## Greene and McLean Will Be Candidates For 1937 Reeveship

At the statutory meeting of Richmond Hill council Tuesday evening Reeve Greene stated that he would seek re-election as Reeve for 1937 and councillor James McLean intimated that likely he also would be a candidate for the reeveship. Councillors H. J. Mills, Alex Little and P. C. Hill expressed their willingness to stand for re-election but so far no one outside the council has declared their intentions of running, but it is considered likely that Christian Nelson, who made an excellent run last year, will be a candidate for the seat vacated if councillor McLean seeks the higher office of Reeve. Ex-councillor W. Neal who unsuccessfully contested the reeveship last year is also mentioned as a possible council aspirant and before the official nomination day which will be Monday, December 28 several others may enter the race.

At the final meeting of the year Tuesday evening clerk and treasurer A. J. Hume presented the annual financial statement which indicated the finances of the municipality to be in very satisfactory condition. The treasurer intimated that as near as he could estimate at the present time the financial standing of the town at the end of 1936 would be improved over a year ago.

Reeve J. A. Greene expressed his sincere thanks to all the members of council for the help and co-operation during the past year. "Every member has worked wholeheartedly for the welfare of Richmond Hill and the splendid spirit of co-operation had been of great assistance in carrying on the business of the village in these difficult times," he said. Referring to county affairs he intimated that several items of major importance to Richmond Hill would come before the County Council in 1937. These included the equalization of assessment and the changes pending in the method of payment for secondary education. He intimated also that early in the New Year the future of the radials would be considered by the commission representing the four co-operating municipalities.

Councillor Alex Little stated that during the year he had charge of the roads department and while there might be some complaints the committee had endeavoured to do the best possible work with the money available. He would likely be a candidate for council for 1937.

Councillor P. C. Hill said that he was completing his first year as a member of council and as a new member the work while new to him had been very pleasant. As chairman of the waterworks department he had endeavoured to administer that department on a business-like basis. It had been his aim to reduce the amount outstanding in arrears for water services and he had succeeded in improving conditions in this regard. Improvements had been made in the heating system at the waterworks plant which should prove a benefit and in the end be more economical. The waterworks department showed a substantial surplus for the year, he said.

Councillor James McLean stated that he had enjoyed the work in council during the past year very much. While the electric light department showed a deficit it was largely due to the rebate that was made to consumers during the year. Collections which are difficult in these hard times were as good as former years. I may be an opponent of the present reeve for the reeveship in the coming elections. While he's a mighty good fellow I think possibly I may seek to step up and be in the field for reeve.

Councillor Mills who has charge of the arena and parks expressed his pleasure on serving in the council for the past year. I have enjoyed it very much, he said. Reeve Greene paid tribute to the very efficient services rendered to the municipality by clerk and treasurer A. J. Hume. His work has made the work of myself and members of council a whole lot lighter, he said.

Mr. Hume thanked the reeve for his kind remarks and stated that in his 31 years as clerk he had always had the harmonious co-operation of members of council. It is a source of much satisfaction he said that in all that time there has not been any friction between myself and the various councils.

The annual meeting of the Milk Producers' Association was held at the King Edward Hotel, Thursday afternoon, December 10th. Over 500 milk shippers joined together in a large range of discussions.

The executive did such outstanding work last year they were re-elected by acclamation. Pres., Dr. J. B. Reynolds; Sec'y-Treas., E. H. Clarke; Field Man, Mr. Wilmot. Addresses were presented by Mr. Coleman, Dairy auditor for the Toronto Association; Mr. Bremmen, test checker of the Toronto Association; Mr. Jack Houck, chairman of the Ontario Milk Producers' Association; Dr. Jackson, Medical Health Officer of Toronto.

It was announced at the council meeting Tuesday night that the local community Christmas tree will not be held this year. The committee composed of members of council and representative citizens will concentrate their efforts this year in bringing Christmas cheer to needy families. Councillor McLean, chairman of the committee, explained that baskets would be packed and delivered to families in the village. Reeve Greene suggested that the purchasing of supplies for the baskets be divided among the storekeepers of Richmond Hill.

## Markham Twp. Council

There is much speculation concerning election prospects in Markham township and rumors which have gained considerable momentum during the week indicate that Councillor Charles Hooper will be a candidate for deputy-reeve and that there will be several offering themselves for the council seats. Whether present Deputy-reeve James Rennie will stand to contest the deputy-reeveship or step up to seek the reeveship is the big question asked where municipal affairs are discussed. Another question is whether the veteran George B. Padgett will stand for re-election if his present deputy seeks the position. These all are questions which only the result of the official nomination on Monday, December 28th will answer. In any event at this stage of affairs an acclamation for all looks unlikely and a spirited election looms as not a remote possibility. Dame rumor mentions ex-deputy-reeve Robert Smith, ex-deputy-reeve R. L. Stiver and ex-deputy-reeve W. L. Clark as council candidate possibilities in addition to former deputy-reeve Kincaid and others new to municipal life are being urged to plunge into the fray.

The statutory meeting of council was held Tuesday when the curtain was rung down on the year's activities. The treasurer's statement showed the township finances to be in a very satisfactory condition and reports of tax collections are very gratifying.

The annual report of Dr. C. R. Mackay, M.O.H., was submitted to council along with the account for services amounting to \$314.25. This included \$110.00 for inspection of 22 schools, and also \$90.00 for administration of toxoid in the municipality.

Road accounts were passed as follows: J. K. Reesor, Markham, \$9.30; D. Shadlock, Milliken, \$15.00; E. A. Buchanan, Unionville, \$15.35; R. Agar Gormley, \$110.00; Marjison & Babcock, engineering fees, \$135.00; W. J. Payne, Markham, repairs, \$19.70; R. Woodcock, Markham, \$1.98; Lake Wilcox Co., gravel, \$113.75; W. G. Maxwell, salary etc., \$48.74. General accounts: Jas. Walker, constable salary and mileage, \$25.00; James Walker, sanitary inspector, \$25.00; Stiver Bros., \$6.22; York Roads Commission, \$23.80; R. Myers, caretaker, \$42.00; H. A. Babcock, plans etc., \$65.00; W. Brooke, valuing sheep, \$5.

The Township Veterans organization was given free use of the hall for their annual Christmas tree, and \$6.00 paid in rentals by the same organization for euchres was ordered refunded as the money raised by veterans is used for welfare work. Reeve Padgett and all the members of council expressed the utmost sympathy for the splendid work being carried on by the veterans organization.
