## Richmond Hill Water Shortage Is Still Serious

Council Again Bans Use of Garden Hose

Councillor P. C. Hill, chairman of the local water commission stated this morning that the Richmond Hill water supply was still far from satisfactory and that due to the continued drought and heavy demand there was still danger of a shortage. "The announcement a week ago by the waterworks engineer that the hose ban was lifted was a mistake," said Councillor Hill, "and we are asking the citizens to refrain from the use of hose except where absolutely necessary." Mr. Hill pointed out that the stream from which the local supply is secured has lessened materially in volume and that to avoid a serious situation in case of continued drought or any emergency it is very necessary that citizens co-operate in the council's request.

HON. MITCHELL F. HEPBURN  
Premier of Ontario who will be one of the speakers at the annual Mulock picnic which will be held at Woodbridge, Saturday, August 22nd.

## James McDonald to be New Clerk Vaughan Township

To Succeed J. B. McLean In That Office On September 1st

At a special meeting of Vaughan Township council this week the resignation of J. B. McLean as clerk and treasurer was accepted with regret and will take effect September 1st. In accepting the resignation all members of council signed a resolution expressing appreciation for the forty-four years of faithful and efficient service given by Mr. McLean to the municipality as clerk and treasurer and auditor.

Although not yet officially appointed the members of council have agreed on the appointment of James McDonald of Maple as clerk and treasurer to succeed Mr. McLean. His appointment will be made as soon as the necessary by-laws have been prepared. Mr. McDonald is a native son of the township being a son of Mr. and Mrs. Milton McDonald of Maple. He is twenty-four years of age and for the past four years has been engaged in the teaching profession. He will take over the duties of clerk and treasurer on September 1st. It is understood that the salary will be fixed at \$1200. per annum.

## A SURVEY OF GROUND WATER RESOURCES IN TORONTO-HAMILTON AREA UNDERWAY

As one of its more important geological field projects in Ontario this year, the Department of Mines at Ottawa has underway an intensive survey of the ground water resources of the Toronto-Hamilton area. A party headed by John F. Caley has been engaged in the work for the past several weeks. Investigations will cover a 5,000-square mile area, including large portions of the counties of York, Peel, Halton, Wentworth, Lincoln, Welland and Haldimand.

In the survey, all available data are being obtained from wells and springs in the area. This information will be used to determine the conditions that exist in respect to the various sources of water supply; whether the supply is diminishing or remaining stationary; its dependence upon rainfall; the amount of water available; and the character of the water. The results of the work will be extremely valuable as a guidance to farmers in determining suitable well locations, and should be the means of saving them considerable expense and effort.

## EXPECT P. O. TO OPEN ABOUT MIDDLE OF SEPT.

Work is progressing very favorably at the local Post Office building. Plastering has been completed and work will proceed at once with the trimming and painting. The contractors expect to have the building completed about the middle of September.

## RADIALS SHOW SUBSTANTIAL PROFIT

The quarterly report on the operation of the North Yonge radials for the second quarter of 1936 showed a marked improvement. The line showed an operating profit for the period of \$414.69 compared to a loss of \$452.20 in the same period in 1935. The report was very encouraging to members of municipal councils who have viewed with alarm the recurring deficits on the road.

## Markham Township to Take Dog Tax Defaulters to Court

A HIGHER TAX RATE FOR TOWNSHIP A POSSIBILITY THIS YEAR

Over fifty dog owners of Markham Township who have so far failed to pay their dog tax will be taken to court to tell the magistrate the reason for their failure to heed the warnings of the collectors. "It certainly is not fair that some pay and others get out of doing so," said Reeve Padgett, who with the endorsement of all members of council instructed the collectors to take immediate action against the defaulters.

The rates by-law for the year was given lengthy consideration by the council at the regular meeting held at the township hall Monday afternoon and was given its first and second readings. While its third reading was withheld pending receipt of some school section requisitions and further consideration of some particular items in the estimates an increase in Markham taxes this year looms up as a strong possibility. The county rate is increased from 11.1 mills to 11.43 and the general school rate from 2.43 to 2.6 mills and there is a possibility that the township rate may jump from 4.0 mills to 4.5. Definite setting of the various rates await the consideration on the third reading of the by-law.

The assessment of the township shows a slight increase this year, the total 1936 assessment being \$4,993,305.58 as compared with \$4,978,970.48 in 1935. The assessment of Thornhill Police Village is \$129,950. and of Unionville \$180,491.13

A Toronto insurance firm wrote the council offering the municipality insurance against riot and civil commotion arising from any relief troubles.

Mrs. Bailey of Essex Avenue, Langstaff appeared before the council complaining of the condition of the roadway. Reeve Padgett agreed

that the road should have a new surface and promised the council would give the request every consideration.

\* GRAIN STOOK STRUCK BY LIGHTNING  
\* During Monday night's electrical storm lightning struck a stook of grain in the field of councillor Charles Hooper of Markham Township, at Buttonville. The stook took fire and burned but the blaze was extinguished by the heavy rain.

MULOCK PICNIC  
There will be a big program of sports and attractions at the annual Mulock picnic at Woodbridge on Saturday, August 22nd, when Col. W. P. Mulock, M.P., will be host to the people of North York.

\* LANDED TWO FISH AT ONCE  
\* Albert E. Glass and Frank Dolan spent the Civic Holiday week end on Manitoulin Island. \* While fishing Mr. Glass had the remarkable experience of landing two fine bass on the one hook. Both fish took the hook at the same time and not until he reeled them in did the fortunate fisherman know that he had two on the line. One of the bass weighed nearly three pounds and the other 2 1/4 pounds. \* There were several witnesses to the feat and Mr. Glass is now eligible for membership in the big fish story club. His title in the club will likely be "Two-at-a-Time Albert."

