

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

All signs fail to bring rain this season, even the August meeting of the local Women's Institute that other years ushered in moist weather was favored with a delightful day. The meeting convened at the Glenburn Farms, the summer home of Col. F. H. Deacon and Mrs. Deacon on Thursday afternoon last and was a most successful event. The attendance numbered sixty ladies and a pleasing afternoon's entertainment was provided.

The guest speaker, Miss McKeown, gave many interesting highlights on the Red Cross extension work emphasizing the Junior work. Our own Public School pupils are already interested in this work and a visit from Miss McKeown is anticipated during the coming school season.

A group of songs by Mrs. Dr. Jenkins of Donalda Farms added a special treat to the program. Mrs. Jenkins possesses a delightful soprano voice coupled with a charming personality and her visit to the Institute will long be pleasantly remembered by the ladies. The report of the supervised playground was received and action deferred until next season. Following the program refreshments were served by the hostesses, Mrs. G. Gordon Maynard and Mrs. E. E. Braithwaite presiding at the tea table. The generous is deeply appreciated by the Institute members and friends who always look forward to the August meeting with happy anticipation. Hostesses for the afternoon included along with Mrs. Deacon, Mrs. G. Whaley, Mrs. V. Trunk, Mrs. A. L. Brown, Mrs. G. Gordon Maynard, Mrs. H. C. Brookfield.

An Educational trip to Dunlap Observatory is scheduled for the October meeting.

The many friends of Mrs. W. L. Hiltz (Doris Doel) were shocked to learn of her death which occurred at Toronto East General Hospital on Tuesday morning last, eight days after the birth of a wee baby daughter. Mrs. Hiltz was an only daughter of Mrs. Lillian L. Doel and the late William L. Doel and was born in Toronto, where for many years she was actively connected with Danforth United Church, serving in the Sunday School and Y.P.S. work. Since coming to Unionville she has attended Central United Church.

She is survived by her husband and six children and will be greatly missed in the community and also in her church where she served faithfully in many of the departments of work.

Wednesday night the alarm struck home, proving to be the stable back of the Gilliam house on North Main St. which was burned to the ground. SPORTS

By "Bunny" White

The sport world offers its deepest and heartfelt sympathy to Mrs. Violet Harding and Elmore Harding in the loss of their beloved husband and brother Cecil Harding.

Cece, as he was most widely known has been connected with the sport activities of the Village either as an official or one of its most ardent fans ever since school days.

Known as a fair and square dealer the underdog team was always sure of the support of Cece. When the Great Umpire calls the final count

The crowd of people arise and shout, Well played, Cecil.

Thursday night the arena was the scene of two mighty good games of Lacrosse.

The first game served up to the big crowd was between "Super" Mabley's Pets or otherwise Richmond Hill Midgets and "Mike" Miller's Colts from Maple. How these boys turn it on asking no quarter from anyone and giving none. These boys are not allowed to use their sticks on their opponents, they must use their body only, and to see some of the smaller boys step into the bigger ones is worth the price of the admission alone.

The second game was more of the rugged type of lacrosse. Richmond Hill Juveniles defeated Richvale Juveniles 9-5.

In this game Richmond Hill started out as if they were going to Town in a big way. But the Richvale boys said no and battled them to a standstill and only Richmond Hill's experience won the game and when Richvale finally hit their stride the other teams had better watch out.

Tuesday night Richvale Midgets played Maple Midgets in the first game. Maple won 4-2.

These teams play a brand of lacrosse that keeps the crowd on their feet all the time. Their passing plays are even better than the older boys and they handed out stiff body checks without regard for themselves or their opponents.

The second game on Tues. night Maple defeated Richvale Juveniles 11-4.

Maple outplayed Richvale for most of the game and seemed to have the Richvale team all at sea. But when Richvale finally settled down and played lacrosse they scored 4 goals. The Richvale team has always been the underdog team ever since the lacrosse was first started but Jack Warwick seems to have lined up a team this year that will take some beating once they get playing together more.

At Barrie Monday night Roder Jrs. defeated Orillia Jrs. 18-15 in a wild scoring game and won the group leadership.

Orillia and Brampton will now play off to see who will meet Roden in the finals. When these final games are played Roden will play their home games at Richmond Hill and the fans are in line for some nice games of lacrosse.

The writer made a trip to Fergus on Monday night and saw something that is worthwhile passing on to boys who ride wheels on Yonge St. at night. Out on No. 7 highway when you meet anybody on a wheel they move their left arm up and down and it is quite easy to see them even if another car is coming from the other direction.
