WAY BACK IN LIBERAL FILES

FORTY YEARS AGO
From our Issue of August 27th, 1896
The rate for Markham Village this
year will be 19 mills on the dollar.
The Orillia Packet has asked a
number of business men in different
lines to account for the dullness of
trade. All agree in describing a
large measure of the present depression
to the "bicycle craze." Many of
those buying wheels are putting their
last available dollar in them. There
is scarcely a line of business that is
not feeling the competition of the
bicycle.

The following is the standing of
the lacrosse teams in the York Dis-
trict:

	Won	Lost	To play
Richmond Hill	4	1	1
Toronto Junction	4	2	0
Bolton	3	2	1
Tecumseh	0	6	0

A petition is in circulation and
will be presented to the city council
to extend the street cars to Mount
Pleasant Cemetery through Reservoir
Park. It is claimed that efforts to
extend the Toronto street railway
tracks up Yonge Street have proved
futile owing to the obstacle of a sub-
urban railway claiming exclusive
rights on Yonge Street north of the
city limits.

The Richmond Hill lacrosse team
have to bow to the decision of the
Judiciary of the C.L.A. and play the
protested match at Bolton over again
to-day (Thursday). As it is generally
known, the Richmond Hill club
protested the last match played at
Bolton against the Humber club of
that place on the plea that the
grounds are small and inadequate
for lacrosse purposes, and that
Messrs. Warbrick, Doyle and Pearey
were ineligible to play for the
Humber in that match. The Judiciary
suspended Doyle and Pearey for the
season and ordered Bolton to pay the
expenses of the protest as well as
\$15.00 for the Richmond Hill
team's expenses to Bolton in to-day's
match.

McConaghy—At Richmond Hill,
on Friday, the 21st of August, Isabel,
infant daughter of James and
Agnes McConaghy, aged 12 weeks.
Charlton—At Concord, Vaughan,
on Sunday, August 23rd, William
Charlton, aged 38 years.

THIRTY YEARS AGO
From our Issue of August 23rd, 1906
The new James Bay Railway
station is plastered and is about ready
for the painters. The new freight
shed is also erected, and the water
tank is well under way.

Two more new cars, No. 56 and
58, were added to the Metropolitan
service last Saturday. They are
beauties, and seem to eclipse any of
their predecessors.
It is understood that the Schom-
berg and Aurora Railway is to form
a branch of the James Bay line, and
will be extended from Bond Lake to
a point on the second concession of
Markham, between two and three
miles north-east from Elgin Mills.

Mr. John Claffey has completed a
cement cellar for Mrs. Tiffin. A back
entrance has been built, and there
is no neater cellar in the town.

Mr. William Smith of Temperance-
ville has purchased from Mr. Thomas
the east half of Lot 65, 1st Whit-
church, Oak Ridges. This farm lies
directly south of Lake Wilcox and
was formerly the property of the
late Robert Thompson.

Mary A. Robertson, wife of Mr.
John E. Steele, died Friday, 17th
inst., aged 68 years. Funeral was
held from her late residence, Steele's
Hotel, town line, York and Vaughan,
Yonge Street, Monday. Interment in
Richmond Hill Cemetery. The fune-
ral service was conducted by Rev.
W. G. Back of Maple.

Business is booming in Maple and
all the merchants are doing a good
trade.

There is a record attendance of
physicians at the meeting of the
British Medical Association in Tor-
onto this week.

A very heavy rain fell in this section
yesterday afternoon, accompanied
by thunder and lightning. The
lights in the Waiting Room were put
out of business, also several tele-
phones.

Sir Malcolm Campbell's "Bluebird",
the mammoth racing car that at-
tained a speed of slightly more than
304 miles per hour on the salt flats
of Utah, will be seen in the Auto-
motive Building at the Canadian Na-
tional Exhibition.

Christmas shopping just around
the corner.

When a man has something to ad-
vertise and does not use The Lib-
eral—we both lose—but he is the
bigger loser, for his possible per-
centage of loss is greater than ours.
Our loss is a small fee for service
rendered, while his is a capital loss,
sometimes of great proportions.
There is no selling without first
telling and creating a desire, or
pointing out a need. Don't be silly
and think you save when you fail
to tell folks what you have to sell.

