The following is the standing of  
the lacrosse teams in the York Dis-  
trict:

	Won	Lost	To Play
Richmond Hill	4	2	0
Toronto Junction	3	2	1
Bolton	2	2	2
Tecumseh	0	3	3

A very pretty wedding took place at the home of Mr. and Mrs. B. Macdonald, Elizabeth Street, on Wednesday when their second daughter, Christina, was united in marriage to Mr. A. E. MacLean, science master in the Williamstown High School. Rev. J. A. Grant officiated. Mr. Frank Crang of Toronto was groomsmen and Miss Alice MacLean of Oshawa, sister of the groom, attended the bride.

Mr. F. Sims is staying with his relatives in Toronto for a few days. All that Frank has done since the Bolton match is to nurse his fractured thumb.

About 8 o'clock on Sunday night fire did about \$500 damage to the interior of the Roman Catholic Church in Bradford.

**York County Divided**  
Judges Dean of Lindsay, and Benson of Port Hope, the two commissioners to whom was referred the division of the county, completed their task on Friday. The County Council met on Thursday, and upon their recommendation the county was divided into nine districts, each district to send two representatives to the County Council:

District No. 1 will consist of the Township of Scarborough and East Toronto and all that part of the municipality of the Township of York lying north of Eglinton Avenue and East of Yonge Street, to be known as Scarborough division.

District No. 2 will consist of the town of North Toronto and all that part of the municipality of the Township of York lying to the south of Eglinton Avenue and east of Yonge Street, to be known as York division.

District No. 3 will consist of the Township of Etobicoke, the Village of Weston and all that part of the municipality of the Township lying south of Eglinton Avenue and west of Yonge Street, to be known as Etobicoke division.

District No. 4 will consist of Vaughan, Richmond Hill and Woodbridge.

District No. 5 embraces Markham Township and Village.

District No. 6 is the Township of King.

District No. 7 embraces Whitchurch, Aurora and Stouffville.

District No. 8 will be East Gwillimbury, Newmarket and Holland Landing.

District No. 9 includes North Gwillimbury, Georgina and Sutton.

**THIRTY YEARS AGO**

From our Issue of August 9th, 1906  
A meeting of the Village Council was held Tuesday evening. The meeting was called principally for the purpose of considering the advisability of widening Centre Street east from Church Street to the James Bay Railway. All the members of the council were present as well as a large number of ratepayers. Reeve Crosby gave a statement as to what was proposed to be done. Centre Street calls for a width of 33 feet, and it was proposed to widen it by securing 10 feet more on the south side of the street. The reeve stated that W. H. Pugsley had offered to sell a strip along the front of his property 80 rods long and 10 feet deep, equal to about 50 square rods for \$50, the council to erect a wire fence. A. Moodie would sell about 7½ rods, and erect his own fence for \$50. W. Sheppard would sell his front, about 3 square rods for \$50, and put up a fence. Councillor Sanderson was prepared to say that a strip owned by the Methodist Church could be purchased at a reasonable rate, and R. Durham would sell his at as fair a rate as the other property owners. Mr. Pugsley's offer was considered to be reasonable, but the option of some of the others was scarcely satisfactory. A resolution was therefore passed unanimously appointing the council a committee of the whole to further interview the property owners with a view of purchasing the required land on the basis offered by Mr. Pugsley. The new station for the James Bay Railway will soon be completed. The roof is shingled and the new building presents a good appearance.

The foundation is now being laid for the tank which will be about forty feet high, the timber for which arrived Tuesday. The water will be forced into the tank from a nearby spring by means of a gasoline engine. Carpenters will commence building the new freight house in a few days.

Carrville football team came up Thursday evening and played the "return" match with Richmond Hill team. After a sharp contest the visiting team was defeated by a score of 2 to 1. Mr. H. Graham of Carrville refereed the match.

**Historic Farm Sold**  
Last Saturday's Globe gave some interesting information relative to real estate deals. With others it mentions the following:—"The St. George farm just north of Bond Lake, and including Wilcocks Lake, ers of the St. George farm property, owner, for \$25,000. The farm and lake cover an area of 400 acres, and it is generally understood that the Toronto and York Radial Company, which at present control the Bond Lake property, are the real purchasers of the St. George farm property. This farm and house are among York County's historic properties. Before the beginning of the last century a band of French loyalists under Joseph Genevieve, Comte de Puisaye, attempted to form a colony in this locality. The attempt was destined to pitiable failure because the French emigres made poor back woodsmen. Many of them returned to the old land, but in 1846 or 1847 Quentin St. George, a son of one of the original French pioneers, came from France to claim his father's estate, then amounting to some 26,000 acres, which gradually dwindled, being cut up into smaller farms, until in a few years only the name remained."

