

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

SOLDIERS ALL
They're swinging back to school again.

In squads of two and three— It calls for sturdy fighting men To master rule of Three It takes a valiant company To march in order through A lesson in geography As far as Timbuctoo And he who meets and overcomes A particeps grim— There's not a general at the front That would not cheer for him. They're marching back to school again— The chaps that do their best Will prove their fighting blood and then. We'll trust them for the rest. —Nancy Byrd Turner, in the Youth's Companion.

When the school bell rings next Tuesday morning after a two months silence it will issue a warning that vacation days are at an end and work days are commencing for all boys and girls, and, judging from the animated conversation overheard where small groups are congregated, we believe that the call is being joyfully anticipated by the majority.

Principal A. M. Hill enters upon the ninth year of efficient service in our Public School and is to be congratulated upon the splendid records made under his supervision. The junior teacher for this year will be Miss Bernice French of Agincourt. The usual splendid co-operation of parents is again anticipated.

The popularity of Unionville Bowling Club seems to increase as the season advances, new memberships being recorded weekly, and the events well attended. The weekly ten cent tournament honors were won by Percy Payne's rink, the co-stars being P. J. Dixon, Carol Trunk, and Margaret Martin. We regret an error in reporting a similar event when Mrs. Geo. Kelly's name should have appeared on the winning rink instead of Mrs. F. J. Pollard.

Mr. Yerex of Richmond Hill won first honors at the mixed Rinks tournament held last Wednesday night with Gordon Lemon, Stouffville, second and Mr. Jackson of Agincourt third. P. J. Dixon's rink, that included Mrs. J. R. Hood, Mr. and Mrs. G. Dukes won third honors at the Stouffville tournament last Friday night.

A delightful social event of the past week was the miscellaneous shower held on Tuesday evening by the Luther League of Bethesda Lutheran church in honor of Miss Francis Smith, daughter of Mr. Robert Smith of Cody's Corners and whose marriage to Mr. Alfred Wright of Markham will take place at an early date. The lovely gifts presented signified the popularity of the young couple and a most enjoyable evening that included games and refreshments is reported by those in attendance.

Sixty ladies were in attendance at the informal silver tea given at the home of Mrs. R. L. Stiver on Wednesday afternoon last, when the proceeds were given to the support of Missionary projects. An outdoor party was planned but unfavorable weather conditions did not permit. A most interesting feature of the afternoon was a splendid resume of Missionary work in India given by Miss Harriet Thompson veteran Missionary of India who also had many trophies on exhibition.

Our strength grows out of our weakness. Not until we are pricked and stung and sorely shot at, awakens the indignation which arms itself with secret forces. A great man is always willing to be little. Whilst he sits on the cushion of advantages, he goes to sleep. When he is pushed, tormented defeated, he has a chance to learn something; he has been put on his wits, on his manhood; he has gained facts; learns his ignorance; is cured of the insanity of conceit; has got moderation and real skill. —Emerson.

VERSE FOR THE KIDDIES
Soon at school we'll gather daily, And we'll learn the golden rule; Still aspiring, never tiring, That's the way we'll learn at school. Work and play we'll mingle daily, Both we'll do with loving zest; Never tiring, yet aspiring, 'Till the sun sinks in the west.

SPORTS
By "Bunny" White

Tuesday, August 25th in one of the best games of lacrosse ever to be played in the Town League Richvale defeated Maple Juveniles 6-5.

The game was late getting started owing to a football game being played in Maple, but when it did the crowd settled down to enjoy what turned out to be a game with a little bit of everything in it.

Richvale, who are improving with every game, back checked like fiends and made Maple work like Trojans to get their goals.

Maple's penalties had a great deal to do with the loss of the game, Chuck Ellicott being the bad man, took a lot of penalties which were unnecessary to the good of his team.

To pick out any individual star would be unfair to the rest as every player played till he was exhausted.

In the second game Tuesday night Bradford won their first game by defeating Richmond Hill 6-3.

This game was not as exciting as the first although on any other night it would have caused lots of excitement.

Bradford had more system to their play than Richmond Hill who if they want to get anywhere must strengthen their team the same as the other teams are doing.

The crowd on Tuesday night was the largest of the season, 313 paying to see the games. Before the season is finished the crowd will make a record for any lacrosse game to be played in this rink.

Thursday night Maple Midgets defeated Richmond Hill and Maple Juveniles defeated Richmond Hill Juveniles. The first game was the better game of the night.

Owing to Newmarket entering the Town League the schedule will be made over by the next issue of the Liberal.

The schedule is as follows:
Friday, August 28—Maple Midgets vs. Richvale; Bradford vs. Newmarket.

Tuesday, September 1—Maple vs. Richmond Hill Juveniles; Bradford vs. Newmarket.

Thursday, September 3—Maple vs. Richmond Hill Midgets; Richvale vs. Newmarket.
