New economics: Let everybody charge too much and loaf if he can't get his price.

SPORTS

(By "Bunny" White)

Before a very poor crowd of fans Roden defeated Richmond Hill Jrs. 5-2.

The game was sparkling throughout with many good plays by both teams. Rodens being the bigger team were able to use their weight and height to the better advantage. Their goal keeper was unbeatable on most shots stopping some that seemed almost impossible. Phillips with two goals, Airey, Stead and Parker were the goal getters for Rodens.

Richmond Hill played a good game, much improved from their former ones. To pick any individual star would be a hard job as they all played well but were outlucked by Walker in goal except Buchanan who scored 2 goals.

The line-up—Richmond Hill Jrs.: Benval, Buchanan, Pollard, McKenzie, Pindlay, Hall, J. Mabley, L. Mabley, Trotter, Wells, Morrison.

Roden A. C.: Walke, Airey, Storey, Groves, Bell, Phillips, Farmer, Bird, Parker, Rinehart, Stead, Crew, Davis, Bott.

What is wrong with attendance at the Lacrosse games? Is it that the price is too high? The boys are putting up a good game and getting no support. Maybe if the price was dropped to 15c. and 10c. the boys would have more people come out to cheer them, as there is nothing more disheartening than to play to a poor crowd and then most of that crowd with the visiting team. The Arena management and the clubs would do well to give this matter some thought.

Roden Jrs. play Barrie in the Arena Wednesday, July 8th. This game should not be missed.

Streetsville defeated Young Canadian 15-6 in a fast well played game.

Young Canadians who have yet to field a full team, were minus Stong in goal and their star goal getter Buchanan. Hart played goal and did not make many mistakes and the defence with the exception of Evans was not any too strong.

Streetsville played a good strong game and are one of the strongest teams in the League. The line-up: Hart, Evans, Miller, Castator, Harrington, Morrison, Ellicott, Weese, G. Stong, Young.

Lacrosse fans who like Lacrosse would do well to take in the Senior games that Mimico play at Maple Leaf Gardens.

SOFTBALL

Friday, June 26 O.P.W. defeated Sixth Line 13-5.

Monday, June 29th O.P.W. defeated Unionville 19-3 in a game that resembled cricket more than softball as far as the score was concerned. In winning this game the O.P.W. created some kind of a record for high scoring.

Rolph Clarke Stone Ltd. defeated Silver Stream in a well played game 7-4 on Saturday, June 27th.

Richmond Hill intermediates lost a schedule game to Victorias Wednesday night.

Richmond Hill men's softball team won second prize at Newmarket on Dominion Day, losing in the finals to Leaside.

In a Markham Township league schedule game Silver Streamers defeated Sixth Line by a score of 9-4.

TESTON

Mr. and Mrs. J. Bishop, Weyburn, Sask., motored to Ontario to visit relatives and friends. Mrs. Bishop was formerly Miss E. Grey of Teston. Miss Dorothy Castator now has a position at the Sick Children's Hospital near Thistleton.

Miss Jean Lamb, Toronto, is spending her vacation with Mrs. F. Piercy.

Mr. and Mrs. Frank Routley and daughter, Mr. and Mrs. Fred Routley and Master Donald of Toronto were visitors with Mr. and Mrs. Alex McDonald Sunday.

Mr. and Mrs. Walker Jr. and Billy, Toronto, visited with Mr. and Mrs. Boyd and Mr. and Mrs. W. R. Wilson Sunday.

Was Teston on the map last Saturday evening? You just bet it was. Many said it was like Teston a few years ago.

Sixteen friends of Mr. and Mrs. Raneshbottom motored from Toronto to spend the evening. Among the number seven of the boys and girls brought their violins and ukes. For over an hour they entertained in music and song, and there was a crowd to listen to this excellent program.

After this session of music every one went down to the home of Mr. and Mrs. Roy Cooper, just home from their honeymoon and welcomed them back. Our friends from Toronto made the charivari a merry one with their music. And they enjoyed the charivari it being the first time they had attended such an event.

We would like to add that the seven who entertained are members of an organization known as The Calathumpians, numbering forty-two members when the season is on. They give concerts during the fall and winter months and are available to any who wish entertainment. They will always be welcome here.