**TESTON**

About thirty from Teston United Church congregation journeyed to Duclos Point last Sunday and enjoyed the day with Rev. Davis, Camp Director. In the evening there was a Sunset Service.

Next Sunday there will be Sunday School as usual and Young People's Union in the evening, but no church service at 11 a.m. as the Pastor is having a holiday.

Two of the men who were cleaning up the stables of Lewis Hadwin, before leaving, stole Mrs. Hadwin's watch and a ring of Mr. Hadwin's. The theft was discovered shortly after they left. Police officers were notified and captured one of the men at Georgetown.

Mr. Lightbody of Toronto and Miss Mary Hart spent the week-end with Frank and Mrs. Piercey and motored to Duclos Point on Sunday.

Mrs. Gladys Ranesbottom and son of Toronto are visiting with Mr. and Mrs. Ranesbottom.

Miss Margaret Grey of Toronto is visiting her sister Mrs. Bert Boyd. Mr. and Mrs. W. R. Wilson, Beth and Billy, Mr. and Mrs. Cecil Walker, King, motored to Musselman's Lake on Sunday.

Mr. and Mrs. Wm. Walker Jr. and Billy spent last week with Mr. and Mrs. W. R. Wilson.

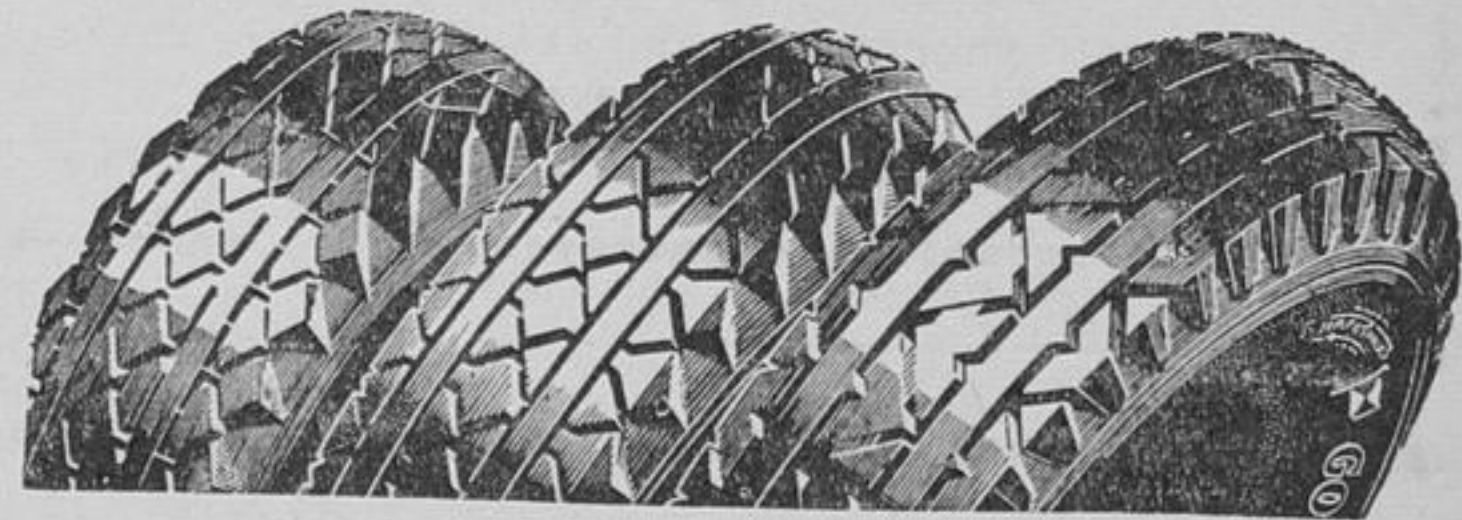

Mr. Boyd and his daughter Mrs. Hazelwood with Mr. Hazelwood, of Hamilton, spent Sunday with his son Mr. Bert Boyd. Master Allen Hazelwood is remaining for a week.

Miss Norma Garner returned to her home in Toronto after spending a holiday with Mrs. Alex. MacDonald.
