Principal of Thornhill Public School Married at Keswick United Church
Keswick United Church was the scene of a pretty wedding Saturday, August 8th when Audrey Evelyn, eldest daughter of Mr. and Mrs. Ivan S. Mann was married to Charles Donald Hoffman, only son of Rev. A. C. and Mrs. Hoffman of Aurora. The groom's father officiated, assisted by Rev. C. E. Fockler of Keswick. The church was decorated with ferns and pink and white summer flowers for the ceremony. Miss Effie King played the wedding music. The bride, who was given away by her father, wore a charming gown of white French silk imported lace over taffeta and a large picture hat. She carried a nosegay of ranunculus roses tied with white satin ribbon. Miss Vera Mann, sister of the bride, attended as bridesmaid, wearing a frock of pale blue silk net over satin and a white picture hat. Her nosegay was of briardiff roses with touches of blue tied with pink satin ribbon.
Mr. Angus C. Grant was best man and the ushers were Mr. Leon Connell and Mr. Roydon Connell, cousins of the bride. A reception was held later at the home of the bride's parents, where the bride's mother received crowned in navy and white triple sheer with white accessories and wearing a corsage of gardenias. The groom's mother, who assisted her, was in mauve and white printed chiffon with white accessories, and wore a corsage of orchids and lilies of the valley. After a vacation at Mary Lake, Muskoka, Mr. and Mrs. Hoffman will live in Thornhill. For travelling the bride wore a suit of brown figured triple sheer with brown accessories.

Mr. and Mrs. H. Connell spent the week-end at Keswick and attended the Hoffman-Mann wedding in Keswick United Church.

CAPITOL THEATRE

PAUL MUNI HAS 10TH SCREEN HIT IN PASTEUR FILM

Paul Muni, acknowledged to be the greatest portrayer of character roles on screen or stage, has been in motion pictures just seven years, during which he has created a new record.
Every picture he has made has been a hit, each has been outstanding and his tenth film, the Cosmopolitan production "The Story of Louis Pasteur" which opens at the Capitol Theatre tonight as a First National release, is declared to be his finest and most dramatic work to date.
Muni never plays two characters that are similar. His first two films were "Valiant" and "Seven Faces," which he made in 1928. Then he returned to the stage until 1932 when two of his greatest pictures were produced. These were "Scarface" and "I Am a Fugitive From a Chain Gang." The following year came "The World Changes," in 1934 he made "Hi Nellie" and in 1935 he again delighted all movie fans with "Black Fury" and "Bordertown."
These two great pictures were followed by another of an entirely different type "Dr. Socrates," and now Muni is starring in his tenth picture the first biographical drama of the screen "The Story of Louis Pasteur," which is based on the life of the famous French scientist.
