Armistice Day Services Held Here Sunday

Richmond Hill's service of remembrance held at the cenotaph last Sunday afternoon was largely attended by citizens of the district and was eloquent tribute to those from this community who paid the supreme sacrifice in the Great War. Veterans from all sections of the County joined in the service and the parade which was headed by Richmond Hill Trumpet Band included in addition to the veterans, members of the Boy Scouts and Girl Guides.

Following the prelude "The Dead March in Saul" by North Toronto Silver Band, Reeve John A. Greene extended on behalf of the municipality a welcome to all those taking part in the service. Briefly also he paid tribute to those who served their country in the war and urged that the present generation strive to live up to the principles for which they died. Following the singing of the hymn, "O God our Help in Ages Past" Rev. W. F. Wrixon of St. Mary's Anglican church led in prayer and Rev. C. W. Follett of the United Church read a passage of scripture.

The hymn "God of our Fathers" was followed by the laying of the wreaths on the memorial. Col. W. P. Mulock K.C., M.P. laid a wreath on behalf of the province of Ontario, Mr. C. N. Cooper presented the wreath on behalf of the Municipality of Richmond Hill, Mrs. G. Yerex on behalf of the Women's Institute and Mrs. Binns on behalf of the veterans.

Then followed The Last Post, two minutes silence, and Reveille. After the singing of "Abide with Me" Rev. (Capt.) John Kelman, one of Canada's official representatives on the Vimy pilgrimage delivered an inspiring message in keeping with the day. After the National Anthem the parade reformed and marched past the saluting base at the corner of Yonge Street and Lorne Ave. where the salute was taken by Col. W. P. Mulock K.C., M.P., president of the York County veterans. After the parade visiting veterans were treated to hot coffee at the High School.

WAY BACK IN LIBERAL FILES

FORTY YEARS AGO
From our Issue of November 12, 1896
Warden Slater has called a special meeting of the York County Council to be held in the Court House, Toronto, on Monday. Among the business taken up will be the consideration of the abolition of the toll gates and market fees; the question of the extension of the time for the completion of the Metropolitan Street Railway line as far as Richmond Hill, and several other matters.

On Wednesday, November 11th, 1896, at St. Mary's Church, by the Rev. W. W. Bates, B.A., assisted by the Rev. Rural Dean Mussen of Aurora, Amy Elizabeth Newbury, only daughter of Mr. Henry J. Newbury was married to Edward Britnell of Toronto.

The annual "At Home" of the W. M.S. held in the school room of the Methodist Church last evening was well attended and an enjoyable and profitable time was the result. Mrs. Proctor and Mrs. Newton received the visitors and made everybody feel at home the moment they entered the door. The room was neatly decorated with flowers, drapings, etc., the platform presenting a cosy home-like scene. An interesting program was provided. The collection at the door amounted to about \$11.00 and the funds of the society were further increased by several warm hand shakes with the members at \$1.00 a shake.

THIRTY YEARS AGO
From our Issue of November 8, 1906
The Board of Education has been called to meet on Friday when it is hoped there will be a quorum. There has been no quorum since August 10, although the board was regularly notified at the proper time in the months of September and October. When men accept office on the board they ought to be prepared to fully perform the duties of the office.

The tax slips show that the rate-payers will have a little less to pay this year than they paid last year. Of course the amount of \$555 given the James Bay Railway for station grounds was paid last year in one debenture.

The apple crop in Mount Pleasant is a failure this season, especially the spy variety which is much sought for winter use.

Uncle was laying down the law to his young nephew. "Remember, my boy," he said heavily, "it will pay you to be diligent in your studies. Remember, too, what you have learned no one can ever take from you."

The boy nodded understandingly. "Well," he replied, "they can't take from me what I haven't learned, either, can they?"

Repairs to barns and outbuildings on farms may be made under the Government's home-improvement scheme, it was announced this week by the National Employment Commission. The point has been under consideration by the Finance Department, which has charge of the Government guarantee end of the scheme, and it has been decided to include farm outbuildings.

It was announced at the outset that money might be borrowed under the plan in order to erect a garage on the property of a house-owner. As rural as well as urban homes are included in the plan on exactly the same basis, the point then arose whether or not a farmer's buildings not attached to the farmhouse were eligible. The matter was considered, and under the decision reached farmers will be able to borrow to repair their outbuildings.
