YOUR CHANCE-- END-OF-SEASON BRAY PRICES AT our special "end-of-season" prices you can get into the famous money-making Bray stock at very low investment. And since chicks now require a minimum of fuel and care, you can raise them very cheaply. Today's hatches are from identically the same stock as our earlier hatches—the same careful selection of eggs, the same skilful incubation and packing, the same vitality and stamina. Here's what a Bray customer on Michipicoten Island, in Lake Superior, writes to us about his flock of June-hatched 1935 chicks: "I purchased chicks from your hatchery on June 25, 1935. On Jan. 20, 1936, out of 165 pullets I got 119 eggs, most of them weighing 24 ounces to the doz. I figure this is fairly good." Fairly good? Yes. Over 72 per cent. production of mostly A-Large eggs. (And the January wind blows cold off Superior!) But it's no more than scores of other Bray flocks have done. We'll be closing soon. Come in, 'phone, or write.

CAMP AHSHUNYOONG Under the auspices of the North York Boys' Work Board. The Boys Camp will open this year on July 9 for 10 days. This is the finest opportunity you have of giving your boy a good holiday at an ideal spot, under capable leadership at the minimum of cost financially. Boys from 9 years of age to 19 camp together and it is one of the most profitable experiences of boy life. There will be 6 leaders, trained in the special responsibilities of Camping. A qualified married couple supervise the cooking, and the meals are plain, wholesome and plenty of them. The Program provides plenty of time for water events. Bathing, Swimming and Life-saving are conducted under most careful supervision, and under Leadership endorsed by the Royal Life Saving Society. Interest groups will provide handicraft that will appeal to boys young and older. Tuxis and Trail Ranger program provides for the winning of badges in many activities of camp life. The Camp orchestra appeals to every boy who has an instrument, bring it along. We have a piano, a good pianist and song leader and count on this as being one of the happiest periods in camp. There is something different about a Bible Study Group out under the trees where everybody feels and acts natural. Where you can ask questions without any feelings of embarrassment, for we are all sharing the problems of boy life. Camp fire and sunset services bring thoughts of life that help largely in the moulding of a richer character and make Camp life invaluable to every boy. Send your boy, or some boy to Camp—Duclos Point—July 9-18.

Letters from the People

PROTEST SCHOOL OPENING ON KING'S BIRTHDAY Richmond Hill, June 23rd Editor of The Liberal

One can readily understand why disloyalty and disregard for law and constituted authority is becoming rampant in our midst when our public bodies disregard proclamations and statutory holidays. I feel as a loyal British subject that the members of the Richmond Hill School Board should be ashamed in allowing our public schools to remain open on His Majesty's first birthday or the Throne. Our school board from time to time do many things that cause one to pause and wonder but to disregard Royal Proclamation has it all beat. One need not be surprised one of these days to hear that Tim Buck has received a certificate of merit. Long live the King. PARENT-VETERAN SUGGESTS ROAD IMPROVEMENT Editor of The Liberal

A few weeks ago a correspondent in your columns complained about the condition of our village street. I must agree with the writer of that letter that the expenditure this year was largely wasted. The parts of the streets which were not touched are better than those on which the money was spent. I might suggest that the road commissioner have a bee and rake off all those stones now laying on the top. DISGUSTED. Muriel.

SPORTS

(By "Bunny" White)

Bennett Wins His Own Game Ted Bennett, O.P.W. pitching star, won his own game against Silver Stream Monday night by connecting with two of Jack Madill's offerings for 2 home runs. The first came in the first inning where "Benny" realized the batter's dream of a home run with the bases full, the second one in the fifth inning with Steve Young on base.

Silver Streamers are a classy bunch of ball players and at present it looks like nip and tuck between them and O.P.W.'s for the championship.

The game was well played by both teams smart plays keeping the large attendance of fans on their toes.

Both pitchers were hit hard and often and infielders and outfielders had plenty of work to do to keep the score down. The final score was Richmond Hill 8, Silver Streamers 6.

The line-up—Richmond Hill O. P. W.: J. Crean, B. Buchanan, S. Young, T. Bennett, A. Crean, G. Stong, A. Stong, J. Koning, J. Hart, J. Mabley.

Silver Stream: Madill, Cummings, Echlin, Ball, Trotter, Sayers, Hendricks, C. Mabley, Weaver, Harris. Umpires—C. Graham, C. Ellicott.

Silver Stream defeated Victoria Square 7-1.

This game was a hard game for the Square to lose as they held the Streamers to a tie score 1-1 to the 5th inning when C. Mabley broke up the ball game with a home run with 2 men on bases.

Penalties Lose Game

Penalties paved the way for Brampton Jrs. to defeat Richmond Hill Jrs. 8-5 in an exciting game of Lacrosse Monday, June 22nd.

Under a new coach Richmond Hill presented a different team than the fans expected. There was more team play and more finish around the nets and if it hadn't have been for the needless penalties they would have won the game.

For Richmond Hill Berval in goal and Bill Buchanan were stand outs. Berval, who was a defence player before, made many remarkable stops and should improve with experience, Buchanan with 4 goals played a strong game both offensive and defensive.

For Brampton Cox in goal played a remarkable game stopping shot after shot that had goals labelled all over them. The rest of the Brampton team played well.

The line-up—Richmond Hill Cities Service: Berval, McKenzie, Morrison, Findlay, J. Mabley, L. Mabley, Buchanan, Welles, Trotter, Hall, Graham, Pollard, D. Palmer.

Brampton: Cox, Arthurs, Ewles, Creighton, Thompson, Nixon, Coates, Teasdale, Cook, Cowton, Kellam, Ellison, Burrows, Payne.

Referees—Anthony and Harding.

Richmond Hill Jrs. play Roden A. C. Thursday, June 25. This game promises to be a standout as Richmond Hill Jrs. are playing a much improved game of Lacrosse.

Streetsville play Young Canadians at the Arena Saturday night. Young Canadians on their showing on Tuesday when they played East York are sure to give the fans a run for their money.

Intermediates Lose

East York defeated Young Canadians 10-9 Tuesday, June 22nd at Cosburn Park.

Young Canadians playing much better lacrosse had the better of the play all night, but East York scored 3 lucky goals on Alf Stong. Buchanan who was playing his second consecutive night of Lacrosse scored 5 goals. Bill may be small but he is a mighty smart goal getter. Guy Harrington with 3 goals, Mel Morrison with one goal were the other marksmen for Young Canadians.

Len Smith refereed a good game of Lacrosse and the O.A.L.A. is to be congratulated on the ruling that all cross checking and slashing is to be penalized and that the ball must be played and not the man.

Young Canadians line-up—Alf Stong, Castator, Evans, Young, J. Miller, Buchanan, G. Stong, H. Weese, C. Mabley, Morrison, Harrington, Carr.