The late Hon. E. J. Davis, former
head of the Davis Leather Com-
pany of Newmarket left an estate
valued at \$3,483,635.

The district was treated to a
bountiful rainfall the end of last
week which was a great help to pas-
tures and root crops. The prospects
of a fair potato crop have bright-
ened with recent rains.

Three persons were injured when
their car turned over three times at
the railway crossing east of Lang-
staff on number 7 highway early
Sunday morning. The car was al-
most a total wreck and was towed
to the Cities Service Garage, Rich-
mond Hill.

North Gwillimbury decisively set-
tled its road-paving controversy last
Saturday by a better than 2 to 1
vote in favor of the by-law provid-
ing for the paving of the 11-mile
stretch between Keswick and Jack-
son's Point. Culminating a two-
months' campaign by interests on
both sides, almost the possible num-
ber of property owners turned out to
cast their vote in favor of the by-
law providing ample proof of the
interest caused by the issue in the
Lake Simcoe district. A total of
765 voters marked their ballots in
favor of the by-law and 314 against
it.

Miss Bessie McBride of Toronto
has been appointed as teacher of S.
S. No. 23, King, succeeding Walter
Rollings, who has retired after teach-
ing in the same school for forty-one
years.

Five East York men were convict-
ed of obtaining relief by false pre-
tenses in county Police Court this
week, one being sentenced to three
months' imprisonment. John Hangar,
middle-aged, was the object of strong
condemnation from Magistrate Keith,
when C. R. Hunt, investigator of the
East York Relief Department, swore
the family received a total of \$119
in relief over a period of six months,
while members of the family earned
a total of \$136 a month during the
same time. "Why this would bring
your income up to \$155 a month,"
declared the Court. "I am finding
you guilty and sentencing you to
three months' imprisonment."

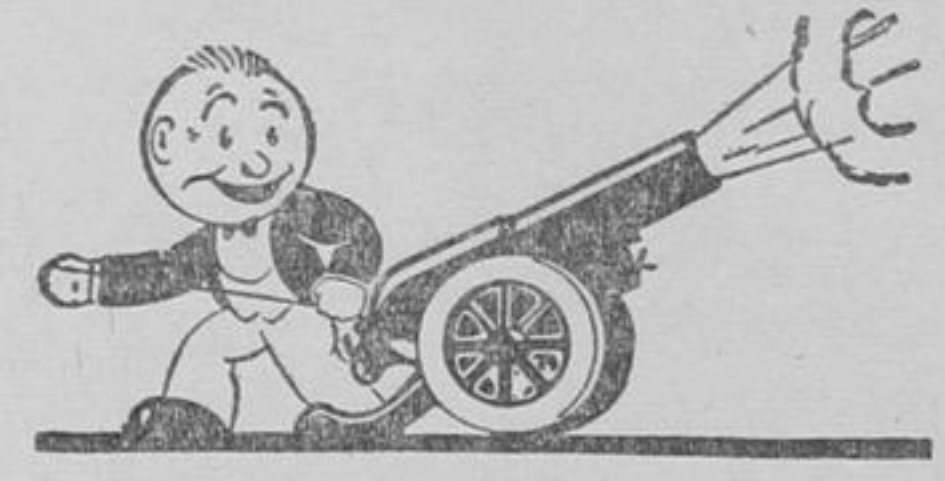

The film "Green Pastures" which
caused so much controversy in On-
tario has definitely been banned by
censors in Australia.

The work of paving the Midland-
Orillia highway as far as Port Mc-
Nicoll is to be started immediately
by the Brennan Paving Co.

A natural gas well was struck by
Robert Cherry recently, while drill-
ing in his own backyard, four miles
east of Collingwood. He has piped
the gas to his home on the lake-
shore and is using it for light and
fuel.

At a well attended meeting of the
Board of Trade Monday evening the
subject of waterworks for Bolton was
freely discussed. There did not seem
to be any difference of opinion as to
the necessity and desirability of in-
stalling such a public utility provid-
ing the cost was not excessive. A
committee was appointed to gather
information to be presented at a
meeting to be held Monday evening,
August 31st.
