

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

The local branch of the Women's Institute inaugurated the picnic season with a splendid outing on Thursday afternoon last when thirty-seven members and friends enjoyed an afternoon's sport in Sabiston's Flats. The program arranged by the committee included games and a real campfire supper of bacon and eggs and steaming hot coffee.

Appreciation is expressed to the ladies who so kindly supplied the transportation and to the committee in charge that was responsible for the success of the event.

Mr. C. N. Hagerman who was well known throughout Markham Township and had a host of friends in this vicinity died at the Rose Middleton Nursing Home, Homewood St., Toronto on Sunday last following an illness of short duration after suffering a severe stroke seizure the week previous.

The son of the late Sinclair and Mrs. (Sarah Ann Chapman) Hagerman, he was born on the old Hagerman Homestead, Hagerman's Corners and resided there until retiring and moving to Toronto some fifteen years ago. In 1894 he married Isabel Duncan, daughter of Alexander Duncan of Markham, who along with two sons, Sinclair and Elwood Hagerman of Toronto, also a brother Ashford of Bowmanville, survive him.

The funeral service was held from Stone Funeral Home, Sherbourne St., Toronto. Interment was made in the family plot at Hagerman's Corners. Rev. A. E. Owen and Rev. Ferguson of Toronto, previously of Unionville, officiated.

Mr. Hagerman will long be remembered for his active association with the Methodist Church at Hagerman, where for many years he was the Sunday School superintendent and sincere sympathy of many friends in the vicinity is expressed to the bereaved family.

It was Christian Citizenship night at Central United Y.P.S. on Monday last when the guest speaker, Rev. Woodhouse of St. Andrew's United Church, Markham spoke on "The Modern Use of the Bible." The devotional period was in charge of Edna Rainey and Ethel Wain and Shirley Brown and Margaret Sanderson sponsored the meeting.

It is rumored that Mr. G. I. Hamby has purchased a 163-acre farm on Dufferin Street, 3rd Con. York which has been known as the John Patterson country estate. This is a most attractive property and boasts of several well stocked trout streams fed by spring creeks and 40 acres of valuable bush land. That Mr. Hamby plans to still reside in Unionville is good news to the many friends that he has made during his sojourn in this locality.

Death came suddenly to Miss Gladys L. Milner, eldest daughter of Mr. A. E. Milner at St. John's Hospital, Toronto when thought to be making a favorable convalescence following an operation. Miss Milner was born at Port Perry and educated at Brighton, coming to Toronto 18 years ago. During that time she has been continuously associated with the Canadian National Express and her happy optimistic disposition won her a host of friends in all her life activities. She was an active member of the United Church, the C.B.R.E. and the Roun' Towners Club.

The high esteem in which she was held was evidenced by the splendid tribute paid to her memory by the kindly acts of many friends and the numerous beautiful floral tributes received.

Funeral service was held on Monday afternoon from the residence of Mr. A. E. Milner and interment took place at Pine Grove Cemetery, Prince Albert. Six cousins acted as pall bearers. Rev. A. E. Owen officiated.

Mr. A. E. Milner, her father, one sister Miss Alice Milner and an aunt Miss Parliament of Toronto survive her.

Bowling activities are in full swing. The weekly ten cent tournaments commenced on Wednesday evening last and the social evening when all locally interested fans are expected to attend will be held on Friday evening. Judging from the enthusiasm shown, a promising season is scheduled for the club.

Garden lovers would find it worth while to pay a visit to Unionville

just now. The well kept vegetable plots "a promise of ample winter supply of food and the artistic flower arrangement adds real beauty. Special mention might be made of the garden of Mrs. N. Ogden which is well worth a visit at the present time and for those not familiar with the location it is found one block north of No. 7 Highway and two blocks west of Main Street. The C. N. R. station grounds too, under the expert care of Mr. R. Myers are as attractive and should continue so as the season advances. The influence of the Horticultural Society coupled with work of the committee have changed these grounds from a weedy plot to one of the beauty spots of the district. The well kept grounds of Mr. D. Harrington adjoining and many others are also worthy of your attention. Pay a visit to Unionville Gardens, the owners will appreciate the interest shown and the interchange of this sort of friendliness is good for the soul. Forwith, "The kiss of the sun for pardon, The song of the birds for mirth, One is nearer God's heart in the garden, Than anywhere else on Earth."

