TESTON

Late Jeremiah Piercey
On Wednesday morning, July 1st, there passed away one of Teston's oldest and most highly respected residents, Jeremiah Piercey, in his 78th year. Born in Nickle, Ontario in 1859 he resided there as a young man and came to Vaughan over fifty years ago. In January 1882 he married Maria Nixon and settling in Teston carried on his blacksmith business until a few years ago. Four

years ago Mr. and Mrs. Piercey celebrated their Golden Wedding. In December 1935 Mrs. Piercey passed away and since that time deceased has been in failing health and death came rather suddenly. He is survived by two sons, Albert in Swift Current, Sask., and Frank at home. The funeral on Friday, July 3rd, was attended by many old friends and relatives and was conducted by Rev. D. Davis in the United Church. Interment followed in King Cemetery. Many beautiful floral tributes showed the high esteem in which deceased was held. The late Mr. Piercey (Jerry) was a man of sterling qualities, a good friend and neighbor, and a consistent member of the United Church here. He was interested in all good works and will be greatly missed in this locality. He was a member of the I.O.O.F. and a staunch Liberal.

Owing to the joint Communion service at Laskay on Sunday there was no service here in the morning. Young People's Union was held in the evening and in the absence of the convenor Mr. E. J. Hitchcock presided. Miss Margaret Oliver gave an interesting paper on Peace and Happiness. There was a short memorial service in respect for the late Mr. Piercey who was the oldest member of the Y.P.U.
