GERMAN MILLS SECTION HONORS RETIRING TEACHER

Miss Jean Reaman Recipient of Presentation and Address—
Her Work As Teacher Highly Praised

About thirty-two members of School Section No. 2 Markham (German Mills) gathered at the home of Miss Jean Reaman on Saturday evening, June 27th to present her with twin travelling cases and to show their appreciation for her work during the past 6 years. The chairman of the evening, Mr. Wesley C. Gohn called upon Mrs. Robt. A. Giles who gave several pleasing solos and Miss Ruth Gohn who very ably recited. This was followed by the reading of the address by Mrs. J. C. Russell and the presentation by Miss Ruth Carson and Master James Tooley. Miss Reaman then thanked all for their kindness and gift. A few of the men folk present were then called on for speeches, after which all joined in some singing. Refreshments were then served which brought an enjoyable evening to a close, with many thanks to Mr. and Mrs. Reaman for their hospitality. The address read was as follows:

as when one casts a stone into a lake the circle grows larger and larger until they reach the farther shore. In asking you to accept these little gifts as a mark of our appreciation we wish you to think of them, so packed full with our good wishes. If at any time you wish to pack up your troubles etc. we supply the bag. Miss Reaman you carry with you the very best wishes of this Section in your future work. We shall follow you with our interest, we shall rejoice with you in your successes and sympathize with you in your difficulties. We pray that God's richest blessing will be yours. Signed on behalf of School Section No. 2.

Stiver Family Re-union Held At Unionville

Wednesday was a gala day for the Stiver Clan when the re-union was held at Crosby Memorial Park, Unionville. The delightful weather conditions made possible a large attendance that came from Mt. Albert, Stouffville, Aurora, Newmarket, Sutton, Toronto, Markham, Unionville and surrounding district. Bountifully laden tables were set in the rink building where approximately 200 people partook of delightful repast. The varied program arranged for the afternoon gave special enjoyment and included sports, baseball, races etc. The horseshoe pitching contest for the Stiver championship was popular. Ed. Stiver, Mt. Albert and R. L. Stiver, Unionville winning the honors with F. L. Stiver and Robt. Stiver runners-up. All report an especially enjoyable day and the dance in the evening in the rink brought to a conclusion the happy association.

During the afternoon special honor was paid to Miss Arabella Hemingway who had the honor of being the eldest representative in attendance with Mrs. Leaters a close second. A lovely flower vase was presented to Miss Hemingway.

A very welcome guest was Mr. A. J. H. Eckhardt who presented a beautiful silver cream and sugar tray for a lucky draw to the ladies. Mrs. E. J. Stiver held the winning number and Mr. Eckhardt, in his usual happy manner, made the presentation.

It is interesting to note the historical romance of this family, who by their industry have added greatly to the successful development of Markham Township.

In the year 1792, Joe Stiver, dissatisfied with the high taxes and religious ties that he was forced to live under in Hanover, Germany, decided to migrate to a new world and set sail for U.S.A. arriving in Philadelphia after thirteen weeks voyage. This was the beginning of the migration of sixty-four families that planned to locate in the Putney Settlement of New York. John Graves Simcoe, then Governor-General of Canada desirous of bringing sturdy German settlers to Canada, offered free land and in the face of great difficulties they made their way to Markham, following the Hudson River up the Genesee Valley around the end of Lake Ontario and thence to Markham.

There were no roads and supplies had to be procured from the South of the Lakes. Some few articles could be got at Niagara but nearly everything they required was brought from New York State.

Wm. Berezy, the leader of the expedition had previously supervised the building of a road from Philadelphia to Lake Ontario and now again under his supervision a wagon track was blazed through the forest from York (now Toronto) to Markham, which winding through the trees marked the beginning of Yonge Street. Over this primitive road they set out with their families and household effects.

Their wagons were made of matched lumber, caulked at the seams so that the wagon box really formed a boat. When the expedition came to a stream that could not be forded the box was lifted off the wagon gear, reloaded and towing the gear behind it was floated across the stream.

The Don and Humber Rivers were safely crossed in this way.

John Nicholas Stiver took up land on Lot 20, Con. 5, Markham and received the Crown Patent for the farm in 1804. This farm of one hundred acres has always remained in the Stiver family and is at present owned by F. L. Stiver.

The families settled principally in Markham Township and nearby centers and while found in all walks of life have been especially active in the Agricultural development.

And so Wednesday's celebration closes a chapter and yet opens another in the interesting life story of an interesting people. May they have many more such happy re-unions.