It will be a big day for the Junior Farmers organizations on Friday next when the annual picnic will be held at Musselman's Lake. An intensive and most attractive program of sports has been arranged and the outing promises to be the best ever. So, pack up your lunch basket and join your good time regalia and join this happy crowd of young folk and if not already a member see to it that your name is enrolled promptly.

The Y. W. Auxiliary of Knox Presbyterian Church held a delightful event at Rowanwood the home of Mr. and Mrs. C. A. Hood, Milliken, when twenty-four members of the W.M.S. Auxiliary of Knox Presbyterian church, Toronto were entertained by this organization to a delightful supper. The visitors were a jolly crowd arriving by chartered bus and visiting gardens enroute. The lovely grounds of Mrs. W. Milliken Smith made a delightful setting for the picnic meeting of the W. A. of Eaton Memorial Church, Toronto on Wednesday afternoon last. Appreciation was expressed by the ladies to the genial hostess who had made them so welcome and had made possible the delightful outing.

Congratulations of many friends are extended to Mrs. Aaron Coulson upon the recent honor bestowed upon her son Prof. John Coulson by the Faculty of MacDonald College, Ste. Anne de Bellevue, in recognition of valuable research work in connection with plant diseases. The honor included promotion to higher position on the Staff and a substantial raise of salary. Prof. Coulson's success should be an incentive to Unionville youths in the planning of a life career, that reward only follows the diligent pursuance of our allotted tasks.

Letters From The People

POOR OPINION OF RICHMOND HILL ROAD WORK
June 6th, 1936

Editor, The Liberal
Sir:—
A few weeks ago you stated in your paper that the streets had been scarified and that the roads were now in excellent shape. Now Mr. Editor if the present state of our streets is excellent, I'd hate to travel them if they were terrible. I certainly would suggest that the roads committee or whoever is in charge of the department of council looking after our streets take a special course in the care of roads. I think in many ways we have a splendid council but whoever looks after the roads made a mess of them this spring. They are so rough with all those stones on the top that every time I go out I think I have a couple' of flat tires.

SUGGESTS SEATS AT PARK
June 8th, 1936

Editor, The Liberal
Sir:—
I read with satisfaction that the council intend to go ahead with the improvement of the park and that the part now broken up is to be levelled and seeded. It is a splendid sight to visit the park any of these evenings and see the lacrosse activities in the rink, the children enjoying the playground and the young folks on the softball diamond.
I would suggest that some seats would now be a very welcome addition to the park which is rapidly becoming a real asset to Richmond Hill.

W. I. ANNUAL CONVENTION
The District Annual Convention of the Women's Institute is being held at Victoria Square, Wednesday, June 24th. First session starts at 10.30, afternoon session 2 o'clock D.S.T. Luncheon served at 12.30 at the same price as in former years. An invitation is extended to all members of the Institute to attend this Convention.
WEDDING
HORD-DENBY
Brown's Corners United Church was the scene of a very pretty wedding on Wednesday evening last when Flossie Ann, daughter of Mr. and Mrs. Robert Denby, Lot 3, Con. 4, Markham, was united in marriage to Mr. Isaac Ross Hord of Aniber. Rev. W. D. MacDonald officiated.
The floral decorations of the church were of unusual beauty, with standard bouquets of sweetheart roses and blue delphinium, the altar bouquet being entirely of roses. The wedding music was played by Miss Dorothy Brown, who wore blue organdie with matching hat.
The bride was lovely in a pretty jacket frock of white organdie, made on fitted lines, and wearing large hat of cellophane and carrying a blue cornflower bouquet. She was attended by her sister, Miss Ada Denby who was gowned in Daffodil yellow organdie made on similar lines, and wearing matching mohair hat and bouquet of yellow and white daisies. Mr. Stanley Fierheller was groomsmen. The ushers were Arthur Denby, brother of the bride and Bruce Wood of West York, cousin of the groom.
At the reception held at the bride's home following the ceremony the bride's mother received the guests wearing a gown of navy and white flowered chiffon and the groom's mother, Mrs. Hord, assisted wearing gray chiffon with white accessories.
The happy couple left later by motor for Niagara Falls, the bride travelling in a Lobster shade knitted suit with white accessories. On their return Mr. and Mrs. Hord will reside at Aniber.

