### VICTORIA SQUARE

The young people who presented the one-act play "And He came unto His Father" at Ravenshoe last week report a most appreciative audience and a very enjoyable evening.

This year Victoria Square Garden Party managed to fall in the midst of haying and the afternoon crowd was rather reduced. Mr. L. L. Nicholson's school were champions in the junior ball game holding their cup for another year while Miss Montmorency's school were runners-up and carried home second prize. Unionville mixed ball team won first prize in the afternoon with Victoria Square second and in the evening Victoria Square men's team were victorious in the challenge games with Unionville and Milliken. The usual good crowd gathered for the evening entertainment and in spite of the chilly atmosphere all was silence for the play "Lena Rivers" which was voted best yet as regards a Victoria Square performance and the Garden Party concert.

Sunday services were also a bright spot in the season's work with Rev. W. McDonald of Agincourt and Rev. Anderson of Woodbridge bringing splendid messages while the junior choir and the choir from Wesley gave fine music.

Many former Victoria Square folk were on hand for the occasion also friends from the surrounding charges. Victoria Square mixed ball team suffered defeat at the hands of Temperanceville team on Monday evening following the social at the church lawn. Never mind folks victory may be important but there are other things more so we hope to both Victoria Square and Temperanceville.

Victoria Square boys' team have their ups and downs losing to Silver Stream last Thursday and winning from Milliken on Wednesday evening.

Members of the J.W.I. had a busy day on Wednesday when they entertained the seventeen branches of East York at the annual meeting for the district. Dinner was served to one hundred and twenty guests and supper to seventy-five, both meals

being much enjoyed and appreciated. Splendid reports were given and the business for the district conducted with officers elected for another year. Some fine musical numbers were provided by Highland Creek branch.

It never rains but it pours and on Wednesday evening the ladies met at the home of Mrs. Hart to entertain Greenwood W.A. The visitors provided a very good program with a reading by Miss Rutledge, a saxophone solo by Miss Alice Pegg, a solo by Miss Zorah Gee, a trio, a reading by one of their juniors and a fine talk by Mrs. Gee. During the business session plans were made for the community picnic at Ratcliffe's picnic grounds the middle of July.

Several from this district have enjoyed the Strawberry Festivals at Teston and Headford.

Quite a number from this district attended Miss M. McCague's trousseau tea in Toronto Tuesday evening.

### HOW TO MAKE ICED TEA

Infuse six heaping teaspoons of Salada Black Tea in a pint of fresh boiling water. After six minutes strain liquid into two-quart container. While hot, add 1½ cups of granulated sugar and the juice of 2 lemons. Stir well until sugar is dissolved, fill container with cold water. Do not allow tea to cool before adding the cold water; otherwise liquid will become cloudy. Serve with chilled ice.
