## Best Plowed Farm Contest Sponsored By The Fair Board

The rules and regulations for the "Best Plowed Farm" Contest sponsored by the Richmond Hill Agricultural Society were announced this week by Pres. R. W. Scott and the committee in charge of competition. This unique contest sponsored by the local Agricultural Society is the first of its kind ever held in Canada, and has as its aim the encouragement of good plowing on the farm.

Farmers in an area defined by the following boundaries are eligible to compete; on the south Steele's corner sideroad, on the east the 7th concession of Markham, on the west the 7th concession of Vaughan, and on the north the King City side-road and Wilcox Lake side-road.

All the plowing on the farm is to be judged and each competitor must have at least 30 acres plowed. All headlands must be plowed.

There will be two competitions, one for farms plowed by horse drawn plows, and one for farms plowed with tractor plows. No objections will be made to starting and finishing with horses in tractor work.

All entries must be made with R. S. Cooper, Richmond Hill, Secretary of the Richmond Hill Agricultural Society. There will be three prizes in each competition. Entries must be in by October 1st and plowing must be completed by November 10. Judging will be done according to the score card adopted by the Ontario Plowmen's Association which provides 20 points for crown, 15 points for straightness of furrows, 15 for covering of grass or stubble, 20 points for firmness, evenness and uniformity of furrows, 10 for shape of land and 20 points for the finish.

The customer gazed pensively at the barber. Something about him seemed rather odd: Customer (at last)—I say, isn't it unusual to see a barber with long hair and whiskers like yours? Barber (nodding)—Yes, but it's good business. Every man who sees how they look on me asks for a hair cut and shave.
