

OBITUARY

DEATH OF MRS. J. R. BAKER
The community was shocked by the sudden passing on Monday, Aug. 31, 1936, of Mrs. Baker, widow of the late J. R. Baker. Her demise occurred suddenly at the home of her daughter, Mrs. Wm. Tyndall, Roseview Ave., shortly after the deceased had arisen from bed in the morning. Mrs. Baker had been at her home in Grand Valley on Saturday and Sunday returning to Richmond Hill on Sunday evening. She was then apparently in her usual health and her sudden passing was a shock to those left to mourn. Mrs. Baker, who was in her 78th year, was formerly Adeline Bertha Coombs, daughter of the late John and Susan Coombs of Vaughan Township. She spent the greater part of her life at Carrville in Vaughan Township and twenty-five years ago, with her husband, the late James R. Baker, went to Grand Valley where Mr. Baker was engaged in the chopping and coal business up to the time of his death in December of 1928. For the past four or five years she had made her home in Grand Valley during the winter months, but spent the summer months with her daughters at Richmond Hill. She is survived by three sons, W. J. Baker of Grand Valley, E. A. Baker of Hazenmore, Sask., and John Baker of Richmond Hill and three daughters, Mrs. Wm. Tyndall and Mrs. Lewis Clement, Richmond Hill and Mrs. John H. Prentice of Toronto. One son, Sidney R. Baker, was killed in action in France in Sept. 1918. Three brothers, Arthur Coombs of Toronto; Alfred Coombs of Severn Bridge and A. E. Coombs of St. Catharines also one sister, Mrs. Chas. Kirby, Newmarket, also survive. The deceased was a member of Trinity United Church, Grand Valley, and Rev. M. Sellar, her pastor, conducted the services at Richmond Hill assisted by Rev. C. W. Follett on Thursday, Sept. 3. Interment in Richmond Hill Cemetery. The pallbearers were five grandsons, Messrs. Archie Baker, Ralph Tyndall, Leslie Baker, Victor Prentice, Roy Clement, and one grandson-in-law, Louis B. Teetzel. A profusion of beautiful floral tributes and a large number of friends from Grand Valley and other places attending the funeral showed the high esteem in which deceased was held.

Advertisement for the Findlay Oval stove, featuring an illustration of the stove and text describing its features: '2 stoves in 1 the Findlay OVAL... heats while it cooks and cooks while it heats... performing its double duty efficiently and economically. It's the true oval firepot—not an ordinary firebox with rounded corners—that makes this extra service possible. The Oval is designed for either wood or coal—or both—and is easily adapted for deep or shallow fire which makes it a quick baker and efficient heater. Its modern appearance and attractive lines and finish make it a perfect piece of furniture for any home. Three sizes to fit varying requirements. Two finishes—standard, as illustrated, and full porcelain. Note these features: Oval firebox, with cast iron lining in upper section and fire brick below. Firebox for wood long and roomy with large end door. Triple roller coal grate—easily removed through ashpan door. Special wood grate with slide to retain fire overnight. With grate in lower position large chunks of rough wood can be burned. Perfectly controlled oven, with ample room for all baking needs. Large reservoir with top and lids finished in black porcelain to prevent rust. Flue controlled heat in the two larger sizes. We shall gladly send you without obligation descriptive literature, or give you a demonstration. F. Y. W. BRATHWAITE PHONE 18
