Late Mabel Cavell Jones

Mabel Cavell Jones, aged 20, one of the most popular girls of Woodbridge and who had been an invalid for some time, passed away on Friday, September 4th, and was buried in Nashville Cemetery on Monday last with Rev. J. E. Anderson conducting the burial service. Miss Jones was a daughter of Mrs. Susie Jones, and the late Charles Jones and was born at Kleinburg. Following her father's death twelve years ago the family moved to Woodbridge where Mabel joined the office staff of the William Robinson & Son Dye Works and where she continued to work until her late illness. The high esteem in which deceased was held was evidenced by the beautiful display of floral tributes contributed by her many relatives and friends which included Mother, sisters, members of the Robinson Office Staff, Employees of the firm, all branches of the United Church and groups of young friends, besides many individual tributes. The funeral was a fitting tribute to one whose passing occurred at an age when life seems bright and carefree. rey, Susie and Charles, all of Woodbridge. The pallbearers were youthful friends including Alfred McKinnon, Lynas Glass, Len Pettit, Gordon Bagg, William Robb, of Woodbridge, and Lorne Campbell of Ferguson.

Robert S. Port Honored by Blackwood Lodge A.F. & A.M.

A ceremony unique in the history of Blackwood Lodge A.F. & A.M., Woodbridge, took place last week when Wor. Bro. Robert E. Port, of Ocean Beach, Cal., was presented with a 50-year Masonic Jewel on behalf of Grand Lodge.

The presentation was made by Wor. Bro. Ed. W. Brown of Blackwood Lodge, assisted by Bro. Lindsay W. Ward, Secy. of the Lodge. Mr. Port joined the Masonic Order of Woodbridge on Aug. 25, 1882, and was some years afterwards Wor. Master of Alpha Lodge, Toronto. He is a 32nd degree Mason and a life member of Blackwood Lodge, Woodbridge, Alpha Lodge, Toronto, and Mimico Lodge, Lambton Mills, Antiquity, and Geoffrey de St Alderman Chapters, Three Scottish Rite lodges, and Rameses Shrine, Toronto.

When Mr. Port was informed of his being granted a 50-year jewel, he and Mrs. Port decided to fly to Toronto. They left Ocean Beach on Saturday, August 1st, at 7 a.m. by taxi to Santiago airport where they boarded a plane and in a few moments were 10,000 feet in the air. It is a delightful trip from California to Buffalo where they arrived on Sunday afternoon at 3 o'clock. In some places they were above the clouds which looked very much like snow and in other places the air was clear and green fields could be seen below.

Mr. and Mrs. Port changed planes at Port Worth, Tex., Dallas Tex., and Cleveland, Ohio, arriving at Buffalo, N.Y., where they took the train for Toronto.

Mr. Port was born in King township, York County in 1858 and shortly afterwards the family moved to Collingwood where his father and brothers engaged in sailing, operating two passenger boats and a tug. While sailing his father and two brothers were drowned when their boat, the Jane Miller, capsized and sank in Colport's Bay, near Wiaraton.

Following this tragedy the mother and remaining members of the family came back to King township and Mr. Robert Port engaged himself with the John Abel Works in Woodbridge and worked as a machinist for 3 years. During this time he joined Blackwood Lodge. Later he lived at Gorrie, Ont., and from there went to the C.P.R. shops, West Toronto, having charge of the tool-

room for 45 years, until 1927. He was superannuated and went to Ocean Beach, Cal., to live.

Mr. Port is very proud of his 50-year Jewel and is enjoying life to the full. While in Woodbridge he visited several old friends.
