

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

Overhearing a discussion regarding the difficulties encountered in the growing of peonies, we beg to refer to an article in the July number of the Country Gentleman entitled "Making them bloom" and written by Romaine B. Ware. The writer states that whether or not that peonies bloom depends on when they were planted; where and how they were planted and were they good quality kinds. Fall is considered the satisfactory time to plant. Roots are dormant then and may be divided and transplanted easily. Spring planting usually means handling after the growth has started and frequently results in serious shock to the plant. Never dig or move a plant except very small ones without dividing. Don't buy large clumps and plant for immediate effect. Seldom they are satisfactory. Always plant recognized quality varieties. Peonies are not particular to soil but bloom best when planted in full sun and must have good drainage, planting where roots of trees do not rob the soil. Do not plant too deep. Place them with the eyes or buds not more than 2 1/2 or 3 inches below the surface. Flowerless stalks often the result of too deep planting. Plant three to five buds in a place and do not expect bloom for three years. The reading of this complete article is recommended to gardeners as information on other varieties of flowers is given as well, including wisteria, lilacs etc.

Announcement is made of the annual Horticultural Society picnic to be held on Thursday, June 25th to Exhibition Park where the International Peony Show is in session, many thousands of the world's best peonies being on exhibit. Transportation will be arranged for those not having a way to go. Plan to attend.

Mrs. James Mowbray of Glenburn Farms received word recently of the death of her mother Mrs. Margaret Bennett in Portobello, Edinburgh, Scotland. Mrs. Bennett had been an invalid for three years, a stroke seizure being the immediate cause of her death. She was in her sixty-eighth year and an Episcopalian. Surviving her are seven daughters, one in England, one each in New Zealand, Australia and Canada and three in Scotland.

There were fifteen in attendance at the June meeting of the Live Wire Girls Club that met at the home of Mrs. George Carr. Rev. A. E. Owen was the guest speaker. The July meeting will be held at the home of Mrs. Ernie Appleton and the annual Picnic is planned for August.

Word has been received here of the death of Mr. Wm. Monkman at the home of his son George at Medicine Hat, Alta. on June 2nd. Mr. and Mrs. Monkman resided in Unionville for many years and had a host of friends in this vicinity. They went to Medicine Hat in 1934. Mrs. Monkman predeceased him in July of that same year. One son George and two grandsons survive them.

Unionville is now equipped with adequate water supply in case of fire outbreak another water tank being installed just off Main St. near the central part of the village. This makes three now located in the various village districts. Along with water supply to be obtained from the nearby streams this should give ample protection. The equipment

has also been put in first class condition and the village trustees are to be congratulated on the improvement, a considerable advantage over the old system.

We regret the scarcity of news for our column this week, things just didn't happen, that's all. Rev. A. E. Owen and Chris Kennedy motored to Timmins on Wednesday.

SPORTS

(By "Bunny" White)

Richmond Hill O.P.W. defeated 6th Line on Monday night 9-6.

The game was well played by both teams. The pitchers allowed lots of hits and the fielders had lots of work to do which makes an interesting game from spectators' point of view.

The line-up: O.P.W.—S. Mabley, B. Buchanan, S. Young, T. Bennett, A. Stong, J. Koning, G. Stong, J. McLean, J. Hart.

6th Line—L. Lehman, C. Lehman, C. Ratcliffe, B. Gayman, M. Clendenning, H. Wideman, K. Wideman, L. McArthur, J. Heart.

On Monday, June 22nd the famous Silver Streamers play O.P.W. in the Park. The fans can be sure that this will be the game of the season. The Silver Streamers with their all-star line-up are at present setting the League on fire with an unbroken string of wins.

MARKHAM TWP. SOFTBALL LEAGUE

Table with columns: Teams, P, W, L, P. Rows include Silver Streamers, Milliken, Richmond Hill, Victoria Square, Unionville, Sixth Line.

Scheduled Games for Week Coming

Thursday, June 18—Victoria Square at Silver Streamers. Friday, June 19—Unionville at Sixth Line. Saturday, June 20—Milliken at Unionville (to be played at Victoria Square). Tuesday, June 23—Silver Streamers at Richmond Hill. Wednesday, June 24—Milliken at Victoria Square.