SPORTS

(By "Bunny" White)

On Thursday, June 4th Harry Trowell's O.P.W. Colts journeyed to Unionville to play the Silver Streamers of Headford in their first league game of the season. The local crew left home with the utmost confidence of an easy victory but when they took the field they were surprised to see the Silver Streamers trot out as pitcher an old friend and opponent in the person of Jack Madill of Lansing. Supporting Madill the Silver Streamers had a very select group of softball performers. Madill who pitched a two hit game was much too strong for the Paint boys and the final score was Silver Streamers 6, Richmond Hill 0. When these two teams meet in Richmond Hill the fans can expect a smart game.
The teams were: Richmond Hill—J. Cfean, cf; B. Buchanan, 2b; J. McLean, rf; R. Brown, 3b; A. Crean, c; S. Young, 1b; G. Stong, p; J. Hart, lf; A. Stong, ss.
Silver Streamers—D. Palmer, rf; C. C. Mabley, cf; B. Trotter, 3b; R. Sayers, ss; J. Madill, p; G. Cummings 2b; H. Ecklin c; H. Hendricks, rf; S. Ball, 1b.

Harry Trowell's Paint Boys won their first game Monday night defeating Milliken 8-4.
The game was well played by both teams and the fans had many opportunities to applaud good plays by both sides. J. Crean and Bill Buchanan hit home runs. Ted Bennett had 9 strike outs.

The umpire, "Pug" Harding, was the target for foul balls, getting hit in the mouth by one. The line-up is Milliken—Rattle, Cole, Cosburn, Virtue, Rose, Simpson, Gough, Whitaker, Webb, Harding.
Richmond Hill O.P.W.—J. Crean, J. Mabley, Buchanan, Bennett, A. Crean, G. Stong, A. Stong, J. Hart, J. Koning, J. McLean.
The fans are asked to watch the sign board for this week's games as the schedule is mixed up.

Silver Streamers	2	2	0	4

Lacrosse
Marlboro Jrs. played Richmond Hill Jrs. an exhibition game on Saturday night. Marlboro Jrs. won 10-6.

The Marlboro team was much heavier than the Hill Jrs. who played a very good game against a fast passing team. Marlboros, who have had a lot of practice and a series of exhibition games, as many as 4 games a week, had a hard battle to win from "Mal" Maltby's boys, who when they have had more practice will make the best of teams step.

The Lacrosse fans will do well to keep in mind the schedule games to be played as all these games will be well worth seeing.
Saturday, June 13th Richmond Hill Intermediates play Islington at the arena. This promises to be one of those ding dong battles of old. Islington have a very fast team and Manager Harding claims his boys will gather 2 points for a win on Saturday night to get even for the defeat by Islington on June 2nd.

Roden A. C. Jrs. are playing their home games at Richmond Hill arena. Their first game is Monday night, June 15th.

The opening junior schedule game was played here Wednesday night when Orilla won an easy victory from the local Cities Service team by a score of 16-4. The experienced and more finished playing of the visitors gave them an easy margin over the locals who were also outweighed by their northern rivals. However the boys are not down-hearted and with a little more practice they hope to give the best in the league a real argument. The local line-up included: Mabley, Buchanan, McKenzie, Morrison, Palmer, Perry, Trotter, Benvall, Hall, Graham, Pollard and J. Mabley.

"Me for Bray's from now on!" says E. Wright
"IT TAKES some real going to beat Bray stock," writes E. Wright of Islington. "There is no comparison between Bray's and other chicks. Me for Bray's from now on!"
Mr. Wright holds this strong opinion because of his experience with 200 Bray New Hampshire chicks which he got on March 14 this year. He lost just 2 out of 200, and how the others grew! At 9 weeks he sold 10 cockerels, and they weighed 81 lbs., over 3 lbs. apiece at 9 weeks!
"I never saw chicks grow like these, or look as good," Mr. Wright reports. This is the kind of growth that gives you November eggs from June-hatched pullets — or prime roasting chickens for the fall markets. At our special "end-of-season" prices, you can get into this money making stock for a very low investment. Come in—phone—or write.
