at Guelph presented by the delegates, Mabel Reesor and Ruth Yeomans were also heard at this meeting. The roll call responded to by a favorite poetic gem and reading of the poem "What is so rare as a day in June" by Isabel Whittaker had an important place on the program.

NO UNEMPLOYMENT IN RICHMOND HILL

In conversation with The Liberal this morning Reeve J. A. Greene expressed himself as well pleased with the local employment situation. All our men have been getting a lot of work this spring and I think all are busy right now. This he said should be a big help to our relief problem as men now working steady should not be a charge on the municipality next winter. I hope, he said, that those who have had the misfortune to be dependent on relief in the past will profit by the experience and now that they are busy say something aside for the days to come when work may not be so plentiful.

OBITUARY

LATE MRS. I. D. RAMER

The community was saddened by the sudden passing of Mrs. I. D. Ramer on Monday afternoon, June 1st after a brief illness of about one week. Her death came as a great shock to her many friends and acquaintances as Monday morning her condition was reported as much improved, but the end came suddenly shortly after noon on that day.

A daughter of the late Mr. and Mrs. Thomas Sennett of North Gwillimbury, the late Mrs. Ramer was very well known not only in Richmond Hill but to a wide circle of friends throughout York County. A very active worker in the Richmond Hill United Church she was treasurer of the Women's Association, an officer of the Women's Missionary Society and a staunch supporter of all branches of church work. At a meeting of the Women's Association on Tuesday the following resolution was passed and forwarded to members of the bereaved family.

Moved by Mrs. Follett; seconded by Mrs. Wellwood that this Women's Association of Richmond Hill United Church places on record its keen regret at the passing of our capable and beloved Treasurer—Mrs. I. D. Ramer. We also express our appreciation of the many years of valuable service she rendered to our Church, as well as the Community. She was foremost in every good work, and untiring in every effort for the public weal.

We also desire to assure Mr. Ramer and family of our deepest sympathy, and pray that the God of all Comfort may comfort and sustain them in their sad and sore bereavement.

The funeral service which was private was held at the family residence Wednesday afternoon and was conducted by Rev. C. W. Follett minister of Richmond Hill United Church assisted by Rev. A. H. Halbert of Newtonbrook United Church. Rev. Follett paid sincere and glowing tribute to the life of the late Mrs. Ramer, referring to her work in her home as a wife and mother, as a member of the church where her services were so highly valued and appreciated, and as a member of the community always ready and willing to assist in any good work.

She is survived by her husband, Mr. I. D. Ramer, one son, Mr. Warren Ramer, and one daughter, Miss Marion Ramer, who have the sincere sympathy of the community in their bereavement.

A large number of floral tributes was evidence of the esteem and respect of a large number of friends and organizations which will miss her association. Interment took place in Richmond Hill cemetery, the pallbearers being, T. H. Trench, H. F. Austin, J. R. Herrington, A. E. Plewman, F. Hoover and J. E. Smith.

Monday night thieves were scared away from the farm of Frank Teasdale, Concord, and later caught and sentenced to reformatory terms. Mr. Teasdale and his hired man fired on the thieves and one of the men when caught had some buck shot in his shoulder.

ANNIVERSARY SERVICES AT UNITED CHURCH

The United Church anniversary services here last Sunday morning and evening were a decided success. This historic church celebrated the 56th anniversary and a large congregation joined in the worship at both services. In the morning the children of the L.T.E. & O. home were present and Brigadier Noah Pitcher of the Salvation Army, Toronto, preached an interesting and thoughtful sermon. The choir rendered two anthems "Go Not Far From Me" (Zingaretti) unaccompanied and "The Heavens are Telling" (Hayden) and Mr. Lauder Glass sang a tenor solo "I Will Lift Up Mine Eyes."

York Bible Class Orchestra referred to by Mr. Follett as the "orchestra which made Denton Massey famous" assisted in the evening service. The orchestra numbered about forty and they rendered four numbers which were much appreciated and accompanied hymn singing during the service. The choir sang a capella, "Hymn to the Trinity" (Ischaikowsky) and at the conclusion of the service the choir, organ, orchestra and piano united in the rendition of the Hallelujah chorus under the direction of Mr. A. Melecci which was a musical triumph. The entire musical program was a credit to the choir and its leader, Mr. Melecci, whose efforts made it possible.

PRESS SECRETARIES BE PROMPT!

The Liberal is well equipped to handle news matter for publication. It takes all week to set up the matter for the paper. Press secretaries should kindly note that reports of meetings held on Friday, for instance, should be in the printers' hands by Saturday, or not later than Monday. The last day or two before press day our machines are busy setting last minute news so that it is usually difficult, and sometimes impossible to handle press secretaries' budgets which should have been in the printers' hands several days earlier and which cannot be given precedence over later news. The late news must be handled if possible. In the rush of press day, items that should have been in hand earlier in the week are the ones that are left out.

EVERY COCKEREL 2 LBS. OR OVER AT 8 WEEKS

MRS. D. L. STOREY, R. R. 4, Simcoe, Ont., started 511 Bray Chicks—New Hamshires—this Spring. She raised 507.

The day they were 8 weeks old there wasn't a cockerel less than 2 lbs. in the flock. Many were over 2 1/2 lbs., some up to 2 3/4 lbs. Most of the pullets, were 1 3/4 lbs., some up to the even 2 lbs. And all were wonderfully well feathered.

This is the kind of growthiness and vitality you want in your June-hatched chicks. It brings the pullets into production while egg prices are still at the high levels — and gives your cockerels the kind of finish that commands top market prices. Bray chicks of other breeds are showing the same kind of thriftiness. It's results like this that are making Bray chicks increasingly popular. Our "end of the season" prices are very attractive.
