

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

That a bigger and better grain show and general exhibit is being planned for Markham Fair by the Junior Farmers' Organization was announced by the President Kenneth Deacon at the meeting held last Monday evening in the Township Hall and co-operation of the members solicited. This feature has been one of the outstanding events of the Fair since the first placing of the exhibit and deserves highest commendation. Col. T. L. Kennedy, former Provincial Minister of Agriculture was guest speaker at this meeting and "Farming" was generally discussed with many helpful suggestions to the young agrarians. The boys have been favored in having so many splendid speakers and Col. Kennedy proved one of the most popular. An impromptu debate on "Resolved that an individual can make more profit operating a small farm without hired help than on one of large acreage with hired help" was won by the affirmative side. We didn't hear the nature of the award but the discussion proved an interesting one.

Social activities continue with the annual weiner roast held in Elm Rouse Park on Friday and the Dance in the Arcadian Court Hall, 775 Danforth Ave. on Thursday, the 17th, when Frank Bussen's orchestra will furnish the music. You will be sorry if you miss either of these events as a good time is promised. And we almost forgot to mention that Elliott Harrington and Jack MacIntosh won the lucky draw prizes for prompt attendance.

At the joint meeting of the clubs, the Monthly Chronicle was read as usual by Cameron Kennedy and the members took a jaunt over to Markham Fair Building to trip the light fantastic and eat ice cream and cookies. In all a most successful event.

The Girls' Club also shares equal interest in the Fair exhibit and at the meeting on Monday evening Ruby Reesor and Isabel Whittaker reviewed the prize list, giving ideas and suggestions regarding entries. The prize list includes classes that embrace pie, cake, macaroons, sewing and special. The prizes are attractive and the girl winning highest number of points receives an Eckhardt silver dessert set and the second highest number of points wins the Eaton Trophy.

An interesting talk on India was given by Mr. Art Grange, the speaker starting at Malta and travelling to India telling of that country and her customs.

The lucky attendance draw was won by Olive Harrington and the roll call was answered by the timely topic "What I am going to show at the Fair."

While the attendance was perhaps not up to the average a most enjoyable meeting is reported.

Unionville again scores a win when Wm. Summerfeldt and Mrs. J. R. Hood won the doubles tournament with 3 wins and the high score of 52 plus 1. Others on the prize list include Mr. Rogers skip, Withrow, 3 wins, score 46; G. Brown, Markham, 3 wins, score 39; Dr. Boyd, Newmarket, 2 wins, score 46 plus 1; Mr. Yerex, Richmond Hill, 1 win, score 37. Although the attendance at the tournaments may not be on an average with last season, the local club are manifesting greater interest and many enjoyable events are reported.

A movement regarding a supervised playground has been fostered in connection with the local Women's Institute. It is interesting to note how this problem is being dealt with in other places and we quote from the "Readers Digest" regarding Flint, Michigan.

"As President of the Flint, Mich. Automobile Club, Wilson S. Isherwood became appalled at the mounting toll of traffic child victims. As a result of his efforts toward child safety, 'backyard playgrounds' were developed with the idea of making the home the most attractive play spot for youngsters. Many civic organizations co-operated. Whenever children were found playing in the street, the aid of the parents was enlisted in establishing a backyard playground. Families unable to purchase equipment were provided with salvage materials donated by factories and stores. Prizes were awarded for the best backyard playgrounds and 1284 of them were established. The entire cost of the huge program was \$402.93. The success of the plan has brought inquiries from many places in the United States, Canada and Europe. Safety leaders everywhere have urged their communities to adopt the plan. During the summer months when children were out of school an all-time safety record was established for Flint, with not a single child fatality.

IN MEMORIAM
McDONALD—In loving memory of dear grandpa who passed away September 8th, 1931. There wasn't a thing too big or too small That you wouldn't try to do for us all; It is sad but true, and we wonder why, The best are always the first to die. —Lovingly remembered by grandchildren.

IN MEMORIAM
McDONALD—In loving memory of a dear husband and father, Murdoch McDonald, who entered into rest Sept. 8th, 1931. Long days, long nights he bore his pain, He waited for cure but all in vain; Till God Himself knew what was best And took him home and gave him rest. Some day I hope to meet him, Some day I know not when, To clasp his hand in a better land, Never to part again. —Sadly missed by Wife and Family.

SPORTS
By Bunny White

Thursday night in the Town league lacrosse Richmond Hill Midgets defeated Maple 4-3.

The second game was won by Richvale who defeated Newmarket 10-2.

This game was more interesting than the score indicates as Newmarket were playing good lacrosse but their goal keeper could not seem to stop anything.

Tues., Sept. 8th was Juvenile night Maple defeated Newmarket 13-2.

This game was well played by both teams with the exception that Newmarket always seemed to forget the Maple home player who camped right up by their goal with nobody checking him.

The second game was won by Richvale who defeated Bradford 10-6.

This was the best game of the night. Bradford who are improving every game they play extended Richvale to the limit and only Richvale's combination plays won the game for them.

The standing is as follows: MIDGET W L T Pts Richmond Hill .. 4 1 0 8 Maple .. 4 2 0 8 Richvale .. 0 5 0 0 JUVENILE Maple .. 5 1 1 11 Richvale .. 5 2 0 10 Bradford .. 3 3 0 6 Richmond Hill .. 1 2 1 3 Newmarket .. 0 4 0 0

Referees

One of the most thankless tasks of the Town League Lacrosse is the Referee's. He goes out in a game, runs around for an hour without any pay and has to listen to all the abuse handed out by the spectators.

No man is perfect and can see everything that goes on in a game. He has to follow the play and have eyes in the back of his head to see the odd sly jab or trys behind his back.

There is no man who has ever refereed a game of Town League Lacrosse has ever made any complaints about the abuse handed out by the spectators during a game as they expect it, but when the abuse is carried on after the game is over is a little too much. It is no wonder it is a hard job to get anyone to referee a game.

The League will welcome anyone who wishes to try their hand at refereeing a game. Apply either to the President, Jack Warwick or the Vice-President, Bunny White.

Wrestling Gets Rough

Those people who went to the wrestling matches at Richvale Monday night enjoyed a good card put on by Ernie Rogers.

In the bout between Ed. Carr and Bill Smith, Ed Carr was unfortunate to stop an elbow smash with his head. Three stitches were required.