Lacrosse

Islington defeated Richmond Hill 10-4 on Saturday night.

The Islington team are a very good team both individually and as a team, their passing game having the Young Canucks bewildered at times.

The Young Canucks showed up very bad on their passing game and must realize that to play Lacrosse needs lots of practice. All their shots were right on the goal keeper's pads and were easy to stop. Alf Stong in the R. Hill nets played well and the defence showed up well.

The highlight of the game was the checking of Jack Campkin by Harold Weese. Campkin with all his pads on looked like a mountain beside Weesie but Harold watched him carefully and the crowd was in an uproar the whole time they were out there because it looked as if Campkin just had to blow his breath and the size of him would have knocked Weese over.

The Young Canuck line-up—Stong, Hart, Johnson, Morrison, White, Harrington, Buchanan, Carr, Young, J. Miller, Castator, Weese.

"Rusty" White of Fergus attended the game Saturday night and it was all he could do to keep from putting on his pads and going out there and getting in the play.

Is the Town League going to start this year? That is what the fans are asking. Maybe a game for the youngsters could be put on before the League games.

Monday, June 22nd Brampton Jrs. play Richmond Hill Jrs. Game starts at 8.30 p.m.

Richmond Hill vs. Swansea Young Canucks lost the dust fight at Swansea Tuesday night 5-3. Swansea grounds are covered in dust about 2 inches deep which made finding the ball very difficult, and the ball was over the fence most of the game delaying the play a great deal.

Young Canucks played a better game of Lacrosse and had most of the play but did not cover the home men well enough and Swansea made the most of their opportunities.

Guy Harrington received a bad cut on his head but insisted on finishing the game. Bill Buchanan was high scorer with 3 goals and Alf Stong played a good game in goal.

The Young Canuck line-up: Stong, Hart, Johnson, Morrison, White, Harrington, Buchanan, Carr, Young, Miller, Castator, Weese.

The Lacrosse fans missed one of the best games played in the Arena for a long time when they passed up the Roden A.C. and Brampton Jr. game.

Roden won the game at Brampton and Brampton came determined to even it up and for 3 periods it looked as if they would. They were leading 8-5 at the end of the 3rd quarter. Roden A.C. were playing a very good game of Lacrosse but couldn't seem to beat Burrows in the Brampton goal who was playing a wonderful game.

The 4th quarter started and so did Roden. Their passes were quick and sure and although Brampton were checking like fiends they tied the score and then went out in front and won the game 10-8.

The game was wide open and not

many passes were missed by either team and the checking was just heavy enough to keep the fans in an uproar all the time.

The fans will do well to watch this column for future dates of this Roden team because they play good lacrosse and are a good bunch of sports. The line-up was:

Roden A.C.—Walke, Airy, Bell, Phillips, Ghint, Rhinehart, Stead, Smallman, Crew, Davis, Bird, Parker, Bott.

Brampton — Burrows, Warman, Teasdale, Nixon, Cooke, Coates, Burke, Arthurs, Thompson, Ellison, Kellam, Couton, Crichton.

"Rusty" White Leads O.A.L.A. Scorers

"Rusty" White formerly of Richmond Hill Young Canadians, now with the Fergus team is to-day the leading scorer in the senior O.A.L.A. Rusty so far has scored 12 goals and had 18 assists to give him a total of 30 points. His nearest competitor is Fitzgerald of St. Catharines with 27 points.

HERE'S PROOF BRAY PULLETS LAY AT 5 MOS. C. H. WINGER, R.R. 1, Ridge-way, got 154 Bray New Hampshire baby chicks on January 7. He raised 153. By the last week of May, when they were still under 5 months old, his pullets ranged from 5 1/2, 6 3/4 pounds. And they were LAY-ING. They had vitality—only 1 died out of over 154. They grew fast and developed fully before laying, AND they were laying at 5 months. Hatched in late June or early July, and properly handled, birds of that kind—the Bray kind—should be laying in November or early December—with plenty of size and stamina to stand heavy winter production. At our special "end of season" prices, you can get into this money-making stock with a very low investment. Come in—phone—or write. Fred W.