\* Hear Little "Jackie" Perkins at Richmond Hill Street Dance Wednesday, August 26th.

## VICTORIA SQUARE

## BOWLING NOTES

With threshing under way and roadsides parched and dry now is the time when motorists and residents need to take precaution against the careless dropping of matches or other inflammable material.

On Wednesday afternoon, August 12th at 2.15 the regular meeting of the W.M.S. will be held at the home of Miss Ethel Mortson. The usual good programme will be provided so do not miss this month's meeting.

Miss Ethel Mortson had the misfortune to injure her knee quite badly in a fall last week. Though time will be required for complete recovery we hope to soon see Ethel out and able to move about with her customary vigour.

Mrs. Haig told several stories in her usual interesting manner last Sunday in the Sunday School session.

Bishop Winger of the Brethren in Christ Church was special speaker in the afternoon service last Sunday bringing a message on the subject "How Can I Escape if I Neglect so Great Salvation." Next Sunday the service is in charge of the Young People.

Mr. R. E. Sanderson gave an interesting talk in the Young People's meeting last Sunday evening.

Mr. and Mrs. W. Brumwell and Mr. and Mrs. Frank Brumwell and son visited with Mr. and Mrs. Chas. Annis of Dunbarton on Sunday.

Miss Helena Wilson and Mr. E. Reeves of Toronto visited with Laura Gee over the week-end.

Mr. George Wellman has been visiting his sister Mrs. Louis Nichols and other relatives in this district.

Mrs. George McCague Sr. was a Sunday visitor at the home of her son Mr. Heber McCague.

Miss Grace Reynar of Detroit and Miss Mary Agar of Nashville have been visiting with Miss Ethel Mortson this week.

The August meeting of the J.W.I. proved a most interesting one on Tuesday evening. Several funny sayings of children were given in response to the roll call and the Lehman trio of Almira and Stouffville furnished a most delightful musical number. Miss Gorrie of Toronto, executive secretary of the Protestant Children's Home and vice-pres. of the Child's Welfare Council gave a splendid talk on Child Welfare. Miss Gorrie dealt first with the real meaning of child welfare and then told of this work in various countries especially the fine work undertaken in Russia which she visited in her recent European tour. During the business session announcement was made of the Health course booked for Jan. 4th to 8th.

An interesting address on "The Business of Farming" by George McCague of Toronto was given in the boys' meeting though many failed to be there in time to appreciate it. The paper read by Boyd Mount was also good.

Your car washed for 75 cents. See "ad" on page 4.

Skip "Gid" Moodie and his rink won the first round in the play-offs for the Ontario Lawn Bowling Championship. They won the district shield at Markham last Thursday. The rink was: George Fuller, L. H. Clement, E. T. Stephens, Gid Moodie skip.

Twelve rinks competed in the Mixed Twilight tournament held here last Friday evening. Rinks were here from Toronto, Islington, Newmarket and Agincourt. The first prize was won by E. T. Stephens, 2nd by Harry Marshall of Newmarket, 3rd by Wes Wellman and fourth by J. R. Herrington. The prize winning Richmond Hill rinks were: Mrs. W. Riddell, W. Riddell, Mrs. E. T. Stephens, E. T. Stephens skip; Miss Francis Drury, J. A. Greene, Mrs. J. A. Greene, Wesley Wellman skip; Mrs. L. H. Clement, L. H. Clement, Mrs. C. Kerswill, J. R. Herrington skip.

The greens of the local bowling club, the club-house and the general lay-out of the whole property were all greatly admired by visitors at the Twilight tournament last Friday evening. Visitors here for the first time marvelled that the Richmond Hill Club had such splendid accommodation and marvelled still more when they learned of the small membership of the local club. "With greens and a location like this you should have a couple of hundred members," remarked one visitor.

Messrs. C. P. Wiley, J. A. Greene, F. J. Mansbridge and Wesley Wellman, skip, took part in the Civic Holiday tournament at Bowmanville on Monday.

Tottenham Bowling Club defied a hose ban during the water shortage, and a police court action followed. The president of the club admitted the offence and a fine of \$2.00 was imposed.

For the first time this year rain interfered with the regular Monday night games at the local green.

Two local rinks attended the Mixed Twilight at Islington Wednesday evening and skip E. T. Stephens won the third prize. The local rinks were: Mrs. J. A. Greene, J. A. Greene, Mrs. E. T. Stephens, E. T. Stephens skip; Mrs. L. H. Clement, C. Kerswill, Mrs. Kerswill, F. J. Mansbridge skip.

Richmond Hill was represented by a rink skipped by A. E. Glass at the Claremont tournament Wednesday afternoon. Sixteen rinks competed and skip McDonald of Markham won first prize and skip Joe Kennedy of Uxbridge the second prize.

Don't forget the regular Monday night mixed games at the local club. The greens are now in excellent shape and as near perfection as they have been for several years.

Two local rinks are planning to take in the big tournament at Paris next Wednesday.

Most of this year's Canadian National Exhibition takes place in September this year because of Labor Day falling on Sept. 7th. The dates are August 28th to Sept. 12th.

\* RELIEF ROLLS SMALLER  
\* Vaughan Township relief costs \* for the month of July amounted \* to \$800.25 which is a reduction \* of \$360 as compared with the \* corresponding month last year. \* In July last year there were 65 \* families on direct relief while to \* day the number has decreased \* to 44.
