NEW PONTIAC HAS MANY FINE ATTRACTIVE FEATURES

New and thrilling in design and performance, the "Pontiac 224" for 1937 is now on view at Rolling Motor Sales, Richmond Hill.

The new models maintain Pontiac's reputation for lively road manners, beauty and ruggedness, as well as economy of operation.

An inspection of the 224 also reveals some other interesting safety features. In addition to all-steel construction with safety glass right around, there is an adjustable, tilting driver's seat.

downward sweep. It will be noted, also, that window and door contours are new. Many motorists will welcome the addition of a narrow drip moulding, which protects both front and rear windows in wet weather.

The mechanically-minded will be interested in the completely new overhead valve type six-cylinder engine which retains sound engineering principles of the past with a host of new features which have survived gruelling tests.

Looking over the bodies, one finds that they are on 117-inch wheelbase and are two inches wider across the front seat and windshield with 1 1/2 inches more seat width in the rear.

Pontiac engineers have succeeded in boosting rigidity to three times its former value by incorporating what is known as a Double-Drop Cantilever frame at the base of the car.

The interior of the "224" has a luxurious appearance. To these times its former value by incorporating what is known as a Double-Drop Cantilever frame at the base of the car.

TESTON

To The Liberal and its readers "A Merry Christmas."

The Missionary Convener, Frank Robson, had a very successful meeting of the Y.P.U. last Sunday evening. After the opening hymn Ed. Bowen led the prayer service and Munro Stimers read the lesson.

Sunday, December 20th, is White Gift Day so bring along your gifts to help the needy.

Miss Carson and Miss Smith of Newtonbrook, Miss Stevens of Toronto, with Miss Hazel Carson and friend were guests of the Carsons on Sunday.

Mrs. William Ireland of Brampton visited her sister Mrs. Alex. MacDonald on Sunday.

THORNHILL

The Women's Club of Trinity Anglican Church held the last meeting of the year at the home of Mrs. S. Wilcocks, Yonge St., last Wednesday night, and the following were elected to office for 1937: President, Mrs. Wilcocks; 1st Vice-president, Mrs. Hayes; 2nd Vice-president, Mrs. Dixon; Secretary, Miss E. Wilson; Assistant Sec'y, Mrs. Crush; Treasurer, Mrs. Collins.

Last Saturday afternoon a social time was spent at the home of Mrs. Wilcocks, when the Women's Club gave a tea and held a sale of home cooking, many good things being carried away by those who attended.

On Sunday, Dec. 20th, special Christmas services will be held in the United Church. The local branch of the Women's Institute met on Thursday (today) at the home of Mrs. C. Smith.

A number of Thornhill people attended the services of Gypsy Smith held in the "People's Church" on Tuesday afternoon and Cook's Presbyterian Church at night.

Thornhill mourns the passing, on December 9th, of one of its highly respected citizens in the person of Mrs. J. L. McDonald, for many years a resident and active worker in the life of the community.

Mrs. McDonald, whose maiden name was Ada Heron, was born in Osprey Township, Grey County, in the year 1872 and on Dec. 15th, 1897 married John L. McDonald.

Mrs. McDonald leaves to mourn, her immediate family, her husband, John L. McDonald, and five children. Nell G., at Willowdale, Bruce and Jenn, at home, and Craig and Hugh of Noranda.

Active for many years in every good work, especially in her church, Mrs. McDonald will be greatly missed in the life of the community. A member of the United Church, she was successively active in Sunday School, Mission Band, Women's Missionary Society and Women's Association, being President of this last Society during the year which ended Dec. 9th, the day of her death.

Funeral services were held on Saturday, Dec. 12th. A private service was conducted by the Pastor at the home, for relatives and close friends, and this was followed at 3:00 p.m. by a public service in Thornhill United Church where the very large congregation gave evidence of the respect and esteem in which the deceased was held.

The minister, Rev. E. E. Pugsley, conducted the service and gave a brief address on the text "We are laborers together with God." Rev. J. H. Oke, Pastor of Thornhill Methodist Church over twenty years ago and a long time friend of the family, spoke very feelingly regarding the devotion of the deceased. The Revs. Mr. Noble and Mr. Cunningham also assisted in the service. Interment followed in the family plot in Thornhill Cemetery.

The sympathy not only of the Church, but also of the whole community and a wide circle of friends, goes out to the family in their bereavement.

Now the laborer's task is o'er; Now the battle day is past; Now upon the farther shore Lands the voyager at last. Father, in Thy gracious keeping Leave we now Thy servant sleeping.

HEREFORDS WIN HONOURS

Although the competition was keener than in former years, the Hereford herd of Black Bros., Caledon, held their place at the Royal Winter Fair, being the only herd of Herefords in Ontario to win a first prize. With twelve entries Black Bros. won thirteen prizes, consisting of 3 firsts, 3 seconds, 1 third, 4 fourths and 2 reserve champions.

Cultivating our own sorrows kills the power to sympathize.

CONTROLLING TUBERCULOSIS

Everyone knows about diseases that at one time caused great loss of life and that have been brought under control in the last thirty or forty years as a result of modern public health methods.

Yellow fever is another plague of a generation or two ago when whole cities were quarantined because of it. Diphtheria, the killer of children a few years ago, is to-day becoming a rare disease. Many communities have not had a death or even a case of diphtheria in several years, thanks to modern methods of immunization against this disease.

Smallpox, that scourge and terror of our forefathers, is now seldom heard of. And so it goes, these dread diseases which once decimated the population, are now practically eliminated. Tuberculosis is still far from being conquered, but it is encouraging to note that more progress has been made in conquering this enemy during the first thirty-five years of this century than in all the centuries that went before.

Given the necessary financial support, the Muskoka, the Toronto and the Queen Mary Hospitals for Consumptives will continue to lead the way. Please send your gift to National Sanitarium Association, 223 College St., Toronto.

Richmond Hill Tax Payments Are Due

In maintaining the good financial standing of a municipality, an important feature is the prompt payment of taxes. Therefore on behalf of the council we appeal to the citizens to make a sincere effort to meet their tax payments before the end of the year. Our treasurer is authorized to accept and give full credit for payments on account of current taxes or arrears.

WILLIAM G. CLYSDALE

Probably the most widely acquainted Tories in the Province of Ontario passed away quite suddenly in the Belleville General Hospital on Tuesday, Dec. 8th, in the person of William G. Clysdale, who had been identified with the Conservative organization in Ontario since 1905. As secretary of the Conservative Association of Ontario he had spent the past three weeks in Belleville assisting in the East Hastings by-election campaign. He was possessed of a very pleasing personality and a most remarkable faculty for remembering names and faces. He was born in Peterboro 61 years ago, was a member of the Church of England, an Orangeman and a Mason. He was a past county master of the Orange Lodge of Essex county.
