General News & Views

Another summer is well under way and still no action on the great need for adequate sidewalks on Yonge St.

It is a peculiar situation when it seems there is indifference to this great need except following some serious accident of fatality.

Relief recipients who are found to be driving cars in the summer except where they are employed to drive cars have no right to expect relief next winter, said Ald. J. G. Pack of the Orillia Relief Board.

The bread war waged in Midland for six months is ended. Bakers and chain store managers have agreed on an eight cent loaf. Previously bread was selling as low as four and a half cents a loaf.

We note where a motorist, charged with reckless driving, haughtily claimed that he had a right to break his neck if he wanted to—that it was his neck. Quite right! But unfortunately such guys break someone else's more valuable neck first—and usually escape unharmed.

"Judge," cried the prisoner in the dock, "have I got to be tried by a woman jury?"
"Be quiet," whispered his counsel.
"I won't be quiet! Judge, I can't even fool my own wife, let alone twelve strange women. I'm guilty."

Life Insurance—Money that a man provides for his widow and then borrows from her.

Bathing once a day may not go so far to make a man healthy but it will make him much more welcome.

When an automobile crashes into a train, it is obvious that the driver has been careless. All railroad crossings are marked and trains are neither small nor noiseless. The only explanation that can be supplied for such collisions is that the driver either tried to beat the train to a crossing or that his thoughts were not concentrated upon the operation of his motor car.

Towns move on to better things and win a place in the sun, not so much because of the powerful shoves of the big leaders, but largely because of the thousands of tiny pushes of the rank and file of the people. Every word of praise, every attractive home, every helpful act, every expression of faith in the future of your town is a forward shove. Hundreds of citizens doing and saying wrong things can destroy a town almost as can artillery fire. Hundreds of citizens doing and saying the right thing—the constructive thing—can cause a town to rise to new heights of greatness.

Referring to those on relief and the tendency on their part to get lazier as living is found for them, The Arnprior Chronicle appropriately says that "if the taxpayers in this town who complain and complain and who buy potatoes for those who refuse to grow them and who daily in summer months see masses of weeds growing luxuriantly in tillable soil, if these taxpayers could see men producing things for themselves in these vacant lots, these same taxpayers would feel much more amendable toward providing other necessities of life for those who are victims of the times."

Goodfellow was given the contract for supplying power to operate the Adams grader at a price of \$1.80 per hour which will include fuel, oil and operator. J. P. WAY BACK IN LIBERAL FILES

FORTY YEARS AGO
From our Issue of June 11th, 1896
Markham Lacrosse team has entered the Midland district, and will play its first game of the season with Uxbridge on Saturday, June 13. An extra attraction is provided in a junior game between Toronto Church St. Public School and Markham Public School. The first game is called at 1 p.m. and the championship game at 2.30. One admission for both games.

Messrs. Stokes & Blough, auctioneers, have received instructions from The Trusts Corporation of Ontario, administrators of the estate of the late H. Quetton St. George, of Oak Ridges, to sell by public auction on lot 7, 2nd concession Whitchurch, on Thursday, June 25th, the whole of his valuable stock of well bred horses, cattle, sheep and swine, in order to close the estate. This will be a good opportunity for parties desirous of obtaining first-class stock at reasonable prices, as all will be sold without reserve. Terms, five months credit on sums over \$10.00.

The annual excursion of the Wardens of York County was taken to Niagara Falls on Tuesday of this week. About 130 people consisting of county councillors and their wives, county officials and a number of friends left the Yonge Street at 7 a.m. by that beautiful steamer "Chippewa" and spent a delightful day.

THIRTY YEARS AGO

From our Issue of June 7th, 1906
Aurora defeated Newmarket yesterday in a league lacrosse match. The score was 4-3.

The cause of the burning of the Woodbridge Agricultural and Banqueting Hall is still a mystery. The loss is said to be \$3,000, insurance \$1,000.

Markham Township having gone back to the old system of doing statute labor, the council have made several changes in the by-law governing the same. Instead of being able to commute at 75 cents a day, \$1 must be paid; for each day's work with team, wagon or plough, \$3.50 is allowed instead of \$3, and \$3 for driver, horse and cart instead of \$2.50. Formerly each road overseer was allowed 7 days for the performance of the duties of his office; now he is allowed 15 cents per hour. A day's work now consists of 9 instead of 8 hours.

The double golden wedding of Mr. and Mrs. Robert Watson and Mr. and Mrs. Herbert Watson was celebrated at the home of the former at Kleinburg on Saturday afternoon last. There were 105 relatives present who with friends and neighbors, 230 in all, shared the hospitality of the two venerable couples.

BUTTONVILLE

About sixty-five friends and neighbors of Mr. Ross Hord and Miss Flossie Denby met at the home of Mr. and Mrs. Denby last Thursday evening and presented a shower to the young couple in honor of their marriage this week. If everyone did get their feet cold they did not mind, as the delicious hot coffee served before going home soon warmed everyone up.

The monthly meeting of the W.M.S. journeyed to Agincourt on Wednesday, June 3rd and met at the home of Mrs. (Rev.) McDonald. Preparations for packing the bale was discussed. After the meeting the ladies were shown out to the lawn and flower gardens and given a small shrub. Lunch was then enjoyed and the ladies proceeded on their homeward way each one happier for the memory of a pleasant afternoon.

Garden Party
Don't forget the annual strawberry festival to be held at the home of Mr. and Mrs. Cline Burr, 4th concession Markham on July 8th. It will be under the auspices of the Buttonville Women's Institute. A program in the form of a play called "The Purple Tantrum" will be given by Laskay Dramatic Club. This play has the reputation of being one of the best plays given by this club. The Institute extends heartiest invitations to one and all. Come and have a good supper and good entertainment.

There are two kinds of wives—those who boss their homes, and those people feel sorry for.

KING CITY

The Mission Band met on Saturday afternoon at the parsonage with a very large attendance. Mrs. McDonald (Superintendent for the Mission Bands of this district) was present and told interesting stories to the members. Miss Dorothy Armstrong played an instrumental and the Study Book was given by Miss Betty Walker. After the program the Band presented Miss Marguerite Dew (a bride of this month) with a book "The Green Light" for her services as Treasurer for a number of years. A birthday supper was served on the lawn to the children.

Miss Alice Ferguson gave an interesting talk on Africa at the Y. P.U. on Monday evening. Mr. Lawrence Follitt was in charge of the program. A presentation of a silver cake basket was made to Mrs. Moore (nee Audrey Gambrill) on behalf of the Society.

Monday evening a great noise and clang was heard at the north of the village the occasion being the Charivari of Mr. and Mrs. J. C. Dew.

The community was saddened to learn of the sudden death of James Murphy, who while working on one of the Great Lake Boats slipped from a landing Loo and was drowned in the Welland Canal early Saturday morning. Deceased was born in Ireland but came to this country eleven years ago and has always resided in this district. He was in his 26th year. Funeral took place on Monday from the residence of Mr. Isaac McQuarrie, Hope, where he made his home for years, with interment in King Cemetery, Rev. D. Davis conducting. His parents, who live in Ireland, survive, also one brother, Joe, who came to this country with his brother. We extend deepest sympathy to Mr. and Mrs. Joe Murphy.
